Creators and Friends Robert Shapiro,1998-02-01 Humanscreators in training have a purpose and destiny so heartwarmingly profoundly glorious that it is almost unbelievable from our present dimensional perspective Humans are great lightbeings from beyond this creation gaining experience in dense physicality by slowing down the creative process in order to feel the results and consequences of their decisions and actions This truth about the great human genetic experiment of the Explorer Race and the mechanics of creation is being revealed for the first time by Zoosh and his friends as humanity begins to awaken to its true nature Zoosh and a great assortment of beings who have never spoken to the physical plane before from particles to All That Is speak vibrantly through superchannel Robert Shapiro Each personality has its own knowing perception and expertise as it shares its history its present focus and the awesome truth about humanity's mission The books read like adventure stories as we

follow the clues from this creation we live in out to the Council of Creators and beyond As we explore the greater reality beyond our planet our galaxy our dimension our creation we meet prototypes designers shapemakers creators creators of creators and friends of our Creator who explain their roles in this creation and their experiences before and beyond this creation As our awareness expands about the way creation works our awareness of who we are expands and we realize that a part of ourselves is in that vast creation and that we are much greater and more magnificent than even science fiction had led us to believe Join us in the adventure of discovery It s mind stretching *Hidden Wisdom* Richard Smoley, Jay Kinney, 2012-12-13 Contemporary seekers on the hunt for an overview of the Western mystery traditions often face a small selection of dense out of date tomes Alternatively *Hidden Wisdom* is a fresh coherent and accessible work that expounds many of the teachings of Western esotericism examining its key figures and movements **The Soul Remembers** Carlos Warter, 1992-06-01 A Parable on Spiritual Transformation What is the purpose of human life Who am I What is the reality of this world I find myself in Why do I find myself in the midst of certain troublesome circumstances Who among us has not pondered some of these questions at times On the outermost level this book is a teaching metaphor similar to those used in all sacred traditions But behind the parable is cosmic perspective on essence individuality and relationships There is a view of human purpose soul design and divine direction that leads to a new look at the origin of suffering healing and the evolutionary dimensional shift Through the voices of archetypes of consciousness the book subliminally explores paths to power love beauty strength and mysticism It moves through different dimensions of reality while simultaneously focusing on the mental emotional and physical aspects of life as instruments of expression that can be tuned to a higher purpose *The Soul Remembers* is the expression of a spiritual journey that has assisted thousands in their own processes of self remembrance encouraging them to live more deeply and become personally responsible for cocreating heaven on earth *Shining the Light I* Robert Shapiro, Tom Dongo, 1994-01-01 The most significant events in Earth s history are happening in secret Despite official denial and tactics of derision inquiring minds are demanding the truth This truth is stranger than all the fictions about ETs alien bases and the secret government This courageous book shines the light to expose truths that will change forever how we view our lives on this planet It asks the reader to join in the investigations ask the questions and think the unthinkable Explore the truth about the controllers of Earth and their alien allies Discover the updated news about what is happening on the third dimension and what it really means from the higher dimensions perspective The revelations are shocking and enlightening A crashed UFO leads to information on The secret government s time travel spacecraft Renegade ETs mining on the Moon The U S peace avatar president Ancient Pleiadian warships The prime directive now Underground alien bases and populations And many more startling facts The battle in the heavens has begun Become aware of the truth and don t get lost in the drama Be the light that you are and you will be forever free **ETs and the Explorer Race** Robert Shapiro, 1996-01-01 In *ETs and the Explorer Race* Robert Shapiro channels Joopah a Zeta Reticulan now in the ninth

