**Avi Kober**

## **Security Threatened Surveying Israeli Opinion On Peace And War:**

**Security Threatened** Alan Arian,1995-11-24 Security Threatened is the first major analysis of the interactions among opinion politics and policy in Israel since the Six Days war of 1967

**Security Threatened** Asher Arian,1995-10-27 Public opinion has played a crucial role in the transitions from war to peace in Israel since the 1967 Six Day War Security Threatened is the first major analysis of the interactions among opinion politics and policy in that period based on opinion surveys of thousands of adult Jews conducted between 1962 and 1994 The public divided during those years into militant hardliners and more conciliatory security positions and power either shifted between or was shared by the Likud and Labor parties

**Israel: the First Hundred Years** Efraim Karsh,2013-11-26 The end of the British mandate in Palestine heralded the birth of the new state of Israel It also marked the end of one of the most tumultuous and momentous chapters in Israeli history But the new state born into a hostile environment and struggling with the manifold demands of sovereignty would have to face many post Independence challenges to its existence not least in the form of armed conflict and confrontation with its Arab neighbours This volume examines the conflicts that from the 1948 until the 1967 Six Day War came to define the Israeli struggle for existence

**National Security, Public Opinion And Regime Asymmetry: A Six-country Study** Tun-jen Cheng,Wei-chin Lee,2017-05-19 New conventional wisdom posits that the public in democracies is inattentive but not really ignorant nor easily swayed and indeed quite consistent and thoughtful when it comes to national security and foreign policy issues This volume builds on such a claim to study the attributes and impacts of public opinion on foreign and national security policy in six democracies Taiwan South Korea Israel Ukraine Finland and West Germany These countries face acute and sustained national security challenges posed by stronger authoritarian regimes close by namely China North Korea the Arab nations Russia and the Soviet Union Given potential existential threats to their democracies the public is typically tuned in and in sorting out their policy stands is mindful that the fundamental values of identity sovereignty and prosperity may be jeopardized Public opinion can indeed constrain statecraft here in these democracies ensnared in asymmetric dyads Many have studied public opinion and national security in democracies but few have studied national security strategy of weak powers confronting great powers This volume is the first attempt to examine this topic The approach here is a comparative rather than country specific study combining qualitative and quantitative research methods to enrich our understanding of the complexity and intrigues of the interplay between public opinion and national security under the condition of regime asymmetry The wealth of data and careful examination of various issues from different theoretical approaches makes this volume an essential guide for courses and research in comparative foreign policy international relations and democratic processes

Courting Conflict Lisa Hajjar,2005-01-31 How Israeli military courts function in the occupied territories

Terrorism and Political Violence Caroline Kennedy-Pipe,Gordon Clubb,Simon Mabon,2015-02-10 This book introduces you to the key issues in contemporary studies on Terrorism Its interdisciplinary approach provides a unique intellectual

rigour which introduces readers to cutting edge research Bringing together chapters contributed by members of the Terrorism and Political Violence Association network it offers an insight into a variety of traditional and critical perspectives It also equips Undergraduate and Postgraduate students with the study skills needed to succeed in coursework and assignments especially dissertation work Drawing on the expertise of TAPVA members this book Explores contemporary issues such as drone warfare state violence children and political violence cyber terrorism and de radicalisation Features case studies drawn from a range of international examples lists of further reading key concepts and questions for use in seminars and private study Provides you with study skills content designed to help you complete your dissertation This is the perfect textbook to guide you through your studies in terrorism political violence international security and strategic studies

Israel / Palestine Alan Dowty, 2017-08-31 What explains the peculiar intensity and evident intractability of the Israeli Palestinian conflict Of all the hot spots in the world today the apparently endless clash between Jews and Arabs in the Middle East seems unique in its longevity and resistance to resolution Is this conflict really different from other ethnic and nationalist confrontations and if so in what way In this fully revised and expanded fourth edition of his highly respected introductory text Alan Dowty demystifies the conflict by putting it in broad historical perspective identifying its roots and tracing its evolution up to the current impasse His account offers a clear analytic framework for understanding transformations over time and in doing so punctures the myths of an age old conflict with an unbridgeable gap between the two sides Rather than simply reciting historical detail this book presents a clear overview that serves as a road map through the thicket of conflicting claims Updated to include recent developments such as the clashes in the Gaza Strip and the latest diplomatic initiatives the new edition presents in full the opposed perspectives of the two sides leaving readers to make their own evaluations of the issues The book thus expresses fairly and objectively the concerns hopes fears and passions of both sides making it clear why this conflict is waged with such vehemence and how for all that the gap between the two sides has narrowed over time

