US-Japan-North Korea Security Relations Anthony DiFilippo,2013-03-01 This book examines the major security and related issues between the United States Japan and North Korea officially the Democratic People s Republic of Korea DPRK Although focusing mainly on current issues this book also provides sufficient historical background to enable readers to appreciate the many nuances that have been ignored by policymakers analysts and the media Where appropriate the book examines the security interests of other nations in Northeast Asia specifically South Korea China and Russia The central purpose of the book is to objectively analyze the policymaking processes of Washington Tokyo and Pyongyang with respect to the DPRK s nuclear weapons and other important security issues and ultimately to provide practical ways to improve the security environment in Northeast Asia Ongoing security related issues include nuclear missile testing by the DPRK its removal from the U S list of states sponsoring terrorism and the abduction of Japanese nationals by North Korean agents that occurred during the 1970s and 1980s Unlike other books which typically take the position that North Korea is a rogue state run by an irrational belligerent and autocratic leader this book reveals the fundamentals of Pyongyang s security concerns in the region This book will be of great interest to students of North East Asian politics Asian security studies US foreign policy and Security Studies IR in general Sport in Films Emma Poulton,Martin Roderick,2019-05-30 Sport offers everything a good story should have heroes and villains triumph and disaster achievement and despair tension and drama Consequently sport makes for a compelling film narrative and films in turn are a vivid medium for sport Yet despite its regularity as a central theme in motion pictures constructions and representations of sport and athletes have been marginalised in terms of serious analysis within the longstanding academic study of films and documentaries In this collection it is the critical study of film and its connections to sport that are examined The collection is one of the first of its kind to examine the ways in which sport has been used in films as a metaphor for other areas of social life Among the themes and issues explored by the contributors are Morality tales in which good triumphs over evil The representation and ideological framing of social

identities including class gender race and nationality The representation of key issues pertinent to sport including globalization politics commodification consumerism and violence The meanings spoken by films and the various readings which audiences make of them This is a timely collection that draws together a diverse range of accessible insightful and ground breaking new essays This book was published as a special issue of Sport in Society **Recent Japanese**

Philosophical Thought 1862-1994 Gino K. Piovesana, 2013-12-16 Piovesana's famous survey is republished with an additional chapter by Naoshi Yamawaki to cover the intervening years up to 1994 It continues to be the only introduction to Japanese thinkers and philosophical thought covering the period of Japan's modern era **Murder Most Modern** Sari Kawana, The quintessential international genre detective fiction often works under the guise of popular entertainment to expose its extensive readership to complex moral questions and timely ethical dilemmas The first book length study of Japan's detective fiction Murder Most Modern considers the important role of detective fiction in defining the country's emergence as a modern nation state Kawana explores the interactions between the popular genre and broader discourses of modernity nation and ethics that circulated at this pivotal moment in Japanese history The author contrasts Japanese works by Edogawa Ranpo Unno Juza Oguri Mushitaro and others with English language works by Edgar Allan Poe Dashiell Hammett and Agatha Christie to show how Japanese writers of detective fiction used the genre to disseminate their ideas on some of the most startling aspects of modern life the growth of urbanization the protection and violation of privacy the criminalization of abnormal sexuality the dehumanization of scientific research and the horrors of total war Kawana's comparative approach reveals how Japanese authors of the genre emphasized the vital social issues that captured the attention of thrill seeking readers while eluding the eyes of government censors Sari Kawana is assistant professor of Japanese at the University of Massachusetts Boston **Chinese International Relations Theory** Jonathan Ping, Anna Hayes, Brett

McCormick, 2025-05-05 This book explores how fundamental aspects of China's rapidly evolving arena of international relations theory are emerging directly from the realms of practice and policy As a unique explanation of the Chinese School by those actually making the decisions assisted and researched in collaboration with eminent global scholars the book guides the global reader through the building of Chinese international relations theory and how China may be accounted for behaviour predicted and useful policy developed With chapters examining critical issues such as Statecraft and party The Belt and Road Initiative Diplomacy and Security in the Asia Pacific China US relations The South China Sea This book will provide new theory to policy makers and prove an invaluable guide to students and scholars of Chinese politics international relations theory diplomacy global studies and international relations **Noir Urbanisms** Gyan Prakash, 2010-09-27 Dystopic imagery has figured prominently in modern depictions of the urban landscape The city is often portrayed as a terrifying world of darkness crisis and catastrophe Noir Urbanisms traces the history of the modern city through its critical representations in art cinema print journalism literature sociology and architecture It focuses on visual forms of dystopic

