Patrick J. Brennan

*This popular presentation of the Catholic faith by a leading Catholic evangelist explores how to live spiritually in an ever more complex world.*

Hartford Connecticut but few residents are aware of the distinctive version of Puritanism that these founding ministers of Hartford's First Church carried into the Connecticut wilderness or indeed that the city takes its name from Stone's English birthplace. Shaped by interpretations of the writings of Saint Augustine largely developed during the ministers' years at Emmanuel College Cambridge, Hartford's church order diverged in significant ways from its counterpart in the churches of the Massachusetts Bay Colony. Hartford Puritanism argues for a new paradigm of New England Puritanism. Hartford's founding ministers Baird Tipson shows both fully embraced and even harshened Calvin's double predestination. Tipson explores the contributions of the lesser known William Perkins, Alexander Richardson, and John Rogers to Thomas Hooker's thought and practice: the art and content of his preaching as well as his determination to define and impose a distinctive notion of conversion on his hearers. The book draws heavily on Samuel Stone's *The Whole Body of Divinity*, a comprehensive exposition of his thought and the first systematic theology written in the American colonies. Virtually unknown today, *The Whole Body of Divinity* not only provides the indispensable intellectual context for the religious development of early Connecticut but also offers a more comprehensive description of the Puritanism of early New England than any other document.

*Taboo Village: A Perspective On Being Gay In Black America* Sampson McCormick, 2010. Being an open and self-affirming African American homosexual man or woman in many ways challenges the notion that you cannot live without overcoming certain struggles that exist in society, religion, family, and self. This book seeks to address those issues and affirm all readers.

*The Egg Is Still in There* Keisha Perrin, 2021-07-27. Life has been a challenge for Keisha to find the truth of God with false teachings and lack of true discipleship around her. The Holy Spirit divinely intervenes with choosing one of two roads: destruction or God. This choice brought many storms and trials that were authored by God Almighty to break her and her family down to remold them into His image. The cost was high but well worth it. Forgiveness for herself was necessary, and as the convicting came, God also healed through a comparison of the family according to God's word with baking. Knowledge and truth is powerful. The science of baking a cake with ingredients, eggs, and flour match God's purpose for the family. Satan deceives women into thinking their purpose and touch on the family isn't seen, but the egg is still in there, even though you can't always see it. We were all born with a purpose.
