been groomed from physical appearance to spirituality to finances and shows how those manipulative messages have affected the way we see our worth and how they've oftentimes stifled and limited us. From there Fisher offers readers a way to overcome their past starting with the all important but rarely explored idea of a *selah* or a time of rest and reflection and exploring active ways to forgive and move forward to a new level of freedom. No one has to be defined by her past. No one has to live for her groomers. It's time to take a look back at where we came from to escape the messages of our past and take control of our future.

**Selah** Anna Doubblestein, 2022-08-01 What kind of crazy life is it when you are paralyzed, have a snake under your bed and your husband is looking at you saying, "aEURoeDonaEURtm t move aEUR Having a disability and speech impediment and trying to follow God in the middle of all of that can lead to some strange and humorous situations. And Anna has experienced quite her share of them. This book is full of fun stories for those with a disability and their caregivers. Crisis happens to us all whether you have a disability or not. When it does we are forced to find a new normal. Disability does not just happen to you. It happens to all that love you. If you are stuck with a disability or care for someone with one, this book is for you. God still has plans for you. He is not done with you yet. And in between, maybe you can find time for a cup of coffee with God and share a laugh with Him.
