Seeing Beyond The Circle:

Seeing Beyond the Circle Swami Vivekananda, Swami Brahmadityananda, 2005 There has always been an ongoing dispute between the realists and the idealists as to what is ultimate and fundamental The realists see matter as absolute whereas the idealists see mind as absolute Swami Vivekananda sees both mind and matter as aspects of a larger reality The human soul is not separate from other souls but is an expression of one singular spiritual Ocean out of which the whole of creation arises Our problem is that we are clinging to the waves rather than opening out and resting in the Ocean or Source Itself This is all explained in the ancient Sankhyan model of perception and evolution which Swami Vivekananda empowers with the philosophy of non dualism Among other things Vivekananda puts the traditional Sankhyan idea of the gunas into a familiar psychological context tamas being attraction rajas being aversion and sattva being balance Almost a century earlier Georg Wilhelm Friedrich Hegel the German philosopher framed this dynamic as thesis or status quo tamas antithesis or breaking free rajas and synthesis or ongoing levels of integration sattva In light of Swami Vivekananda's message the Vedic position gives this process a higher evolutionary direction that direction being an experience of a spiritual Reality that is omnipresent and ever free

[Bluestockings Now!](#) Deborah Heller, 2016-03-03 Bringing together top specialists in the field this edited volume challenges the theory that the eighteenth century British intellectual women known as the Bluestockings were an isolated phenomenon spanning the period from the 1750s through the 1790s On the contrary the contributors suggest the Bluestockings can be conceptualized as belonging to a chain of interconnected networks taking their origin at a threshold moment in print media and communications development and extending into the present The collection begins with a definition of the Bluestockings as a social role rather than a fixed group a movement rather than a static phenomenon an evolving dynamic reaching into our late modern era Essays include a rare transcript of a Bluestocking conversation new previously unknown Bluestockings brought to light for the first time and descriptions of Bluestocking activity in the realms of natural history arts and crafts theatre industry travel and international connections The concluding essay argues that the Blues reimagined and practiced women's work in ways that adapted to and altered the course of modernity decisively putting a female imprint on economic social and cultural modernization Demonstrating how the role of the Bluestocking has evolved through different historical configurations yet has structurally remained the same the collection traces the influence of the Blues on the Romantic Period through the nineteenth century and proposes the reinvention of Bluestocking practice in the present

Love Unveiled A. H. Almaas, 2020-03-23 A passionate and deep exploration of how love is essential to our spiritual growth and development from

beloved author and teacher A H Almaas Love is a universal energy and a primary force that powers our movement toward spiritual illumination All the ways we need love are simply reflections of our need for spiritual growth In *Love Unveiled* A H Almaas explores three dimensions of love appreciative love the true liking of somebody or something merging or connecting love a force that melts away separateness and passionate ecstatic love capable of consuming us from inside In their own way each reveals the beauty and exquisiteness of our spiritual heart which is the heart of the divine However the path of spiritual love is not without challenges Almaas explores the barriers that tend to block our experience of loving awakening and provides experiential exercises throughout the book to help readers along their path The exercises focus on the obstacles or misunderstandings that commonly arise for each quality or dimension of love Presented in the form of writing or monologuing prompts readers can work independently or in small groups to confront the emotional obstacles on their spiritual path Regardless of where you are on your path *Love Unveiled* will help you explore love in three essential dimensions and gain a deeper connection to yourself
