Teasing Secrets from the Dead Emily Craig, Ph.D., 2004-08-31 Teasing Secrets from the Dead is a front lines story of crime scene investigation at some of the most infamous sites in recent history In this absorbing surprising and undeniably compelling book forensics expert Emily Craig tells her own story of a life spent teasing secrets from the dead Emily Craig has been a witness to history helping to seek justice for thousands of murder victims both famous and unknown It's a personal story that you won't soon forget Emily first became intrigued by forensics work when as a respected medical illustrator she was called in by the local police to create a model of a murder victim's face Her fascination with that case led to a dramatic midlife career change She would go back to school to become a forensic anthropologist and one of the most respected and best known bone hunters in the nation As a student working with the FBI in Waco Emily helped uncover definitive proof that many of the Branch Davidians had been shot to death before the fire including their leader David Koresh whose bullet pierced skull she reconstructed with her own hands Upon graduation Emily landed a prestigious full time job as forensic anthropologist for the Commonwealth of Kentucky a state with an alarmingly high murder rate and thousands of square miles of rural backcountry where bodies are dumped and discovered on a regular basis But even with her work there Emily has been regularly called to investigations across the country including the site of the terrorist attack on the Murrah

Building in Oklahoma City where a mysterious body part a dismembered leg was found at the scene and did not match any of the known victims Through careful scientific analysis Emily was able to help identify the leg s owner a pivotal piece of evidence that helped convict Timothy McVeigh In September 2001 Emily received a phone call summoning her to New York City where she directed the night shift triage at the World Trade Center s body identification site collaborating with forensics experts from all over the country to collect and identify the remains of September 11 victims From the biggest news stories of our time to stranger than true local mysteries these are unforgettable stories from the case files of Emily Craig s remarkable career *The Dead Man's Secret; Or, The Adventures of a Medical Student* Charlotte M. Hebrew Union College and the Dead Sea Scrolls Jason Kalman, 2012-11-01 The bare outline of the story of the discovery of the Dead Sea Scrolls is well known both to scholars and in the popular imagination The precise details the sequence and causal interplay of events even some of the key players behind the scenes are less well known and sometimes completely forgotten or misconstrued The recovery of this history in all its complexity is vital for understanding how and why scholarly work on the Scrolls developed as it did over the six decades during which the texts were slowly published Jason Kalman recovers the fascinating story of Hebrew Union College Jewish Institute of Religion s involvement with the Dead Sea Scrolls from their discovery in 1948 until the early 1990s when they were first made accessible to all scholars and to the public Scholars at HUC JIR actively participated in efforts to acquire and preserve the manuscripts and played a significant part in breaking the monopoly of scholars initially assigned to publish them Despite these activities a number of HUC JIR s influential teachers took a negative view of the scrolls As a consequence rabbinical students either did not encounter the material or left the institution with a view of it that was far from the mainstream This book traces the activities of HUC JIR s administration and faculty over five decades the contribution they made to the new academic field and their influence on how knowledge of the Dead Sea Scrolls was shared with the community at large Many details about security negatives stored at HUC and about the bootleg reconstruction are revealed for the first time *The War Scroll, Violence, War and Peace in the*
