SECURING PEACE IN EUROPE, 1945-62

THOUGHTS FOR THE POST-COLD WAR ERA

EDITED BY BEATRICE HEUSER AND ROBERT O'NEILL

Securing Peace Europe 1945 62

Jeremy Noakes,Peter Wende,Jonathan Wright

Securing Peace Europe 1945 62:

Securing Peace in Europe, 1945-62 Beatrice Heuser, Robert O'Neill, 2016-07-27 As European security structures are undergoing transformation in the 1990s it is crucial to examine their origins and rationale NATO secured peace and facilitated economic and political co operation while also becoming the vehicle of national rivalry This book examines why and how NATO came into existence and what its strengths and weaknesses were during its formative years It draws conclusions from these experiences relevant to the reforms of Western security structures in the 1990s Europe, 1945-62 Beatrice Heuser, 1992 A detailed study of the diplomacy involved in the establishment and operations of the North Atlantic Treaty Organization Drawing on archival material from six countries discusses the western view of the Soviet threat divided Germany and Berlin the incorporation of Franco s Spain relations with Britain and Germany in Europe, 1949-1990 Jeremy Noakes, Peter Wende, Jonathan Wright, 2002 Anglo German relations since 1945 have been generally cordial but subject to bouts of acute tension This volume by leading historians from both countries examines major political issues and broader contacts between the two societies It suggests that British perceptions have remained coloured by fears of German dominance aggravated by the success of the Federal Republic and the relative decline of Britain in the post war No Exit James McAllister, 2018-09-05 James McAllister outlines a new account of early Cold War history one that period focuses on the emergence of a bipolar structure of power the continuing importance of the German question and American efforts to create a united Western Europe Challenging the conventional wisdom among both international relations theorists and Cold War historians McAllister argues that America's central objective from the Second World War to the mid 1950s was to create a European order that could be peaceful and stable without requiring the permanent presence of American ground forces on the continent The permanent presence of American forces in Europe is often seen as a lesson that policymakers drew from the disastrous experiences of two world wars but McAllister's archival research reveals that both FDR and Eisenhower as well as influential strategists such as George Kennan did not draw this lesson In the short term American power was necessary to balance the Soviet Union and reassure Western Europe about the revival of German power but America's long term objective was to create the conditions under which Western Europe could take care of both of these problems on their own In the author's view the key element of this strategy was the creation of the European Defense Community If Western Germany could be successfully integrated and rearmed within the context of the EDC Western Europe would have taken the most important step to becoming a superpower on par with the United States and the Soviet Union Understanding why this strategy was pursued and why it failed McAllister asserts has important implications for both international relations theory and contemporary questions of American foreign policy The North Atlantic Treaty *Organization, 1948-1957* John C. Milloy, 2006-03-22 During NATO s formative years its leadership tried to develop an economic social and political role for the organization in an effort to transform it into a community of nations Using material

from Canadian American French and British archives John Milloy analyses these unsuccessful attempts to develop NATO s non military potential NATO and Western Perceptions of the Soviet Bloc Evanthis Hatzivassiliou, 2014-05-30 This book examines the NATO reports on the Soviet bloc s political and economic system from 1951 to the aftermath of the Soviet invasion of Czechoslovakia and the beginning of detente As part of the wider history of Cold War Alliances the detailed assessments of the NATO experts regarding the non military aspects of Soviet power are a crucial indicator of Western allied perceptions of the adversary Their study allows us to widen the discussion on the Western alliance the accuracy of its information or perceptions and the nature of the Cold War Hatzivassiliou argues that the Cold War was not only a strategic dilemma although it certainly was that as well but also the latest stage of the crisis of legitimization which had been raging since the dawn of modernity NATO Western analysis is examined in this context At the same time the book discusses the relative influence of the major NATO members US and British influence was strong while French West German and Italian influence was also significant in the drafting of the reports and thus in shaping the alliance's perceptions during the Cold War This book will be of much interest to students of NATO Cold War Studies international history foreign policy and IR in Hong Kong and the Cold War Chi-kwan Mark, 2004-08-05 After 1949 the British Empire in Hong Kong was more general vulnerable than the lack of Chinese demand for return and the success of Hong Kong s economic transformations might have suggested Its vulnerability stemmed as much from Britain's imperial decline and America's Cold War requirements as from a Chinese threat It culminated in the little known 1957 Question a year when the British position in Hong Kong appeared more uncertain than any time since 1949 This is the first scholarly study that places Hong Kong at the heart of the Anglo American relationship in the wider context of the Cold War in Asia Unlike existing works which tend to treat British and US policies in isolation this book explores their dynamic interactions how the two allies perceived responded to and attempted to influence each other's policies and actions It also provides a major reinterpretation of Hong Kong's involvement in the containment of China Dr Mark arguesthat concerned about possible Chinese retaliation the British insisted and the Americans accepted that Hong Kong s role should be as discreet and non confrontational in nature as possible Above all top decision makers in Washington evaluated Hong Kong s significance not in its own right but inthe context of the Anglo American relationship Hong Kong was seen primarily as a bargaining chip to obtain British support for US policy elsewhere in Asia By using a variety of British and US archival material as well as Chinese sources Dr Mark examines how the British and US government discussed debated and disagreed over Hong Kong s role in the Cold War and reveals the dynamics of the Anglo American alliance and the dilemmas of small allies in a global conflict **NATO -- the 1990s** ,1993 Revolutionary Movements in Latin America Cynthia McClintock, 1998 Why were El Salvador's FMLN and Peru's Shining Path able to mount such serious revolutionary challenges in the 1980s and early 1990s And why were they able to do so despite the fact that their countries elected governments were widely considered democratic These two querrilla groups were very different but both came close