**The Elections in Israel 1996** Asher Arian, Michal Shamir, 2012-02-01 Leading social scientists from Israeli and American universities using different methods and representing diverse intellectual traditions address the precedent setting events of Israel's 1996 elections The contributors discuss the meaning of collective identity the role of religion and nationalism in modern Israel the political behavior of Israeli Arabs the secrets of success of the immigrant party Also discussed are issues such as the impact of the direct election law on party organization primaries and coalition formation calculations the repeated electoral failure of Shimon Peres and the role of the media in the election campaign The 1996 elections in Israel represented a first in Israeli politics in many ways For the first time Israelis directly elected their prime minister and in simultaneous but separate elections they elected their 120 member Knesset parliament Also it was the first time that elections were held after the mutual recognition of Israel and the Palestine Liberation Organization following the Oslo accords and it was the first election held after the assassination of Prime Minister Yitzhak Rubin The political parties

made widespread use of primaries in 1996 and hundreds of thousands of new immigrants from the former Soviet Union cast their first ballots. The large support for a party supported by former Soviet immigrants highlighted the emergence of sectarian interests. This was also expressed in the surge for the two Arab parties from five seats in 1992 to nine seats in 1996 and for the three Jewish religious parties whose combined representation grew from 16 to 23 seats.

*Israel's Wars of Attrition* Avi Kober, 2009-09-11. This book analyzes the way Israel has coped with nine wars of attrition from the 1950s to the recent Second Lebanon War 2006, questioning the belief that Western democracy cannot sustain prolonged wars of attrition. Challenging Israel with attrition has been compatible with the Arab way of war which emphasizes staying power and with the belief that democracies cannot tolerate wars of attrition either economically or psychologically. Israel for its part developed a self image of incapacity to sustain prolonged wars, committing itself to a traditional offensive approach to blitzkrieg whenever possible. The book offers an account of nine wars of attrition that Israel was involved in over almost 60 years from Palestinian infiltration and fedayeen activities against Israel in the early 1950s through to the Second Lebanon War in 2006. The author uses these cases to challenge the myth that Israel cannot afford to become involved in a draining war of attrition. Focusing on central aspects typical of Western democracies engaged in wars of attrition: operational effectiveness, the societal staying power, the economic burden of the war, moral dilemmas and conflict management problems, the book challenges the myth that Israel cannot afford to become involved in a draining war of attrition while at the same time highlighting the fact that in its wars of attrition Israel has not always succeeded in avoiding undesired escalation. This book will be of much interest to students of strategic studies, Israeli history, Middle Eastern politics and security studies in general. Avi Kober is a member of the Department of Political Studies at Bar Ilan University, Israel, and is a Senior Research associate with the BESA Center for Strategic Studies.

Security and Defensive Democracy in Israel Sharon Weinblum, 2015-01-30. This book scrutinises how political actors in the Israeli parliament, the Knesset, have articulated the security-democracy nexus in their discourses. Security crises expose political leaders to an uncomfortable dilemma: guaranteeing the safety of citizens while at the same time preserving democratic principles, basic rights and liberties. In this respect, Israel represents an archetypical case. Defining itself as a democracy, the state of Israel has been in quasi-constant conflict with its neighbouring countries while facing terror attacks repeatedly. This situation has resulted in the upholding of the state of emergency since the establishment of the state in 1948 and in the enactment of security measures that are often in conflict with democratic values. The tension between security and democracy is not a new question; it has been at the centre of political thought from Rousseau and Locke to Lasswell and Dahl and stood at the core of political debates after 9/11 and the 2005 terror attacks in London. Many studies have questioned how political actors manage this tension or how they could properly balance security and democracy. Yet in spite of the abundant literature on the issue, the manner in which political actors conceptualise and frame this tension has been rarely explored. Even less has been said on the effects of this conceptualisation on the democratic

