in God's Eyes shows how Christians can honor God with lives of great faith and excellent work. Believers become great in God's eyes by applying the ten common characteristics of great Christians: think great thoughts, read great books, pursue great people, dream great dreams, pray great prayers, take great risks, make great sacrifices, enjoy great moments, empower great people, develop great habits. Using Scripture, personal stories, and examples from Christians who left a lasting legacy, bestselling author Chip Ingram offers practical steps for becoming great in all areas of life: in spiritual growth, family relationships, and career. Includes a foreword by Bob Buford and helpful discussion questions to facilitate group or individual study.

The Shape of Faith to Come Brad J. Waggoner, 2008-10-15 Various studies suggest Christians in North America are not qualitatively different in their character and practices than non-believers. While some churches are growing numerically, many wonder to what impact. Can we determine if our churches are producing Christians who look, think, and act like true followers of Jesus Christ? In *The Shape of Faith to Come*, research expert Brad J. Waggoner and his team measure the beliefs and actions of 2,500 active Protestant churchgoers from across the country against seven key standards of Biblical spiritual formation: Learning the truth, Obeying God and denying self, Sharing faith, Serving God and others, Exercising Biblical faith, Building solid relationships, Seeking God. The findings reveal the current state and forecast of spiritual formation in the U.S.A. Adding encouragement to his insights, Waggoner calls all Christians to spiritual maturity and challenges church leaders to intentionally take up the mantle of making true disciples. Endorsements: Descriptive and prescriptive, this work will be seen as one of the best books ever written on what is really taking place in the discipleship process of Christians. Thom S. Rainer, coauthor of the #1 best seller *Simple Church*. The elephant in the room of evangelicalism is the surprising lack of disciplined believers in all different kinds of churches. We have produced a cafeteria Christianity rather than a robust orthodoxy and Jesus-shaped spirituality. In this challenging and disturbing book, Brad Waggoner draws on twenty years of research in discipleship and spiritual formation to not just show us who we are but to point us to what we must do. *The Shape of Faith to Come* will become a milestone as evangelicals begin to take discipleship seriously once again. Ed Stetzer, coauthor of *Lost and Found: The Younger Unchurched* and *Churches that Reach Them*. This book comes closer than any study with which I'm familiar to providing an insightful and objective evaluation of the spiritual condition of the church in America. Where is the church weak and where is she strong? Some of the answers indicated by *The Shape of Faith to Come* may surprise you. Donald S. Whitney, author of *Spiritual Disciplines for the Christian Life*.

**Fletcher's Appeal to Matter of Fact & Common Sense** John Kingston, 1814

Evangelism for Normal People John Bowen, 2002-07-01 Noted author and teacher John Bowen takes a unique look at what it means to witness to one's faith. Evangelism is something that all Christians can do as a normal part of being a follower of Jesus. Witty, wise, and biblically grounded, the book challenges in a gentle way. Includes study questions for congregational use.

*Wake Up Counselors!* William L. Fibkins, 2013-06-20 Providing individual and group counseling for secondary school students was once a major priority for secondary school counselors. However, many guidance programs have

abandoned this role and counselors have become quasi administrators who spend most of their time scheduling students for classes managing mandated testing programs resolving discipline issues and advising students on college admissions Counseling students on personal and well being issues takes up a very small part of the time In many school districts social workers student assistance counselors and school psychologists have taken over the counseling duties Critical issues are now causing school leaders to consider reorganizing school guidance staff so there is a cadre of counselors trained and charged with the mission of providing individual and group counseling for troubled teens First the number of troubled teens arriving at the schoolhouse door looking for help has exploded Second budget cuts have eliminated or drastically curtailed many of the services of social workers student assistance counselors and psychologists The result Many once open doors for help are now closed and schools counseling services are failing many students parents and educators in need of intervention This book provides a new model in which well trained counselors can once again regain their historic role in counseling troubled teens parents and training staff and students on the front lines to act not look the other way when they observe a student heading towards the margins of school life

*Hebrews (2 volumes in 1 / ESV Edition)* R. Kent Hughes,2015-05-31 The book of Hebrews conveys a double dose of

spiritual power it not only presents the supremacy of Jesus Christ unlike any other New Testament book but it also repeatedly demands a heart response from the reader No one can study Hebrews and not grow spiritually as he or she comes face to face with God's one and only Son In this insightful commentary readers will find a gold mine of helpful discussion related to a book of the Bible that is easily misunderstood and often overlooked With divisions and outlines that are never forced but flow naturally from the text this updated volume in Crossway's Preaching the Word series will be a great resource for anyone studying or teaching the book of Hebrews Part of the Preaching the Word series
