apathy in your ministry *The Cross* Rod Parsley, 2013-10-01 Rediscovering the Beautiful Scandalous Cross of Jesus Christ The cross is the hinge point of human history It is the fulcrum of God s grand brilliant lever four thousand years in the crafting that in a single day pried a fallen world from Satan s grasp The centrality of the cross is the hallmark of an authentic life giving gospel But today we stand at an intersection a literal crossroads of history in which for many even those with a genuine love for God and His Word the cross has lost its importance In *The Cross* Rod Parsley takes you deep into the mysterious territories of what the Bible calls the foolishness of the cross and the scandal of Jesus s sacrifice to explore the significance of the cross in the unfailing light of Scripture It is at the foot of the cross and there alone that we can look with wonder upon the raw ferocity of God s love for us To accept it and glory in it this is the only truly rational response Come along as we rediscover the power majesty and beauty of the cross and learn anew how to claim that power for your life

Idolatry in America Rod Parsley, 2024-02-06 There s a deadly truth behind our nation s famine After reading this book you will understand the deadly grip of sin and its destructive nature for your personal life and community You will learn how you can repent and seek God for a spiritual awakening in our nation Sin stops the rain Moses predicted it at Mount Sinai Solomon prayed about it at the dedication of the temple in Jerusalem Israel experienced it under the disastrous reign of Ahab and Jezebel The sin that particularly plagued ancient Israel was idolatry The drought they experienced was more than just a lack of water Amos 8 11 says The time is coming says the Lord God when I will send a famine on the land not a famine of bread nor a thirst for water but of hearing the words of the Lord Here in America the megadrought that has gripped much of the West and portions of the heartland has made headlines The Mississippi River was so low that barges were getting stuck on the bottom Lake Mead has been at historically low levels The Great Salt Lake in Utah is disappearing Negotiations for allocations of water from the Colorado River are becoming more and more contentious Could it be that these conditions are only harbingers of a more systemic and serious spiritual famine Sin stops the rain In *Idolatry in America* Dr Rod Parsley identifies ten major areas of idolatry that have overtaken our country s culture Any one of them is deadly but together they constitute an unprecedented threat to the very existence of our nation There is a cure for this cultural epidemic a way to walk back from the brink of moral and spiritual disaster The choice is stark The consequences are severe The outcome will be stunning

Gone Rod Parsley, 2016-03-01 The most significant event in history the day Jesus vanquished death on Calvary s cruel and biting cross is the crowning achievement of God s brilliantly executed plan of redemption And as Rod Parsley suggests the resurrection is the apex of our faith and hope in Christ In *Gone* Parsley takes readers on a profound journey to deepen our surface level understanding of what happened between the first Good Friday and Easter Sunday by exploring the cultural historical and biblical context of Jesus s death burial and resurrection Once readers eyes of understanding are opened to what truly happened that weekend and what one man in one tomb on one Sunday accomplished their Christian walk will be irreversibly and eternally transformed **American Book Publishing Record** ,1996 The

Grace Embrace Kim Mallette,2020-07-08 If we are honest with ourselves we know we need God's grace Most of us once we know our need want and seek it What then Is that the end of the matter Or did God pour out His grace on us in order to do more than just save us If we examine the accounts of Jesus's life and ministry and listen to His teachings we will discover that when we receive His grace and truly embrace it this grace will begin to impact every facet of our lives and relationships None of us deserve the grace of Jesus But by His unfathomable act of love He has gifted us with both the incentive and empowerment to allow His grace to change our lives from the trivial to the triumphant We will not view ourselves or others the same way ever again So whether you read this book for your own personal growth or whether you join with others to discuss its biblical insights be sure that you don't miss the opportunity to embrace the grace of Jesus **Out My Window**

Barbara Durnil,2022-12-28 This is the story of an empty nester widow who decides to isolate not alone but with God at the beginning of the COVID 19 pandemic She has always thought a monastic life would be wonderful She could shelter away from life social responsibilities and interruptions simply to study God's Word and to talk with Him She is going on sabbatical She has two Bible studies already started when the shutdown began and several studies she wants to pursue She also journals and enjoys writing what she hears God telling her She is in for a big surprise when God begins His lessons for her There are wonderful things presented for her to learn new revelations and thought provoking information that had never occurred to her There are also emotions frustrations and Satan's presence to throw her off These are all met by God showing her the way out Even when she stumbles and weakens to despair or anger about the scene out her window God takes the guilt from her and loves her He is a merciful God She learns of His holiness grace and mercy but also sees His working hand of judgment out the window as she watches the direction of the human race She learns that mercy and judgment are in equal quantities as they exist together at the same time True repentance is what changes judgment to mercy Her lessons come daily and she becomes a true disciple of Christ taking in every word He speaks and asking questions in return All that was needed was time alone no distractions and her full attention on God The world grows dark out her window And at first it frightens her but God shows her truths and reminds her of His plan He prepares her to be a part of His plan and to eventually return to the world walking in that plan The time is not yet but it is coming and she waits for it 87 **Don't Miss**
