Then the unthinkable happens: The Sleeping Angel Killer himself approaches Kitt with a bizarre offer: he will help her catch his copycat. A daughter can be a dangerous weapon in the battle for the throne of England. Frances Grey harbored no dream of her children taking the throne. Cousin of the king, she knew the pitfalls of royalty and privilege. Better to marry them off, marry them well, perhaps to a clan like the Dudleys. Jane Dudley knew her husband was creeping closer to the throne, but someone had to take charge for the good of the country. She couldn't see the twisted path they all would follow. The never-before-told story of the women behind the crowning of Jane Grey: this novel is a captivating peek at ambition gone awry and the damage left in its wake. Praise for Susan Higginbotham's Novels: Susan Higginbotham transports her readers into a vividly portrayed past. Helen Hollick, author of *The Pendragon's Banner* trilogy. Journalist Avery Chauvin is devastated when she receives word of her father's suicide. How could her father, a dedicated physician, have taken his own life? That he set himself on fire is unfathomable. Returning to her hometown of Cypress Springs, Louisiana, Avery desperately searches for answers. Instead, she hears whispered rumors of strange happenings of neighbors who go missing in the night. She discovers a box of old newspaper articles in her father's house, all covering the horrific murder of a local woman. Why had her father kept them? Then the past and present collide. A woman is found brutally slain. An outsider passing through town vanishes. And Avery begins to wonder: could her father have been the victim of foul play? As each step closer to the truth exposes yet another layer of deceit, Avery must face the fact that in this peaceful Southern town, a terrible evil resides, protected until now by the power of silence. Disturbance Ivy Alvarez, 2013-10-14

*Disturbance* is a novel in verse by Ivy Alvarez that chronicles a multiple homicide, a tragic case of domestic violence where a family was gunned down by the husband and father. The book features poems in a kaleidoscope of voices from all the characters involved. We first meet the family itself and witness how the father's controlling attitude gradually escalates into violence. Then we get the aftermath: the authorities, police, and neighbours who all might have helped to prevent this tragedy. This is a very dark book, but a courageous one, ultimately about evil and its presence in our everyday lives. The fact that this family was relatively well-to-do, seemingly prosperous and well-connected, adds another layer of intrigue and mystery. There is some graphic violence, but the emphasis is on the characters and their motivations. This
