Sola Scriptura Doesn't Work Joel Peters, 2024-04-20 We know that sola scriptura isn't in the Bible and wasn't practiced in the Church before the Reformation These are reason enough to be skeptical of this central pillar of Protestantism But in case you or someone you know needs more convincing Joel Peters offers twenty five reasons why it's simply not practical As a reliable rule of faith for the daily lives of ordinary Christians it just doesn't work

Dead on Arrival David L. Gray, 2010-12-20 The Doctrine of Sola Scriptura Bible Only teaches that Scripture the Bible alone is the sole source of authority for the Christian and the Church Coined and promulgated by Martin Luther and John Calvin 1500's this doctrine has become the ground floor upon which all of the doctrine of Protestant Christianity has been built If it can be proven that Sola Scriptura is in error and that it is an innovation to orthodox Christianity the entire body of purely Protestant doctrine will be subsequently rendered void Using Scripture itself reason and a spoon full of humor David L Gray also called Yoseph Daviyd brilliantly reduces the doctrine of

Sola Scriptura to absolute absurdity thus rendering all of Protestantism Dead on Arrival This book is a must have for all Christians who love sacred Scripture and desire to use it as God intended This the Second Edition The changes to the text from the previous version include additional material modification to images and correction of typos **100 Biblical Arguments Against Sola Scriptura** Dave Armstrong,2012-05 Where Is That in the Bible Fundamentalists and many other Protestants use this question all the time particularly when they re dealing with Catholics When they are being trained how to talk with Catholics Fundamentalist evangelizers are taught to use this question They see it as the master key to defeating Catholics Countless Catholics are absolutely stumped by the question and don t know what to say in response This is a very important principle in Protestant thought It s the idea that we should do our theology by Scripture alone It even has a fancy Latin name sola scriptura It s time for Catholics to stop being beaten up with the Fundamentalists favorite question That s why Catholic Answers has published the book 100 Biblical Arguments Against Sola Scriptura by well known apologist Dave Armstrong This powerful new book contains just that Biblical arguments These are the kind that you need to get through to a Fundamentalist After all if they re locked into the Bible only view they won t even listen to appeals from other sources That s why you need the kind of precise Biblically based takedown of sola scriptura that Armstrong provides **Scripture Alone or the Word of God Alone?** Perfect Mugwagwa,2018-05-31 This works treats the question of Scripture by analysing the properties or the natures of Scriptures Tradition and the Church to prove that all of them are infallible authorities for believers The author also goes at length re analysing the bible verses which protestants use to defend their position on Sola Scriptura they are presented in their proper context thereby refuting the protestant position in an unrefutable manner The book also exposes the double standards on positions used by Protestants in rejecting Tradition but availed with the same position on scriptures they still accept them Simple language was used and this book is mainly for the layman who will quickly be able to grasp the arguments with ease In the second edition a chapter devoted to the discussion of the Nature of Faith has been included to resolve the issue of Sola Fide and the unity of faith Imputed righteousness has been refuted in the book and its main weakness exposed **Scripture Alone** James R. White,2004-10-01 A denial of the sufficiency of Scripture is at the core of almost every form of opposition to the Christian faith today Scripture Alone is written to instill a passionate love for and understanding of the Bible In this defense of God s inspired Word readers will comprehend what God s Word is the nature of Scripture the relationship of the Bible to tradition how to apply Scripture to today s issues and much more Included is a faith inspiring study of the canon what it is and where it came from
