Francis,1997-01-05 In this fascinating and original book Leslie J Francis applies personality type theory to the way we study the bible Why when two people are asked what they find important in a biblical text are they likely to come up with different answers Why when a sermon speaks strongly to someone do others find it incomprehensible In recent years both inside and outside the Christian community the Myers Briggs Type Indicator MBTI has been extensively used as an aid to spiritual growth self knowledge and community building Type theory has become an invaluable resource in the spheres of education management and pastoral care Here Leslie J Frances suggests that in learning to understand our own preferred pattern of spirituality we do not only deepen our understanding of the gospels but also increase our sensitivity to the approaches of others Personality Type and Scripture brings together the texts from St Mark s gospel which are included in Year B of the Revised Common Lectionary and uses the insights of MBTI theory to explore the range of possible responses to them Accessible enough for use in personal Bible reading its disciplined and professional approach makes it an invaluable companion for Bible study leaders and preachers **Beginning at Moses** Michael P.
