Mann,1990-07

Touching Sedona Robert Shapiro,2005-07 Twelve tablets containing twelve powerful secrets yet only two opened The lightbearers and way showers will pave the way dispelling darkness and allowing the opening of the ten remaining tablets to humanity thus beginning the age of total freedom Is There Hope of a New World Order Based on Love and Peace Ominous prophecies from ancient to modern times from every religion culture and philosophy around the world have outlined a final conflict with the force of evil occurring toward the end of the twentieth century Can anyone doubt that conflict has begun With the timely discovery of the millennium tablets the author takes us through an extraordinary journey into the unknown We are led through an incredible adventure bridging this world with the realm of the unseen where the answer to this mystery of the ages lay bare It could be said these are the most cataclysmic times in humanity's history and perhaps because of that also times of great human potential The secrets rev ***Sedona*** Nicholas Mann,2005-02-01 More than a coloring book this illustrative learning tool offers children and parents alike information about the many angels who lovingly watch over us and assist us with our earthly journey A meditation is included to assist you in meeting your guardian angel ***Embracing Eternity***,2008-04-01 EMBRACING ETERNITY weaves the profound linkage between all of life's challenges as well as physical death and extends this linkage to the life of the consciousness here and beyond It further explains the fundamental shifts in awareness involved in mastering all transitions Dr deAngelis explains that the keys are everywhere around and within us and that the ability to spot these keys is our birthright Perhaps the mystery to why this information is relatively unknown is that it is considered something very special to which only a few are entitled *Feeling Sedona's ET Energies* Robert Shapiro,2005-07-01 In ETs and the Explorer Race Robert Shapiro channels Joopah a Zeta Reticulan now in the ninth dimension who continues the story of the great experiment the Explorer Race from the perspective of his race The Zeta would have been humanity's future selves had not humanity re-created the past and changed the future Fascinating information on The true nature of the Zetas Abduction and contacts Who the different Grays are The three Zeta human hybrid races How the hybrids will interact with Earth Our extraterrestrial chromosomes *Gaia Speaks* Pepper Lewis,2007-05-01 Pepper Lewis is a natural intuitive a gifted full body channel and a recognized writer speaker and teacher of metaphysics who travels the world sharing Gaia's wisdom at conferences seminars and in personal sessions The unique and distinctive channeled messages brought forth by Pepper have become favorites of readers all over the world Most

popular are the featured articles authored by the sentience of our planet Mother Earth affectionately known as Gaia which also appear in the pages of the monthly Sedona Journal of Emergence and in these books Gaia has always been animated engaging and even humorous That being said she is also very direct and does not diminish her words to suit a guest She aims directly for our hearts and rarely misses Her energy is just as you might imagine the Earth to be youthful and ancient strong and elemental soft innocent and pristine refined but a little rough around the edges Gaia's voice is different than my own and her use of language is altogether her own Most people hear a dialect but cannot place it Everyone seems to experience her in unique and different ways which not surprisingly is her intention Pepper Lewis These days there are lots of channelers around but only one Pepper Lewis Her process with Gaia is unique and the profundity of her messages rings with truth and the wisdom of the ages Lee Carroll channel for Kryon The book you now hold is like a mystery that will unfold as you read it More than a collection of pages you will find that it is one part textbook and one part oracle You might even wonder if it is biographical or autobiographical in nature as the coincidental references to your own life will seem almost uncanny How can that be Gaia is a living learning teaching library of everything that is was or might be related to the Earth Because you are Gaian you are also a part of the great living library that is Gaia you are a library within Gaia one whose contents are a collection of ever unfolding experiences You are a lifetimes old master storyteller unraveling each tantalizing chapter That's why you cannot help but find yourself within these pages Your purposes are made of multidimensional similes and metaphors designed to stimulate encourage create and resolve As Gaia tells it you have at least seven purposes or reasons for being You instinctively consciously or unconsciously know one or more of these but others may remain hidden for many years or even throughout your entire lives Given this expanded view of what you are and why you are here you can begin to see how this book might be of use to you

Biorelativity describes the ability of human beings to telepathically communicate with the spirit of the Earth The goal of such communication is to influence the outcome of natural Earth events such as storms volcanoes and earthquakes This book is a collection of channeled lectures through Arcturian Native American and other mystical guides transmitted in sessions from 2009 through early 2011 that describe