regime Drawing on discourse theory and on an innovative narrative analysis the book examines 40 debates held in the Knesset on security oriented laws enacted in two different contexts the period of relative calm preceding the first Palestinian intifada 1987 and the period following the eruption of the second intifada 2000 More specifically three types of laws and discussions are examined laws establishing a relation between freedom of expression and security laws linking the category of the enemy to democracy and finally those connecting the right to family unification and residence of Palestinians with terrorism Through a comparative analysis of the political actors discourses in 1985 and between 2000 and 2011 the study demonstrates that two main narratives have constantly competed on the one hand a marginal narrative anchored in basic rights and on the other a defensive democracy narrative which has become dominant The latter has legitimised the restriction of freedom of expression freedom to participate in elections freedom of movement or the right to citizenship The book shows how the increasing dominance of the defensive democracy narrative has had a fundamental impact in reshaping the polity and the identity of Israel s democratic regime The analysis ultimately opens the possibility to rethink the conventional approach of the security democracy dilemma and to reflect on processes in other states such as the United Kingdom or the United States during different security crises This book will be of much interest to students of critical security studies Israeli politics democracy studies political theory and IR in general      **Communities and Law** Gad

Barzilai,2010-02-05 Offers an alternative approach to liberalism and to communitarianism with an empirical focus on Israel

*Civilian Jihad* M. Stephan,2009-12-07 This book examines the role of nonviolent civil resistance in challenging tyranny and promoting democratic self rule in the greater Middle East using case studies and analyses of how religion youth women technology and external actors have influenced the outcome of civil resistance in the region      **The Invention and Decline**

**of Israeliness** Baruch Kimmerling,2005-12-13 This work reexamines Israel in terms of its origins as a haven for a persecuted people and its evolution into a multi cultural society The author suggests that the Israeli State has divided into seven major cultures      **Trial and Error** Yagil Levy,2012-02-01 Trial and Error offers a unique exploration of the link between Israel s

military policies and its ethno class relations of power that has theoretical implications elsewhere The book denounces the commonly accepted view that Israel s military policies were crafted merely as a direct and inevitable response to neighboring Arab states hostility Instead Yagil Levy shows that Israel s security interests were also determined by the social interests of a rising middle class comprised of Jews of European descent Because of the protracted state of war this class achieved dominant status over other groups As a result a strong link was created between increasing inegalitarianism in Israeli society and missed opportunities to adopt more moderate foreign policies at crucial crossroads up to the 1980s Paradoxically however as war benefits elevated the consumerist lifestyle of the middle class the burden of war became less appealing to it Levy argues that this and other social constraints along with limitations imposed by the international system played a focal role in channeling Israel s policies toward the 1990s peace process      Routledge Companion to the Israeli-Palestinian

Conflict Asaf Siniver, 2022-10-27 This Companion explores the Israeli Palestinian conflict from its inception to the present day demonstrating the depth and breadth of the many facets of the conflict from the historical political and diplomatic to the social economic and pedagogical aspects The contributions also engage with notions of objectivity and bias and the difficulties this causes when studying the conflict in order to reflect the diversity of views and often contentious discussion surrounding this conflict The volume is organized around six parts reflecting the core aspects of the conflict historical and scholarly context of the competing narratives contemporary evolution of the conflict and its key diplomatic junctures key issues of the conflict its local dimensions international environment of the conflict the other images of the conflict as reflected in public opinion popular culture the boycott divestment and sanctions BDS movement and academia and pedagogy Providing a comprehensive approach to the Israeli Palestinian conflict this companion is designed for academics researchers and students interested in the key issues and contemporary themes of the conflict The Political Psychology of Israeli

Prime Ministers Yael S. Aronoff, 2014-05-29 This book examines leaders of the seemingly intractable conflict between Israel and its Palestinian neighbors It takes as an intellectual target of opportunity six Israeli prime ministers asking why some of them have persisted in some hard line positions but others have opted to become peacemakers This book argues that some leaders do change and above all it explains why and how such changes come about This book goes beyond arguing simply that leaders matter by analyzing how their particular belief systems and personalities can ultimately make a difference to their country's foreign policy especially toward a long standing enemy Although no hard liner can stand completely still in the face of important changes only those with ideologies that have specific components that act as obstacles to change and who have an orientation toward the past may need to be replaced for dramatic policy changes to take place **Public**