representation because the history of the modern city is inseparable from the production and circulation of images and examines their strengths and limits as urban criticism Contributors explore dystopic images of the modern city in Germany Mexico Japan India South Africa China and the United States Their topics include Weimar representations of urban dystopia in Fritz Lang s 1927 film *Metropolis* 1960s modernist architecture in Mexico City Hollywood film noir of the 1940s and 1950s the recurring fictional destruction of Tokyo in postwar Japan s sci fi doom culture the urban fringe in Bombay cinema fictional explorations of urban dystopia in postapartheid Johannesburg and Delhi s out of control and media saturated urbanism in the 1980s and 1990s What emerges in *Noir Urbanisms* is the unsettling and disorienting alchemy between dark representations and the modern urban experience In addition to the editor the contributors are David R Ambaras James Donald Rubin Gallo Anton Kaes Ranjani Mazumdar Jennifer Robinson Mark Shiel Ravi Sundaram William M Tsutsui and Li Zhang

Life in the Sky Fraser Green,2025-06-29 Fraser Green is having the time of his life Staying at lavish five star hotels in India jetting to Tokyo to redesign presentations for Japanese media tycoons and racking up frequent flyer points on business trips from Singapore to Seoul while squeezing in side adventures Despite being in his early twenties Green has risen in the ranks at a boutique Melbourne agency that becomes the go to for tech giants He somehow finds himself in a design role and tackling project management tasks for billion dollar clients As Green navigates his share of fake it till you make it moments he learns to head off conflicts soothe high maintenance clients and dispatch back biting competitors with grace earning respect from both top execs and frenemies In *Life in the Sky* Ups Downs and Missed Connections of a Frequent Flyer Green transports readers through the rush of airports and the fast paced destinations that have become his world often with comical outtakes involving everything from spicy foods and hangovers to insane rides dodging cows in the streets Yet cracks appear behind the facade as Green churns through rush jobs time zone shifts and late nights lubricated with cocktails The crush of stress anxiety and sleep deprivation overtake the thrill of hopping on a flight The idea of dining solo or sipping a G T in yet another

overhyped airport lounge amplifies his loneliness The burnout is real Green rethinks the sacrifices he s made wondering if his adult life has been a lie Life in the Sky explores what the idea of success looks like for young people who when presented with opportunities buy the proverbial ticket but don t always know when or how to get off the ride The author s wry humour and humility ring clear in this travelogue with smart insights into the perks and pitfalls of corporate life often at 30 000 feet

Colonizing Language Christina Yi,2018-03-06 With the outbreak of the Sino Japanese War in 1894 Japan embarked on a policy of territorial expansion that would claim Taiwan and Korea among others Assimilation policies led to a significant body of literature written in Japanese by colonial writers by the 1930s After its unconditional surrender in 1945 Japan abruptly receded to a nation state establishing its present day borders Following Korea s liberation Korean was labeled the national language of the Korean people and Japanese language texts were purged from the Korean literary canon At the same time these texts were also excluded from the Japanese literary canon which was reconfigured along national rather than imperial borders In Colonizing Language Christina Yi investigates how linguistic nationalism and national identity intersect in the formation of modern literary canons through an examination of Japanese language cultural production by Korean and Japanese writers from the 1930s through the 1950s analyzing how key texts were produced received and circulated during the rise and fall of the Japanese empire She considers a range of Japanese language writings by Korean colonial subjects published in the 1930s and early 1940s and then traces how postwar reconstructions of ethnolinguistic nationality contributed to the creation of new literary canons in Japan and Korea with a particular focus on writers from the Korean diasporic community in Japan Drawing upon fiction essays film literary criticism and more Yi challenges conventional understandings of national literature by showing how Japanese language ideology shaped colonial histories and the postcolonial present in East Asia A Center for Korean Research Book *Nakagami, Japan* Anne McKnight,2011 How Japan s most canonical postwar writer brought that country s largest social minority into the mainstream *Publication* China International Famine Relief Commission,1923
