Seeing Through Writing:

Seeing through Texts Francis X. Clooney, SJ, 1996-07-03 *Seeing through Texts* invites us into the world of south Indian Hinduism through a study of 100 songs of the Tiruv ymoli the great masterpiece of the ninth century Hindu saint Sa k pan These unique songs dedicated to the Hindu god Vi u K a lead us through poetic and imaginative philosophical and moral reflections on the nature of the self and the world ancient myths and temple worship and the mystical moods of longing desire and love in which one seeks loses and finds again the God who loves us first The book is also a study of the interpretation of the Tiruv ymoli in the traditional Hindu rivai ava commentaries of the twelfth fourteenth centuries as well as a comparative theological study which explores the implication of the songs and their commentaries for readers from outside the rivai ava tradition

Seeing Through Writing William E. Coles, **Writing and Seeing** Rui Manuel G. de Carvalho Homem, Maria de Fátima Lambert, 2006 The essays in this volume are informed by a variety of theoretical assumptions and of critical methodologies but they all share an interest in the intersections of word and image in a variety of media This unifying rationale secures the present collection s central position in the current critical context defined as it predominantly is by ways of reading that are based on a relational nexus The intertextual the intermedial the intersemiotic are indeed foregrounded and combined in these essays conceptually as much as in the critical practices favoured by the various contributions Studies of literature in its relation to pictorial genres enjoy a relative prominence in the volume but the range of media and of approaches considered is broad enough to include photography film video television comic strips animated film public art material culture The backgrounds of contributors are likewise diverse culturally academically linguistically The volume combines contributions by prominent scholars and critics with essays by younger scholars from a variety of backgrounds The resulting plurality of perspective is indeed a source of new insights into the relations between writing and seeing and it contributes to making this collection an exciting new contribution to word and image studies

Seeing through the Smoke Peter Grinspoon, 2023-04-20 Depending on which doctor you speak with or which websites you read cannabis could be an appealing low risk medicine even an aid to wellness or an insidiously addictive drug rotting the brains of our youth This dissonance confuses young people distressed patients and paralyzes politicians all while inviting dubious sources of information and resulting in uninformed choices enhanced polarization and a fragmented national policy *Seeing Through the Smoke* is an unflinching examination at the grossly misunderstood drug that uses data driven medical science and a critical historical perspective to reveal the truth behind cannabis In this balanced and measured investigation Cannabis specialist and Instructor in Medicine at Harvard Medical School Dr Peter Grinspoon untangles the reality behind cannabis revealing how we ended up with radically divergent understandings of the drug and pointing a way toward a middle ground that we can all share Moving through an illuminating tour of the social history and the medical science behind cannabis Grinspoon unpacks the layers of disinformation left by a sordid history of government propaganda racial suppression and

indifference from the medical community to answer questions like Is cannabis addictive What are its best established medical uses Can cannabis help cure cancer How does cannabis affect memory How dangerous is cannabis for teens Is cannabis a safer treatment for ADHD and PTSD What exactly is CBD and how is it different from marijuana What are the most concerning side effects By focusing on the most critical purported harms driving pregnancy addictiveness memory and by focusing on the most commonly cited medical benefits relieving chronic pain sleep anxiety PTSD autism and cancer Seeing Through the Smoke will help patients parents doctors health experts regulators and politicians move beyond biased perceptions and arrive at a shared reality towards cannabis

Seeing Through Writing William E. Coles,1987-01 [Seeing Through the Veil](#) Suzanne Conklin Akbari,2004-01-01 During the later Middle Ages new optical theories were introduced that located the power of sight not in the seeing subject but in the passive object of vision This shift had a powerful impact not only on medieval science but also on theories of knowledge and this changing relationship of vision and knowledge was a crucial element in late medieval religious devotion In *Seeing through the Veil* Suzanne Conklin Akbari examines several late medieval allegories in the context of contemporary paradigm shifts in scientific and philosophical theories of vision After a survey on the genre of allegory and an overview of medieval optical theories Akbari delves into more detailed studies of several medieval literary works including the Roman de la Rose Dante s Vita Nuova Convivio and Commedia and Chaucer s dream visions and Canterbury Tales The final chapter Division and Darkness centres on the legacy of allegory in the fifteenth century Offering a new interdisciplinary synthetic approach to late medieval intellectual history and to major works within the medieval literary canon *Seeing through the Veil* will be an essential resource to the study of medieval literature and culture as well as philosophy history of art and history of science
