A Search in Secret Egypt Paul Brunton,2015-11-24 In this book philosopher Paul Brunton 1898 1981 encounters the

mysteries and magic of Egypt in the 1930s including an eerie yet illuminating night spent alone inside the Great Pyramid. Alongside his explorations of ancient Egypt's monuments and gods, Brunton encounters a variety of occultists, fakirs, and dervishes and even manages to become initiated into the deadly art of snake charming. His frank interviews with Muslim leaders remain relevant today, and his description of the Hajj reflects the beauty and inspiring faith of Mohammad's true followers. Brunton's journey to discover the furthest reaches of what the mind and body are capable of, and to distinguish various forms of yoga and magic from true spirituality, lead him to the myth of Osiris and to the mystery that is the Sphinx itself. In the end, Brunton turns his attention to his own spiritual path, connecting all of his experiences into a single discovery: that we are more than the body and that the freedom of our spirit can be experienced here and now. This new edition has been updated to incorporate Brunton's final revisions and includes an introduction by the Paul Brunton Philosophic Foundation. Paul Brunton was a great original and got to a place of personal evolution that illumines the pathways of a future humanity. Jean Houston, author of *A Passion for the Possible* and *A Mythic Life*. Any serious man or woman in search of spiritual ideas will find a surprising challenge and an authentic source of inspiration and intellectual nourishment in the writings of Paul Brunton. Jacob Needleman, author of *What is God*. *They Found the Secret* V. Raymond Edman, 2018-07-10. Explore the lives of twenty Christian figures whose powerful testimonies and lives of service will inspire you to embrace Christ as the secret to abundant living. Written by V. Raymond Edman, who is best remembered as the fourth president of Wheaton College in Illinois and as the writer of many devotional books. *They Found the Secret* shares the failures, hardships, yearnings, accomplishments, and ultimate hope and faith of twenty well-known and little-known Christians. There are those of yesteryear like John Bunyan and of more recent years like Richard C. Halverson and William P. Nicholson. There are clergymen like A. J. Gordon and laymen like Dwight L. Moody. Some are well-known like Charles G. Finney and Oswald Chambers, while others may be little-known or even quite forgotten like J. A. Wood. There are mystics like Andrew Murray and practical men like Charles G. Trumbull and Robert E. Nicholas. There are women as well as men: Frances Ridley Havergal of England, Amy Carmichael of India, and Eugenia Price of contemporary America. The details of each of their experiences are quite different, yet as you listen to their stories and watch their lives, you will see a pattern that reveals their secret: Out of discouragement and defeat, they have come into victory. Out of weakness and weariness, they have been made strong. Out of ineffectiveness and apparent uselessness, they have become efficient and enthusiastic. Their collective testimony to the reality of the joy and power of the Spirit-filled life is unanimous. Their lives and work have shaped the Christian faith and paved the way for those who have come after them. And from their stories, you too can find the path to deeper faith and a more vital relationship with God. **The Secrets to Maintaining Your Deliverance** Alexander Pagani, 2024-10.
