West Wind Review ,1994-05      After Fire Bette Lynch Husted,2002      *The Contemporary Review* ,1909      NRL Review ,2016      **The Review of Reviews** William Thomas Stead,1891      **The United States Catalog Supplement, January 1918-June 1921** Eleanor E. Hawkins,1921      The United States Catalog; Books in Print January 1, 1912 H.W. Wilson Company,1921      In Seven Stages Elizabeth Bisland,2021-09-28 In *Seven Stages A Flying Trap Around the World* 1891 is a travel narrative by American journalist Elizabeth Bisland When Bly s journey inspired by the travels of Phileas Fogg in Jules Verne s *Around the World in Eighty Days* 1873 was announced in Joseph Pulitzer s popular newspaper the *New York World* *Cosmopolitan* sent a young reporter of its own to race Bly across the globe At the time readers at home were encouraged to estimate the hour and day of Bisland s arrival generating national interest and launching a series of copycat adventures by ambitious voyagers over the next few decades My appetite for mystery at that hour of the day is always lamentably feeble and it was nearly eleven before I found time to go and investigate this one although the office in question was only a few minutes walk from my residence On arriving the editor and owner of the magazine asked if I would leave New York that evening for San Francisco and continue from there around the world endeavoring to complete the journey in some absurdly inadequate space of time Summoned from her life of work and leisure to undertake a several month journey around the world Elizabeth Bisland rose to the occasion with courage and wit Although Nellie Bly made it home five days before her perhaps due to some subterfuge on the part of her publisher Bisland took defeat in stride writing an account filled with wonderful descriptions of her voyage Ironic and self effacing Bisland s account although less popular than Bly s remains an essential work from the early days of tabloid entertainment and investigative journalism a time when publishers were willing enough or wild enough to send correspondents on a globetrotting voyage in search of fame With a beautifully designed cover and professionally typeset manuscript this edition of Elizabeth Bisland s *In Seven Stages A Flying Trap Around the World* is a classic work of American travel literature reimagined for modern readers      **Littell's Living Age** Eliakim Littell,Robert S. Littell,1886      **The World and the Parish** Willa Cather,1970-01-01 One of the few really helpful words I ever heard from an older writer Willa Cather declared in 1922 I had from Sarah Orne Jewett when she said to me Of course one day you will write about your own country In the meantime get all you can One must know the world so well before one can know the parish Although Cather s first novel about her own country *O Pioneers* did not appear until 1913 the process of knowing the world and of mastering her craft so far as it can be traced in her published writing already had been going on for some twenty years *The World and the Parish* Willa Cather s *Articles and Reviews* 1893 1902 is the fourth in a series collecting the work of these years of experiment and discovery More specifically it offers a representative collection of Cather s nonfiction writing for newspapers and periodicals during her first decade as a professional writer Selected from 520 articles and columns the text is divided into three parts corresponding to major developments in Cather s career the period from 1893 to

1896 when she first began to write regularly for Lincoln newspapers the years in Pittsburgh when she was working for the Home Monthly and the Leader and sending her famous Passing Show column back to Nebraska and the period from the spring of 1900 to 1903 when she freelanced in Pittsburgh and Washington taught in a Pittsburgh high school and made her first trip abroad The text has been edited with three main objectives 1 to enable the reader to trace Cather s development as a writer 2 to group the material so that the reader interested in a particular subject the theatre or music or literature for example can readily locate pertinent selections and 3 to provide a context sufficient to relate these pieces to Willa Cather s life and to the times and to suggest some of their connections with the body of her work Chronologies have been included for each of the three parts and the Bibliography is the most complete yet available for the for the nonfiction writing up to 1903 Not the least remarkable feature of this collection is the range and variety of forms and subject matter reviews of books plays operas concerts art exhibits lectures feature stories interviews straight reportage columns of miscellaneous comment and travel letters Seemingly with no apparent effort Willa Cather could adjust her sights to any assignment and any audience And if it is astonishing that she could write so much about so many matters at so many levels it is perhaps even more astonishing that so much of it was so good Undeniably however the chief interest to the general reader and the peculiar value to the scholar of these journalistic writings reside in their manifold and crucial connections with Cather s later work and in the unparalleled insights they afford into the process by which a gifted writer becomes a great artist

Evaluating Shelley T Clark, 2019-06-01 Even in his own day Shelley s value as a poet and a thinker was hotly debated This book argues that Shelley was both ahead of and in tune with his time and ours Featuring close readings of the key texts the book includes a reassessment of a previously undervalued work Contributions from leading academics such as Marilyn Butler Stuart Curran and Donald Reiman mix with new ideas from up and coming scholars to expand our knowledge and understanding of this problematic poet
