## **Secular Humanist Declaration:**

**A Secular Humanist Declaration** Paul Kurtz,1980 No Marketing Blurb *A Secular Humanist Declaration* Paul Kurtz,1980 **A Secular Humanist Declaration** Barbie Frashure,2021-05-31 Secular humanism is a vital force in the contemporary world It is now under unwarranted and intemperate attack from various quarters This declaration defends only that form of secular humanism which is explicitly committed to democracy It is opposed to all varieties of belief that seek supernatural sanction for their values or espouse rule by dictatorship Democratic secular humanism has been a powerful force in world culture Its ideals can be traced to the philosophers scientists and poets of classical Greece and Rome to ancient Chinese Confucian society to the Carvaka movement of India and to other distinguished intellectual and moral traditions Secularism and humanism were eclipsed in Europe during the Dark Ages when religious piety eroded humankind s confidence in its own powers to solve human problems They reappeared in force during the Renaissance with the reassertion of secular and humanist values in literature and the arts again in the sixteenth and seventeenth centuries with the development of modern science and a naturalistic view of the universe and their influence can be found in the eighteenth century in the Age of Reason and the Enlightenment *Humanist Manifesto 2000* Paul Kurtz,2009-12-04 Drafted with the help of a 12 person committee this manifesto promotes a humanistic ethics based on reason and a planetary bill of rights and responsibilities It proposes a new global agenda stresses the need for international institutions and concludes on a note of optimism about the human prospect **Secular Humanism: threat and challenge** Robert Webber,1982 *Educating Humanists* William David Hart,2022-01-01 This volume explores the challenges that humanists face from hostile religious traditionalists on its right flank and from the political antihumanism which is often postsecular of critics on its left flank Given this dual challenge how can secular humanism educate sustain and reproduce itself **The Scientific Spirit of American Humanism** Stephen P. Weldon,2020-10-06 The story of how prominent liberal intellectuals reshaped American religious and secular institutions to promote a more democratic science centered society Winner of the Morris D Forkosch Award for Best Book by the Center for Inquiry Recent polls show that a quarter of Americans claim to have no religious affiliation identifying instead as atheists agnostics or nothing in particular A century ago a small group of American intellectuals who dubbed themselves humanists tread this same path turning to science as a major source of spiritual sustenance In *The Scientific Spirit of American Humanism* Stephen P Weldon tells the fascinating story of this group as it developed over the twentieth century following the fortunes of a few generations of radical ministers academic philosophers and prominent scientists who sought to replace traditional religion with a modern liberal scientific outlook Weldon explores humanism through the networks of friendships and institutional relationships that underlay it from philosophers preaching in synagogues and ministers editing articles of Nobel laureates to magicians invoking the scientific method Examining the development of an increasingly antagonistic engagement between religious conservatives and the secular culture of the

academy Weldon explains how this conflict has shaped the discussion of science and religion in American culture He also uncovers a less known but equally influential story about the conflict within humanism itself between two very different visions of science an aspirational democratic outlook held by the followers of John Dewey on the one hand and a skeptical combative view influenced by logical positivism on the other Putting America s distinctive science talk into historical perspective Weldon shows how events such as the Pugwash movement for nuclear disarmament the ongoing evolution controversies the debunking of pseudo science and the selection of scientists and popularizers like Carl Sagan and Isaac Asimov as humanist figureheads all fit a distinctly American ethos Weldon maintains that this secular ethos gained much of its influence by tapping into the idealism found in the American radical religious tradition that includes the deism of Thomas Paine nineteenth century rationalism and free thought Protestant modernism and most important Unitarianism Drawing on archival research interviews and a thorough study of the main humanist publications *The Scientific Spirit of American Humanism* reveals a new level of detail about the personal and institutional forces that have shaped major trends in American secular culture Significantly the book shows why special attention to American liberal religiosity remains critical to a clear understanding of the scientific spirit in American culture

**How to Be Secular** Jacques Berlinerblau, 2012-09-11

Why secularism isn t the same thing as atheism and why it s crucial for preserving liberty and democracy for all Americans regardless of their beliefs Founding father Thomas Jefferson believed that religion is a matter which lies solely between man and his God but these days many people seem to have forgotten this ideal Conservatives claim America is a Christian nation and urge that laws be structured around religious convictions Hardcore atheists meanwhile seek to undermine and attack religion at all levels Surely there must be a middle ground In *How to Be Secular* Jacques Berlinerblau issues a call to the moderates those who are tired of the belligerence on the fringes that we return to America s long tradition of secularism which seeks to protect both freedom from and for religion He looks at the roots of secularism and examines how it should be bolstered and strengthened so that Americans of all stripes can live together peacefully Jacques Berlinerblau mounts a careful judicious and compelling argument that America needs more secularists The author s argument merits a wide hearing and will change the way we think and talk about religious freedom Randall Balmer author of *Thy Kingdom Come How the Religious Right Distorts Faith and Threatens America*