**Opinion** William A. Blade, 2002 Twenty four news networks a plethora of newspapers and magazines vibrant news talk radio and the ubiquitous Internet highlight our society as information driven With such a steady stream of hard facts mixed with publicised opinions the mainstream population has an opinion on everything Most anyone seems itching to argue their side of an issue making once private beliefs fodder for general consumption A staple of any medium's content is a regular public opinion poll on whatever hot topic strikes the editor's fancy From the significant to the mundane public opinion permeates society Accordingly politicians have taken note of these opinions and adopted stands and values that put them in tune with public sentiment An understanding of the nature of public opinion therefore is paramount in today's world This book assembles and presents a carefully chosen bibliography on public opinion in its many forms The collection of references makes for a valuable resource in studying and researching the critical issue of public opinion Easy access to these pieces of literature are then provided with author title and subject indexes **From Rabin to Netanyahu**

Efraim Karsh, 2013-11-05 Benjamin Netanyahu's 1996 election victory marked a major turnaround in his fortunes for only a few months earlier his political career had seemed finished This book examines what his victory means both domestically and internationally

**The Convergence of Civilizations** Emanuel Adler, Federica Bicchi, Beverly Crawford, Raffaella A. Del Sarto, 2006-01-01

Represents the output of an innovative collaborative project focused on the Euro Mediterranean Partnership EMP This book sets out to show that regional security and stability may be achieved through a cultural approach based on the concept of regional identity construction

**Shared Beliefs in a Society** Daniel Bar-Tal, 2000-07-06 carefully argued this book will have special appeal to graduate students faculty social psychologists notably those yearning for Lewinian Approaches and group oriented sociologists

Choice What kind of shared beliefs in a society are of importance to social systems What functions do they fulfill How are they informed and disseminated What are the societal consequences of shared beliefs All of these questions are addressed in this book in which Daniel Bar Tal develops the notion of societal psychology which he states can contribute a social psychological perspective to the study of a wide range of social problems in a society He shows how societal psychology can fulfill the promise of early social psychologists by directing attention to the societal and cultural contexts in which individuals live and by examining the reciprocal influence between these contexts and individuals In this comprehensive volume four themes of societal belief patriotism security siege mentality and delegitimization are examined through well defined examples and systematic analysis Researchers students and practitioners in social psychology sociology political science and anthropology will be stimulated and engaged by this important contribution to the field

### Security Threatened Surveying Israeli Opinion On Peace And War Introduction

Security Threatened Surveying Israeli Opinion On Peace And War Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Security Threatened Surveying Israeli Opinion On Peace And War Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Security Threatened Surveying Israeli Opinion On Peace And War : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Security Threatened Surveying Israeli Opinion On Peace And War : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Security Threatened Surveying Israeli Opinion On Peace And War Offers a diverse range of free eBooks across various genres. Security Threatened Surveying Israeli Opinion On Peace And War Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Security Threatened Surveying Israeli Opinion On Peace And War Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Security Threatened Surveying Israeli Opinion On Peace And War, especially related to Security Threatened Surveying Israeli Opinion On Peace And War, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Security Threatened Surveying Israeli Opinion On Peace And War, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Security Threatened Surveying Israeli Opinion On Peace And War books or magazines might include. Look for these in online stores or libraries. Remember that while Security Threatened Surveying Israeli Opinion On Peace And War, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Security Threatened Surveying Israeli Opinion On Peace And War eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Security Threatened Surveying Israeli Opinion On Peace And War full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Security Threatened Surveying Israeli Opinion On Peace And War eBooks, including some popular titles.

## **FAQs About Security Threatened Surveying Israeli Opinion On Peace And War Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Security Threatened Surveying Israeli Opinion On Peace And War is one of the best book in our library for free trial. We provide copy of Security Threatened Surveying Israeli Opinion On Peace And War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Security Threatened Surveying Israeli Opinion On Peace And War. Where to download Security Threatened Surveying Israeli Opinion On Peace And War online for free? Are you looking for Security Threatened Surveying Israeli Opinion On Peace And War PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Security Threatened Surveying Israeli Opinion On Peace And War. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Security Threatened Surveying Israeli Opinion On Peace And War are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Security Threatened Surveying Israeli Opinion On Peace And War. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Security Threatened Surveying Israeli Opinion On Peace And War To get started finding Security Threatened Surveying Israeli Opinion On Peace And War, you are right to find our

website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Security Threatened Surveying Israeli Opinion On Peace And War So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Security Threatened Surveying Israeli Opinion On Peace And War. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Security Threatened Surveying Israeli Opinion On Peace And War, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Security Threatened Surveying Israeli Opinion On Peace And War is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Security Threatened Surveying Israeli Opinion On Peace And War is universally compatible with any devices to read.
