**El Secuestro de Edgardo Mortara** David I. Kertzer,2000      [The Kidnapping of Edgardo Mortara](#) David I.

Kertzer,2008-12-30 Soon to be a major motion picture from Steven Spielberg A National Book Award Finalist The extraordinary story of how the vatican s imprisonment of a six year old Jewish boy in 1858 helped to bring about the collapse of the popes worldly power in Italy Bologna nightfall June 1858 A knock sounds at the door of the Jewish merchant Momolo Mortara Two officers of the Inquisition bust inside and seize Mortara s six year old son Edgardo As the boy is wrenched from his father s arms his mother collapses The reason for his abduction the boy had been secretly baptized by a family servant According to papal law the child is therefore a Catholic who can be taken from his family and delivered to a special monastery where his conversion will be completed With this terrifying scene prize winning historian David I Kertzer begins the true story of how one boy s kidnapping became a pivotal event in the collapse of the Vatican as a secular power The book evokes the anguish of a modest merchant s family the rhythms of daily life in a Jewish ghetto and also explores through the revolutionary campaigns of Mazzini and Garibaldi and such personages as Napoleon III the emergence of Italy as a modern national state Moving and informative the Kidnapping of Edgardo Mortara reads as both a historical thriller and an authoritative analysis of how a single human tragedy changed the course of history

**Mortara** David I. Kertzer,1997-01-01 National Book Award Finalist Bologna 1858 A police posse acting on the orders of a Catholic inquisitor invades the home of a Jewish merchant Momolo Mortara wrenches his crying six year old son from his arms and rushes him off in a carriage bound for Rome His mother is so distraught that she collapses and has to be taken to a neighbor s house but her weeping can be heard across the city With this terrifying scene one that would haunt this family forever David I Kertzer begins his fascinating investigation of the dramatic kidnapping and shows how the deep rooted antisemitism of the Catholic Church would eventually contribute to the collapse of its temporal power in Italy As Edgardo s parents desperately search for a way to get their son back they learn why he out of all their eight children was taken Years earlier the family s Catholic serving girl fearful that the infant might die of an illness had secretly baptized him or so she claimed Edgardo recovered but when the story reached the Bologna Inquisitor the result was his order for Edgardo to be seized and sent to a special monastery where Jews were converted into good Catholics His justification in Church teachings No Christian child could be raised by Jewish parents The case of Edgardo Mortara became an international cause c l bre Although such kidnappings were not uncommon in Jewish communities across Europe this time the political climate had changed As news of the family s plight spread to Britain where the Rothschilds got involved to France where it mobilized Napoleon III and even to America public opinion turned against the Vatican The fate of this one boy came to symbolize the entire revolutionary campaign of Mazzini and Garibaldi to end the dominance of the Catholic Church and establish a modern secular Italian state A riveting story which has been remarkably ignored by modern historians The Kidnapping of Edgardo

The Kidnapping of Edgardo Mortara David I. Kertzer, 2019-10-03 Now filmed by Steven Spielberg starring Mark Rylance as the Pope. The extraordinary story of how the Vatican's imprisonment of a six year old Jewish boy helped to bring about the collapse of the popes worldly power in Italy. Bologna nightfall June 1858. A knock sounds at the door of the Jewish merchant Momolo Mortara. Two officers of the Inquisition burst inside and seize Mortara's six year old son Edgardo. As the boy is wrenched from his father's arms his mother collapses. The reason for his abduction: the boy had been secretly baptized by a family servant. According to papal law the child is therefore a Catholic who can be taken from his family and delivered to a special monastery where his conversion will be completed. With this terrifying scene prize winning historian David I Kertzer begins the true story of how one boy's kidnapping became a pivotal event in the collapse of the Vatican as a secular power. The book evokes the anguish of a modest merchant's family, the rhythms of daily life in a Jewish ghetto and also explores through the revolutionary campaigns of Mazzini and Garibaldi and outside leaders like Napoleon III the emergence of Italy as a modern national state. Moving and informative, *The Kidnapping of Edgardo Mortara* reads as both a thriller and an authoritative account of a moment that changed Europe forever.

**El Vaticano y la pedofilia** Felipe Portales, 2022-07-04  
Este libro busca comprender cómo ha sido posible que una Iglesia que se constituyó para difundir el mensaje de Jesucristo de amor universal y particularmente a los más pobres y vulnerables haya caído en lo que el Evangelio considera el peor pecado: hacerles daño a los niños. El análisis histórico detecta que el mal de la pedofilia eclesiástica se comprende como el último eslabón en un proceso de corrupción de siglos. Da cuenta del autoritarismo histórico desarrollado por la Iglesia en su conexión con los poderes temporales que fue desnaturalizando en gran parte el mensaje evangélico de la prioridad del amor sobre la fe, abriendo paso a la Inquisición, las cruzadas, las caídas de brujas y el antisemitismo. A partir del triunfo de la Ilustración y el liberalismo en Occidente, la Iglesia acentuó defensivamente sus posiciones conservadoras y el autoritarismo interno, llegando a establecer la controvertida infalibilidad papal y extremando el verticalismo eclesiástico. Las contradicciones internas llegaron a un punto límite desembocando en una gigantesca crisis de vocaciones sacerdotiales, el apartamiento progresivo de los laicos y en una acentuación de la corrupción económica y sexual interna. En este cuadro se produce y explica el flagelo de la pedofilia sacerdotal así como el encubrimiento del Vaticano, las jerarquías episcopales y de las congregaciones nacionales. En este sentido se analizan casos particularmente graves y visibles. Los Legionarios de Cristo, Estados Unidos y Chile. El autor valora la lucha interna de miembros del clero y la feligresía para reencauzar la Iglesia y se ala propuestas de cambios estructurales.

que le permitirán desligarse de su atípico autoritarismo contradictorio con el mensaje de fraternidad universal del Evangelio
