all ask ourselves How do we remember who we used to be How do we imagine who we ll become Have we lived our lives as we set out to What legacies do we wish to leave behind The book spans a two year cycle and each chapter is accompanied by a gorgeous black and white photograph of Chanticleer by William Sulit Ghosts in the Garden pulses with possibility and purpose with wisdom that is ageless and transcendent **Chaos, Wonder the Spiritual Adventure of Parenting** Sarah Conover, Tracy Springberry, 2011 Rev ed previously published under title At work in life s garden Library Journal Melvil Dewey, Richard Rogers Bowker, L. Yiddish children's literature gave expression to emerging forms of Jewish identity. As migration carried Yiddish to several continents during the long twentieth century, an increasingly global community of speakers and readers clung to Jewish heritage while striving to help their children make sense of their lives as Jews in the modern world. Miriam Udel traces how the stories and poems written for these Yiddish-speaking children underpinned new formulations of secular Jewishness. Udel provides the most comprehensive study to date of this corpus of nearly a thousand picture books, chapter books, story and poetry collections, and anthologies. Moving geographically from Europe to the Americas and chronologically through the twentieth century, she considers this emerging canon in relation to the deep Jewish past and imagined Jewish futures, before reckoning with the tragedy of the Holocaust. Udel discusses how Yiddish children's literature espoused political ideologies ranging from socialism to Zionism and constituted a project of Jewish cultural nationalism, one shaped equally by the utopianism of the Jewish left and important shifts in the Western understanding of children, childhood, and family life. *Modern Jewish Worldmaking Through Yiddish Children's Literature* shows how Yiddish authors, educators, and cultural leaders, confronting practical limits on their ability to forge a fully realized nation of their own, focused instead on making a symbolic and conceptual world for Jewish children to inhabit with dignity, justice, and joy. **Atlanta Magazine**, 2006-05.
