

Attachment

- **An emotional tie with another person; shown in young children by their seeking closeness to the caregiver and showing distress in separation.**

Seeking Closeness

Andrew Linzey

Seeking Closeness:

Handbook of Closeness and Intimacy Debra J. Mashek, Arthur Aron, 2004-04-13 This handbook brings together the latest thinking on the scientific study of closeness and intimacy from some of the most active and widely recognized relationship scholars in social and clinical psychology communication studies and related disciplines Each contributing author defines their understanding of the meaning of closeness and intimacy summarizes existing research and provides an overview of a theoretical framework presents new ideas applications and previously unstated theoretical connections and provides cross references to other chapters to further integrate the material The Handbook of Closeness and Intimacy will be of interest to researchers practitioners and students from social clinical and developmental psychology family studies counseling and communication

Intimacy at Work Stefana Broadbent, 2016-07-01 According to some social critics the digital age involves a retreat into the isolation of intelligent machines Acclaimed scholar Stefana Broadbent takes another view that digital technologies allow people to bring their private lives into the often alienating world of work Through ethnographic evidence and data gathered from large samples in Europe and the U S Intimacy at Work looks at a paradox in modern life Although human beings today spend so much of their waking hours working they remain increasingly connected to family and friends because of digital and social media This book shows how portable communications sustain personal networks offering a sense of identity comfort support and enjoyment in the workplace demonstrates through numerous case studies that digital technologies provide a kind of safety net in times of economic crisis softening the precariousness of existence is a revised edition of a volume published in French *L'Intimité au Travail* 2011 which won the prestigious AFCI Prize for books on business communications

The Heirs of the Prophet Liyakat N. Takim, 2012-02-01 2007 CHOICE Outstanding Academic Title After the death of the Prophet Muhammad different religious factions within the Muslim community laid claim to the Prophet's legacy Drawing on research from Sunni and Shi'ite literature Liyakat N Takim explores how these various groups including the caliphs scholars Sufi holy men and the Shi'ite imams and their disciples competed to be the Prophetic heirs The book also illustrates how the tradition of the heirs of the Prophet was often a polemical tool used by its bearers to demand obedience and loyalty from the Muslim community by imposing an authoritative rendition of texts beliefs and religious practices Those who did not obey were marginalized and demonized While examining the competition for Muhammad's charismatic authority Takim investigates the Shi'ite self understanding of authority and argues that this was an important factor in the formation of a distinct Shi'ite leadership The Heirs of the Prophet also provides a new understanding of textual authority in Islam by examining authority construction and the struggle for legitimacy evidenced in Islamic biographical dictionaries

Intimacy Christopher Lauer, 2016-02-25 An important contribution to the burgeoning field of the ethics of recognition this book examines the contradictions inherent in the very concept of intimacy Working with a wide variety of philosophical and literary sources it warns against measuring our relationships against ideal standards since there

is no consummate form of intimacy After analyzing ten major ways that we aim to establish intimacy with one another including gift giving touching and fetishes the book concludes that each fails on its own terms since intimacy wants something that is impossible The very concept of intimacy is a superlative one it aims not just for closeness but for a closeness beyond closeness Nevertheless far from a pessimistic diagnosis of the human condition this is a meditation on how to live intimately in a world in which intimacy is impossible Rather than contenting itself with a deconstructive approach it proposes to treat intimacy dialectically For all its contradictions it shows intimacy is central to how we understand ourselves and our relations to others

Beyond the Surface: Exploring Love, Intimacy, Infatuation & Sex D. G.

Jordan,2024-12-06 Read about the intricate tapestry of human relationships with Beyond the Surface Exploring Love Intimacy Infatuation Sex the final installment Sex Series This enlightening eBook invites readers on a journey through conventional notions of love and attraction while offering a comprehensive exploration of the emotional and physical aspects of intimacy In a world where surface level connections often overshadow profound understanding this eBook series seeks to unravel the complexities of love revealing how infatuation desire and intimacy intertwine Through engaging insights readers will discover The Dynamics of Love Understand the different types of love from romantic to platonic and how they shape our interactions and expectations The Nature of Infatuation Explore the fascinating chemistry behind infatuation and how it can spark and sometimes cloud our feelings Building Intimacy Learn practical strategies for fostering emotional and physical intimacy in relationships enhancing bonds that go beyond the superficial Navigating Sexuality Delve into healthy sexual expression communication and understanding personal desires Beyond the Surface serves as both a guide and a thoughtful reflection on the diverse experiences of love and intimacy encouraging readers to look beyond the surface of their connections and understand the depths of their hearts Whether you re navigating a new relationship seeking to deepen existing bonds or simply curious about the nuances of intimacy this book offers the tools and insights to enrich your understanding of love and desire Join us on this journey to explore the beautiful complexities of the human experience

Relating in Psychotherapy John Birtchnell,2013-05-13 In John Birtchnell s last book How Humans Relate he proposed a new theory as the basis for a science of relating Relating in Psychotherapy explains how the relevance of this theory relates to the practice of psychotherapy The theory cuts across all schools of therapy and is a way of describing each school in terms of relating in both the client and the therapist The theory is constructed around two major axes a horizontal one concerning the degree to which we need to become involved with or separated from others and a vertical one concerning the degree to which we choose to exercise power over others or permit others to exercise their power over us With numerous clinical examples John Birtchnell explains how we need to be competent in all four relating positions close distant upper and lower and argues that people who seek therapy usually lack competence in one or more of them but through the course of therapy their relating capabilities can be improved Relating in Psychotherapy can have applications in psychotherapy and in couple and

family therapy and will be an invaluable resource for therapists counsellors and other mental health professionals

The Psychology of Romantic Relationships Ami Rokach,Erez Zverling,Ami Sha'ked,2025-08-01 Psychology of Romantic Relationships delves into the myriad factors that contribute to successful relationships Starting with Intimacy in Romantic Relationships the book unveils new facets of the complex dynamics underpinning successful marriages From the pivotal role of communication and trust to the delicate balance of gratitude and forgiveness each chapter provides insightful knowledge to understand and enhance marital bonds Furthermore the book covers additional essential aspects such as the importance of mutual respect the role of shared activities in bonding and the impact of individual growth on relationship harmony It is a must read for psychologists therapists and anyone interested in the intricacies of love Combines theoretical insights with real world applications Reviews what constitutes a marriage including trust attitudes and control Outlines the key factors that contribute to the problems and obstacles in an intimate relationship