to success To explain why the author examines the complex interplay among political and economic factors the nature of the revolutionary organization and international actors McClintock emphasizes that the end of the Cold War does not mean the end of revolutionary groups and that the United States can play an important role in determining the outcome of future confrontations The book concludes with practical policy options for the U S government as it looks to foster peace and democracy in the western hemisphere The Southern Flank of NATO, 1951-1959 Dionysios Chourchoulis, 2014-12-18 In 1951 52 the North Atlantic Treaty Organization established the Southern Flank a strategy for the defense of the eastern Mediterranean in the Cold War involving Italy Greece and Turkey Among its many aims the Southern Flank sought to mobilize these countries as allies and integrate them into the Western defense system Throughout the 1950s the alliance developed the Southern Flank and in 1959 it was finally stabilized as fractious Greek Turkish relations were improved by the temporary settlement over Cyprus The Southern Flank of NATO 1951 1959 Military Strategy or Political Stabilization examines among other things the initial negotiations of 1951 52 the Southern Flank's structure and function and relative value in NATO's overall policy and the alliance's response to the challenges in the eastern Mediterranean in the early Cold War It explores not only the military aspects of the Southern Flank but also the more controversial political aspects the admission of Greece and Turkey to NATO the short lived military cooperation between these states and Yugoslavia during 1953 55 and the effects of the deterioration in Greek Turkish relations from 1955 due to Cyprus It also focuses on the part played by other major members of the alliance principally the United States and Britain in Southern Flank politics and strategy Thus it considers how the United States and the U K viewed the power balance between the three Southern Flank members and how the Americans sought to influence affairs through financial military and technical assistance including the construction of U S bases in Italy Greece and Turkey The book also assesses the threat posed to the Southern Flank at various points by rising tensions in the Middle East More generally the book illuminates the complexities of intra alliance dynamics in a region full of Cold War tensions However in its Middle Eastern Eastern Mediterranean neighborhood it was not only the Cold War that provided tensions since the Arab Israeli dispute and the tensions of decolonization further complicated the picture Thus the study of the Southern Flank is a test case of a Cold War theater which was subjected to additional historical pressures creating a nexus of problems which the Western Alliance needed to address within its effort to respond to the various challenges of the Cold War **Turkey - Anglo-American Security Interests, 1945-1952** Ekavi Athanassopoulou, 2013-02-01 This book aims to enhance our understanding of how American presence came to become consolidated through NATO in the eastern Mediterranean in the early cold war period by examining how American and British security considerations toward the region evolved between 1947 and 1952 and the impact Turkey's pressure had on American and British security thinking Precarious Balance Ming K. Chan, John D. Young, 2015-06-11 This work closely considers the history and political importance of Hong Kong in the period 1842 to 1992 A Companion to Dwight D.

