Seeds of Faith Kaari Ward,2003      *Faith of a Mustard Seed* Paul Karanick,2012-06-01 Pursue a life led by faith rather than fear Once you read Faith of a Mustard Seed you will have a better understanding of how faith can change your outlook on every aspect of your life Too many people are making life changing decisions due to fear rather than faith Allow faith to guide your steps in life instead of fear Start with a little faith and watch how it strengthens within your life Paul Karanick and his wife Christina experienced what it means to have the faith of a mustard seed The term is used by Christ to explain the power that one can have if we just have a little faith Paul looks back on his life and ministry to reveal how God strengthens our faith and forms us into an effective part of the body of Christ Recalling the steps of how God led him his family and ministry Paul highlights how God equips the ones He calls by Calling all people to have faith Confirming that God is calling Walking through fear Building a stronger faith Infecting others with faith Paul uses his own life as an example of the faith process These illustrations will prepare believers for the typical steps involved in building a stronger faith relationship with Christ Paul openly admits that he was not qualified to take on the task that God had placed upon him but God would soon reveal to Paul that no one is truly qualified without the power of Christ God reshaped Paul and led him into a ministry that continuously depended upon faith A true visionary and gifted in faith he began to trust less in his own abilities and more upon Gods abilities Knowing that without faith it is impossible to please God Paul teaches of using faith to get as close to God as you can Pauls unshakable faith became contagious within his ministry as lifes worries and fears were lessened due to the faith that God provides      An Autobiography of Healings from God Through Faith - Triumph - Victory Elder Rev. **Disorganized Christianity** Keith H. McIntosh,2023-06-30 Some simple and exact beliefs organized religion has about an apple a whale three wise men at Jesus s birth why Noah was the best man God could have chosen to repopulate the earth after the global flood the treatment of women slaves Blacks and homosexuals along with many other false dogmas will be exposed in this book Disorganized Christianity will also address some lesser known events like angels having sex with Eve s daughters what the origin of the Antichrist s number 666 could be that Eve NEVER sinned in the Garden of Eden and the Biblical fact that Jesus CANNOT BE the Messiah I had a falling out with my local church pastor One week I was singing Amazing Grace and the next week I wasn t even allowed in HIS building I decided very quickly to reread the Bible with a different set of eyes and a different heart and determine for myself if organized religion was correct in its damnation of my soul Organized religion was not even close to being able to defend its damning position against me I taught them scriptures and in the process recaptured my soul I created a little study guide for others to fend off the relentless attacks on their souls by mean spirited and intolerant Christians The study guide grew into this book Disorganized Christianity We converted non Christians now see the real darkness of organized religion s dogma and we are no longer bound by its condemnation

The Door Dr. See,2025-01-22 Faith Beyond Belief Accepting Jesus Christ as your Lord and Savior is the most transformative decision in anyone s life His peace love and protection are eternal offering a

foundation that no worldly achievement can surpass Believing in the unseen requires walking by faith not by sight demanding focus discipline and an unwavering commitment to God s promises It calls for shutting out external distractions and refusing to compromise your belief no matter the challenges or circumstances Many lose their way not because God s promises are untrue but because they lack evidence in their lives This happens when they veer off the path of purpose influenced by voices and opinions of those who neither understand nor have walked the journey God has designed for them Question How can someone give you the blueprint to a billion dollars if they ve never achieved it themselves Answer They can t Such conversations are empty and unproductive wasted conversations Instead we should invest our time talking to God the author and finisher of our faith He alone knows the unique purpose He has for each of us Believing in what God says about your life is the only path to fulfilling your destiny Key Insight Evidence is the tangible manifestation of faith in action proof of what you ve trusted God for When you remain steadfast in your belief God will fulfill His promises showing you and others the reality of His Word in your life      *The Parables and Metaphors of Our Lord* G. Campbell Morgan, 2010-05-01 G Campbell Morgan Reprint Series Foreword If it is true that the measure of a person s greatness is their influence not only on his own time but on future generations G Campbell Morgan must be regarded as a great person His greatness is seen not only in the wide impact of his ministry on both sides of the Atlantic but in the fact that his books are still read and studied sixty five years after his death Named one of the ten greatest preachers of the twentieth century by the contributing board of Preaching magazine Morgan made the Bible a new and living book not only to the congregations who listened to him but the vast multitude of persons who read his books For sixty seven years Morgan preached and taught the Scriptures and served churches in England and the United States What is remarkable is that his commentaries and expositions of the Bible still speak to persons of a new millennium There have been many changes in the world since he faithfully preached and taught the Scriptures but the wide appeal of his books testify to the timelessness of his message Although he held pastorates in the Congregational and Presbyterian denominations he had an ecumenical appeal to persons of all denominations and traditions The mystic Thomas Kempis once wrote He to whom the eternal word speaks is delivered from many opinions In one of his sermons he referred to the words of Amos that there would be a famine for hearing the word of God Amos 8 11 The timeless work of G Campbell Morgan addresses that hunger as his books enable his readers to get beyond opinions to the living Word Wipf and Stock Publishers have rendered a great gift to the religious world in reprinting dozens of Morgan s books This growing collection makes his books more available so that readers have an option other than searching the internet for used and often expensive copies Among this collection is the classic *The Great Physician* and commentaries on the Gospel of Matthew and John Persons seeking a living faith and a meaningful encounter with God would profit from reading any of these Morgan books Near the end of his ministry in a sermon entitled *But One Thing* Morgan commented on how Portugal changed the words of a coin after Christopher Columbus discovered America No longer did the inscription say *Ne Plus Ultra* nothing