[The Devil and Secular Humanism](#) Howard Radest, 1990-11-30

There is currently much confusion about the nature of humanism and a good deal of interest in its point of view As the object of attack and suspicion by fundamentalists conservatives and traditional religionists Howard B Radest believes that humanism deserves a clear and responsible treatment He accomplishes this in this book by clarifying the nature of humanism in historical and current thought The Enlightenment Radest states gave birth to a number of humanist values that are still being worked out in today s societies He reconstructs how humanist values have been considered dangerous by those who fear a change in the status quo Humanism Radest maintains is the true descendant of the age of reason and freedom In this unique

volume humanism is viewed as being misunderstood by both traditionalists and the humanists themselves Radest does not wish to disparage traditional beliefs but he emphasizes that humanism is a legitimate philosophical ideological and religious alternative a party to the current struggle for a postmodern life philosophy The Devil and Secular Humanism examines humanism in a more comprehensive way than most current literature and it includes an assessment of the prospects for humanism in the years ahead It will be of great use to a literate but nontechnical audience who are engaged in philosophy religion law and politics

Humanism: In Command or in Crisis? Michael A. Schuler,2023-08-31 According to bestselling historian Yuval Noah Harari today s average American has their foot in three ideological camps nationalism free market capitalism and humanism The first two might seem obvious but the third It s entirely possible that most who qualify for that label would be hard pressed to explain its meaning much less use it self descriptively This book is designed to serve two important purposes First to provide an accessible resource for anyone curious about the humanist tradition and the arguments advanced by leading contemporary proponents Second to address what the author believes is a critical question for our time the era of the Anthropocene Is humanism s seemingly benign package of values at least partially responsible for some of the world s most pressing problems To answer the last question Schuler draws from an eclectic collection of commentators including life scientists spiritual writers public intellectuals technologists novelists and even poets In the end this wide ranging survey will help the reader determine whether humanism makes sense for them

Dictionary Of Atheism Skepticism & Humanism Bill Cooke,2009-12-30 In the tradition of Voltaire s Philosophical Dictionary Ambrose Bierce s Devil s Dictionary and Joseph McCabe s Rationalist Encyclopedia this accessible dictionary addresses the contemporary need for a reference book that succinctly summarizes the key concepts current terminology and major contributions of influential thinkers broadly associated with atheism skepticism and humanism In the preface author Bill Cooke notes that his work is intended for freethinkers in the broadest sense of the word people who like to think for themselves and not according to the preplanned routes set by others This dictionary will serve as a guide for all those people striving to lead fulfilling morally responsible lives without religious belief Readers are offered a wide range of concepts from ancient well known notions such as God free will and evil to new concepts such as eupraxsophy Also included are current buzzwords that have some bearing on the freethought worldview such as metrosexual The names of many people whose lives or work reflect freethought principles form a major portion of the entries Finally a humanist calendar is included on which events of interest to freethinkers are noted This unique accessible and highly informative work will be a welcome addition to the libraries of open minded people of all philosophic persuasions

*The Neohumanist Vision: Embracing Oneness* Dr. Mani N. Bacchu,2024-01-10 The Author aims at finding out a solution for the existing global problems that lead to disharmony and chaos On the one hand man has reached the moon and on the other people are dying of poverty and hunger social and political crime natural and man initiated calamities This book with a heart full of hope highlights the spiritual revival that will

establish harmony and peace in our twenty first century The solution lies in investigating the parameters which are discussed in this book with special reference to the path from humanism to Neohumanism to create global citizenship in order to pave way for World Peace The fundamental aim of the author is the transformation of the culture of violence and war to a culture of harmonious and peaceful coexistence Only by establishing harmony among all the people of the world irrespective of race religion caste rich or poor it would be possible to develop the whole world and ensure necessary welfare services to its people Once harmony and peace can be established the world would automatically move to development And as a result the flag of peace will fly day and night in every corner of the World

**Humanism** Nicolas Walter,2010-10-05 What is a humanist After an introduction to the earliest ideas of and terms for humanism in the ancient world noted humanist Nicolas Walter explores the history of humanism and its evolving definitions from the time of the original appearance and first meanings of humanist in the Italian Renaissance concluding with a manifesto of modern humanism Drawing on personal experience and information from more than 400 sources this is the first full length treatment of the subject

