Twelve Select Sermons Dwight Lyman Moody, 2025-05-22

Twelve Select Sermons by Dwight Lyman Moody offers a collection of inspiring and thought provoking sermons reflecting the passionate evangelism that defined his ministry. These sermons originally delivered in 1881 address fundamental aspects of Christian faith and practice including salvation, the love of God, and the importance of living a life dedicated to Christ. Moody's direct and heartfelt approach made him one of the most influential preachers of his time, and these sermons continue to resonate with readers seeking spiritual guidance and encouragement. Presented in clear and accessible language, this volume captures the essence of Moody's preaching style, making it a valuable resource for anyone interested in exploring core Christian beliefs and deepening their understanding of the scriptures. Twelve Select Sermons stands as a testament to Moody's enduring legacy and his unwavering commitment to spreading the Gospel. Select Sermons, Delivered on Various Occasions, from Important Passages of Scripture (Classic Reprint) Hosea Ballou, 2017-07

Excerpt from *Select Sermons Delivered on Various Occasions From Important Passages of Scripture*: But notwithstanding all difficulties, necessary labour must be done, and done faithfully. An architect, whom you might see fit to employ to repair your house, might on due examination find that the labour and expense of repairing would be surely lost for want of soundness in the foundation; and however disagreeable it might be to you to hear it, or to him to declare it, yet it would be most consistent with your interest and his duty. But it is hard to give up the ancient, the venerable, though decayed building. The habitations of our fathers hold our fond hearts with a sort of charm that is not easily broken. But from this digression we may return to our subject. This passage read for our present consideration, as has already been hinted, is generally applied to the subject of a day of judgment in a future state, when and where all mankind will be brought to trial, duly examined, judged, and rewarded according to their works in this mortal life. Some of the absurdities of this notion of a future judgment, I have pointed out in a discourse which I recently delivered in this house, and which has since

been published That sermon having stirred up the minds of the thoughtful has thereby been the means of calling our present subject into consid cration which gives me another occasion to at tend to this very important inquiry About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
