A. Torrey, Edward D. Andrews, 2016-08-09 How can we find more enjoyment in studying the Bible How can we make our study periods more productive What circumstances contribute to effective personal study How can we derive real benefit and pleasure from our Bible reading From what activities can time be bought out for reading and studying the Bible Why should

we watch our spiritual feeding habits What benefits come from reading and studying the Scriptures There is a great and constantly growing interest in the study of the English Bible in these days However very much of the so called study of the English Bible is unintelligent and not fitted to produce the most satisfactory results The authors of this book already have a book entitled HOW TO STUDY Study the Bible for the Greatest Profit but that book is intended for those who are willing to buy out the time to put into thorough Bible study The present book is intended first of all to impress men and women with the Importance and Value of Bible Study secondly to show busy men and women how to get the most out of their Bible Study thirdly to set forth the fundamental principles of correct Biblical Interpretation      **Scripture Workbook** Gary

Zeolla,2000-10 This book contains twenty two individual Scripture Studies Each study focuses on one general area of study These studies enable individuals to do in depth topical studies of the Bible They are also invaluable to the Bible study teacher preparing lessons for Sunday School or a home Bible study They can be used for group studies as well The range of topics covered in the different studies is broad from what the Bible teaches about itself to what the Bible teaches about divorce and remarriage Included in each study are hundreds of Scripture references so there will be no lack of material from which to begin your studies So if you re an individual looking for an aid to improve for your own personal Bible studies or a Bible study teacher or home group leader looking for help in preparing lessons this book will be of great benefit The sources for the viewpoints promoted in these Scripture Studies are wide and varied The ideas are taken from commentaries study Bibles theology books books of various kinds and most importantly this writer s own personal study of the Scriptures The sources for the opposing views presented are publications of groups that promote the ideas and personal conversations this writer has had with members of such groups and adherents to the views Every effort has been made to ensure the accuracy of the Scripture references in these studies But with the thousands of references presented it is likely that a few typos have crept in If the reader comes across a reference that does not make sense in the context presented just go onto the next one There are always plenty of verses listed for each point It is my hope and prayer that God uses these Scripture Studies to help the reader to grow in the grace and knowledge of our Lord and Savior Jesus Christ To Him be the glory both now and forever Amen 2

Torrey, 2022-01-01 There has perhaps never been an age that set such great store in study as that in which we now live The unfortunate thing about it is that so much of the study in our day is devoted to books and subjects in which there is little or no profit Time is squandered on the purely speculative the uncertain the unprofitable the unessential the unproductive the irrelevant and the transitory The most profitable of all study is wisely ordered Bible study Its value is incalculable It is beyond all comparison more profitable than any other study It is the one superlatively profitable study Bible study towers above all other studies in importance and value not only because of what the Bible is but also because of what the Bible does The Bible properly studied makes men wise unto salvation The Bible makes Jesus Christ known so as to lead anyone who studies it to believe in Jesus as the Christ the Son of God and thereby to obtain eternal life in His name The Bible imparts God's own nature to the men women and children who study it as they should and thus completely transforms their inmost and their outward life When properly studied this Book makes the one who studies it grow like the palm tree in all the graces and glories of Christian character The Bible properly studied makes the heart pure and keeps the life white The Bible properly studied brings peace wonderful peace to the troubled heart The Bible properly studied brings joy as well as peace In this book I will tell you how to properly study the Bible for light and not for darkness for life and not for death for blessing and not for cursing and so it will lift us up to heaven and not sink us down to hell