dimension who continues the story of the great experiment the Explorer Race from the perspective of his race The Zeta would have been humanity's future selves had not humanity re-created the past and changed the future Fascinating information on The true nature of the Zetas Abduction and contacts Who the different Grays are The three Zeta human hybrid races How the hybrids will interact with Earth Our extraterrestrial chromosomes *Origins and the Next 50 Years* Robert Shapiro, 1997-01-01 The accounts given by extraterrestrials in this volume are about events that occurred in our solar system many millions of years ago In that ancient time the solar system consisted of four planets and four radiar systems that orbited the central sun The four planets of the solar system are known today as Venus Earth Mars and a now totally shattered world that was called Maldec The term radiar applies to the astronomical bodies we presently call Jupiter Saturn Uranus and Neptune The original satellites of these radiars are generally called moons by Earth astronomers but the extraterrestrials prefer to call them planetoids This book reflects the personal views of a number of different types of extraterrestrials regarding the state of the local solar system and the state of the Earth **Numerology** Lynn Buess, 1991 Since the publication of Numerology for the New Age Lynn has come into national and international prominence His combination of psychotherapeutic insight and esoteric knowledge have caused many to consider him the foremost world spokesman on the relationship between numbers and human behavior In this volume he turns his attention toward the age old issue of relationships With clear and direct style he identifies the archetypal patterns of each numerical combination By providing clues to conscious and unconscious issues Lynn gives the reader choices of behavior in relationships With choice comes the possibility of recognizing and releasing patterns of victimhood abuse and dysfunction allowing for growth joy fulfillment and compatible sharing between partners [Path of the Mystic](#) Ai Gvhdi Waya, 1997-05-01 Our best teachers are inside ourselves Ai Gvhdi Waya shares her own journey through Native American stories of her discovery and how you can access th emany teachers too Learn how to trust your own knowing and follow your heart Walk the path of the mystic and understand how you can do that on a daily basis Being a mystic gives us the opportunity to transform from chrysalis into butterfly This gift is available to all of us *Explorer Race and Beyond* Robert Shapiro, 1998-03-01 In our continuing exploration of how creation works we talk to Creator of Pure Feelings and Thoughts the Liquid Domain the Double Diamond Portal and the other 93 percent of the Explorer Race We revisit the Friends of the Creator to discuss their origin and how they see the beyond we finally reach the roots of the Explorer Race us and find we are from a different source than our Creator and have a different goal and we end up talking to All That Is [Principles and Applications of the Twelve Universal Laws](#), 1996-01-01 God designed twelve basic laws for us to follow This workbook offers definitions of the twelve laws along with exercises activities and meditations to give you a better understanding of these laws and how to apply them to your daily life This book is great for adults and teens looking for positive change in their lives **The Temple of High Witchcraft** Christopher Penczak, 2007 Penczak invites witches to continue their spiritual evolution by exploring the ceremonial arts

Learn how these two traditions intersect in history and modern magickal practice **Beyond Ascension** Joshua David Stone,1996-12-12 This book brings forth incredible new channeled material that completely demystifies the seven levels of initiation and how to attain them It contains revolutionary new information on how to anchor and open our thirty six chakras and how to build our light quotient at a rate of speed never dreamed possible The book includes a chapter on cosmic ascension and a unique cosmic map that outlines the process of planetary ascension The map also charts the course for full cosmic ascension through the seven cosmic planes and forty eight dimensions of reality back to the Godhead and undifferentiated Source **Shifting Frequencies** Jonathan Goldman,2010-01-01 Now for the first time Healing Sounds pioneer Jonathan Goldman tells us about Shifting Frequencies how to use sound and other modalities to change vibrational patterns for both personal and planetary healing and transformation Through his consciousness connection to Shamael Angel of Sound Goldman shares his extraordinary scientific and spiritual knowledge and insights providing information instructions and techniques on using sound light color visualization and sacred geometry to experience Shifting Frequencies Explore the use of sound in ways you never imagined for healing and transformation Discover harmonics as a key to opening to higher levels of consciousness Learn about the Angel Chakra and what sounds may be used to activate this new energy center Find out how to transmute imbalanced vibrations using your own sounds Experience the secrets of Crystal Singing Understand the importance of compassion in achieving ascension The material in this book is both timely and vital for health and spiritual evolution Topics include The Harmonics of Sound Vibratory Resonance Sacred Geometry Vocalization and Visualization God Name Chanting Interdimensional Activation Frequency and Intent The Language of Light Mantras Chakras Color Light Energy Fields Healing Quartz Crystals Merkabas Vowel Sounds **Channelling** Barbara Burns,1993-06-01 What is Channelling The Nature of Communication Understanding the Four Bodies The Heart Focus Healing Through Communication Past Life Regression A lucid step by step guide for experienced or aspiring channels Simple yet effective exercises opens the self to Source Barbara has worked with Vywamus since 1987 **Ascension Magick** Christopher Penczak,2007 This practical how to guide brings a new level of clarity and synthesis to the often misunderstood path of ascension the spiritual practice of integrating higher consciousness into everyday life This comprehensive reference work explores ascension theology and techniques from a magickal perspective providing a solid foundation for beginners and greater depth and context for those already on the ascension path Powerful meditations rituals and spells for personal and planetary healing are included along with more fascinating information **Particle Personalities** Robert Shapiro,1998-02-01 All around you in every moment you are surrounded by the most magical and mystical beings They are too small of course for you to see as single individuals But in groups you know them as the physical matter of your daily life They form all of your physical life as you know it Particles who might be considered either atoms or portions of atoms consciously view the vast spectrum of reality yet also have a sense of personal memory like your own linear memory These

particles remember where they have been and what they have done in their infinitely long lives Particles then have a unique and unusual perspective In reading this book understand that some of them will have similar points of view but others will have quite extraordinary and unexpected points of view Expect the unexpected

Sedona Beyond The Vortex Introduction

In today's digital age, the availability of Sedona Beyond The Vortex books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sedona Beyond The Vortex books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sedona Beyond The Vortex books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sedona Beyond The Vortex versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sedona Beyond The Vortex books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sedona Beyond The Vortex books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sedona Beyond The Vortex books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sedona Beyond The Vortex books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sedona Beyond The Vortex books and manuals for download and embark on your journey of knowledge?
