This is followed by poems uncollected but either written for or suitable for publication and by a new reading text of the drafts of *The Waste Land*. The second volume opens with the two books of verse of other kinds that Eliot issued *Old Possum's Book of Practical Cats* and *Anabasis* his translation of St John Perse's *Anabase*. Each of these sections is accompanied by its own commentary. Finally pertaining to the entire edition there is a comprehensive textual history that contains not only variants from all known drafts and the many printings but also extended passages amounting to hundreds of lines of compelling verse.