**The New Answers Book Volume 3** Ken Ham,2010-02-01 The world around us provides irrefutable evidence of our Creator but when challenged can you defend your faith Do you have answers to your own questions or those of your family about faith evolution creation and a biblical worldview Get the important information you need in this compelling third book from the popular Answers series and learn more about Global warming Cloning and stem cells The existence of God Bacteria and viruses Questions for evolutionists Human and chimp DNA The universe young or old Kinds in Genesis What Noah s Ark looked like and much more Learn how to be more effective in defense of scriptural authority and the truth of Genesis as literal history Join Ken Ham and leading creation scientists like Dr Jason Lisle Dr Andrew Snelling Dr Georgia Purdom Dr David Menton Dr Terry Mortenson Dr John Morris Dr Steve Austin Dr David DeWitt Dr Danny Faulkner Dr Joe Francis and others as they provide simple and empowering answers to these and other popular questions of faith in our culture today Other exciting books available in this best selling series The New Answers Book 1 and The New Answers Book 2 with over 50 additional questions and answers

**What is Humanism and Why Does it Matter?** Anthony B. Pinn,2016-06-16 We live in a world of social political economic and religious rupture Ideologies polarise to fuel confrontation within communities nations and regions of the world At this point in the twenty first century humanism s focus on reason ethics and justice offers the potential to rethink and re engage in new ways What Is Humanism and Why Does It Matter brings together leading humanist thinkers and activists to examine humanism and how it can work in the world Humanism is often misunderstood The movement includes both atheists and agnostics who seek to make ethical sense of the world based on shared human values and a concern for human welfare happiness and fulfillment What Is Humanism and Why Does It Matter presents an overview and exploration of the meaning and nature of humanism both as a philosophy and as a way of engaging with the challenges of the world

**In Defense of Secular Humanism** Paul Kurtz,2010-09-09 A spirited defense of secular humanism against

fundamentalist critics      **Articles of Faith, Articles of Peace** James Davison Hunter, Os Guinness, 2010-12-01 Freedom of Religion protected in America for two hundred years by the Bill of Rights has become more a source of divisiveness than the binding force it used to be in American life Abortion school prayer creation science and secular humanism are a few examples of the conflict between religious liberty and public justice that arise today Articles of Faith Articles of Peace examines the contemporary challenges to religious liberty and explores ways in which the public philosophy can be reinvigorated Steering between the extremes of a sacred public square in which any one faith is established or preferred and a naked public square from which all faiths have been removed the authors argue for and exemplify a civil public square And they try to answer the vital question how do we in an age of expanding worldwide pluralism live with our deepest religiously intense differences Peter L Berger Harold J Berman Os Guinness James Davidson Hunter William Lee Miller Michael J Sandel and Charles Taylor are the distinguished contributors to this book who speak from different academic disciplines and diverse personal perspectives Their concerns converge in this dynamic and thought provoking discussion important to every American The authors acknowledge that American pluralism has grown beyond the traditional Protestant Catholic Jew into a genuine multifaith pluralism and that religious liberty entails the freedom to dissent as well as to believe Articles of Faith Articles of Peace is a proposal and discussion that carries great promise for the pressing problems of religion in American public life The vision of a civil public square and a common goal for common good offers a way for American diversity to remain a source of strength and richness Only with such commitments will democratic debate remain robust and religious liberty remain a component of a vital democracy      **Religious Liberty, Vol. 1** Douglas Laycock, 2010-02-22 The Collected Works on Religious Liberty comprehensively collects the scholarship advocacy and explanatory writings of leading scholar and lawyer Douglas Laycock illuminating every major religious liberty issue from both theoretical and practical perspectives This first volume gives the big picture of religious liberty in the United States It fits a vast range of disparate disputes into a coherent pattern from public school prayers to private school vouchers to regulation of churches and believers Laycock clearly and carefully explains what the law is and argues for what the law should be He also reviews the history of Western religious liberty from the American founding to Protestant Catholic conflict in the nineteenth century using this history to cast light on the meaning of our constitutional guarantees Collected Works on Religious Liberty is unique in the depth and range of its coverage Laycock helpfully includes both scholarly articles and key legal documents and unlike many legal scholars explains them clearly and succinctly All the while he maintains a centrist perspective presenting all sides believers and nonbelievers alike fairly      **Reasons for Our Hope** H. Wayne House, Dennis W. Jowers, 2011-10 A sophisticated yet accessible introductory guide to an articulate and well informed defense of the Christian faith      **Civilization in the 21st Century** ,