Eisenhower Chester J. Pach, 2017-04-07 A Companion to Dwight D Eisenhower brings new depth to the historiography of this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower's many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural Harold Wilson and European Integration Oliver J. Daddow, 2016-01-20 Harold Wilson's direction of the second British application to join the EEC us ripe for reinterpretation With new and exciting material now available in the Public Record Office and abroad this is an extremely propitious moment to reconsider Wilson's motivations and to contextualise them in light of evidence on foreign policy making contained in the official record NATO (Not for Individual Sale) G. Schmidt, 2019-06-12 NATO The First 50 Years offers the first comprehensive study of the institution's activities and development over the past five decades Written by a team of international scholars it analyses the factors which have made NATO the most successful politico military alliance in history It also addresses the perennial problems of transatlantic relationships the problems that the Alliance grapples with today A wide ranging and masterful survey NATO The First 50 Years will be a useful reference work for researchers as well as an accessible guide for students **How NATO Adapts** Seth A. Johnston, 2017-02 Despite momentous change NATO remains a crucial safeguard of security and peace Today s North Atlantic Treaty Organization with nearly thirty members and a global reach differs strikingly from the alliance of twelve created in 1949 to keep the Americans in the Russians out and the Germans down These differences are not simply the result of the Cold War s end 9 11 or recent twenty first century developments but represent a more general pattern of adaptability first seen in the incorporation of Germany as a full member of the alliance in the early 1950s Unlike other enduring post World War II institutions that continue to reflect the international politics of their founding era NATO stands out for the boldness and frequency of its transformations over the past seventy years In this compelling book Seth A Johnston presents readers with a detailed examination of how NATO adapts Nearly every aspect of NATO including its missions functional scope size and membership is profoundly different than at the organization s founding Using a theoretical framework of critical junctures to explain changes in NATO's organization and strategy throughout its history Johnston argues that the alliance s own bureaucratic actors played important and often overlooked roles in these adaptations Touching on renewed confrontation between Russia and the West which has reignited the debate about NATO s relevance as well as a quarter century of post Cold War rapprochement and more than a decade of expeditionary effort in Afghanistan How NATO Adapts

explores how crises from Ukraine to Syria have again made NATO s capacity for adaptation a defining aspect of European and international security Students scholars and policy practitioners will find this a useful resource for understanding NATO transatlantic relations and security in Europe and North America as well as theories about change in international **Spies** Sean N. Kalic, 2019-03-07 Provides a comprehensive understanding of the evolution of the espionage game in the post World War II era For more than four decades after World War II the guest for intelligence drove the Soviet Union and the United States to develop a high stakes game of spying on one another throughout the Cold War Each nation needed to be aware of and prepared to counter the capabilities of their primary nemesis Therefore as the Cold War period developed and technology advanced the mutual goal to maintain up to date intelligence mandated that the process by which the game was played encompass an ever wider range of intelligence gathering means Covering far more than the United States and Soviet Union s use of human spies this book examines the advanced technological means by which the two nations intelligence agencies worked to ensure that they had an accurate understanding of the enemy The easily accessible narrative covers the Cold War period from 1945 to 1989 as well as the post Cold War era enabling readers to gain an understanding of how the spies and elaborate espionage operations fit within the greater context of the national security concerns of the United States and the Soviet Union Well known Cold War historian Sean N Kalic explains the ideological tenets that fueled the distrust and the need to know between the two adversarial countries supplies a complete history of the technological means used to collect intelligence throughout the Cold War and into the more recent post Cold War years and documents how a mutual desire to have the upper hand resulted in both sides employing diverse and creative espionage methods

War Plans and Alliances in the Cold War Vojtech Mastny, Sven S. Holtsmark, Andreas Wenger, 2013-04-15 This essential new volume reviews the threat perceptions military doctrines and war plans of both the NATO alliance and the Warsaw Pact during the Cold War as well as the position of the neutrals from the post Cold War perspective Based on previously unknown archival evidence from both East and West the twelve essays in the book focus on the potential European battlefield rather than the strategic competition between the superpowers They present conclusions about the nature of the Soviet threat that could previously only be speculated about and analyze the interaction between military matters and politics in the alliance management on both sides with implications for the present crisis of the Western alliance This new book will be of much interest for students of the Cold War strategic history and international relations history as well as all military colleges

Defence and Decolonisation in Southeast Asia Karl Hack, 2001 This text explains British defence policy by examining the overlapping of colonial military economic and Cold War factors in Southeast Asia

Defence and Decolonisation in South-East Asia Karl Hack,2013-12-16 This book explains why British defence policy and practice emerged as it did in the period 1941 67 by looking at the overlapping of colonial military economic and Cold War factors in the area Its main focus is on the 1950s and the decolonisation era but it argues that the plans and conditions

of this period can only be understood by tracing them back to their origins in the fall of Singapore Also it shows how decolonisation was shaped not just by British aims but by the way communism communalism and nationalism facilitated and frustrated these

Decoding **Securing Peace Europe 1945 62**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Securing Peace Europe 1945 62 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Securing Peace Europe 1945 62 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Securing Peace Europe 1945 62 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that

offer free PDF downloads on a specific topic. While downloading Securing Peace Europe 1945 62 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Securing Peace Europe 1945 62. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Securing Peace Europe 1945 62 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Securing Peace Europe 1945 62 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Securing Peace Europe 1945 62 is one of the best book in our library for free trial. We provide copy of Securing Peace Europe 1945 62 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Securing Peace Europe 1945 62. Where to download Securing Peace Europe 1945 62 online for free? Are you looking for Securing Peace Europe 1945 62 PDF? This is definitely going to save you time and cash in something you should think about.
