**Selected Highland folk tales** Ronald Macdonald Robertson, 1977      Selected Highland Folktales Ronald Macdonald Robertson, 1961 The first paperback edition of one of the classics of Scottish folklore highlighting the rich oral tradition of the Highlands

Selected Highland Folk Tales Ronald Macdonald Robertson, 1961      *Mysterious Creatures* George M. Eberhart, 2002-12-17 A comprehensive guide to cryptozoology the quest to identify animals that have not been officially catalogued by science and to place these unknown animals into their proper zoological categories In this fascinating two volume encyclopedia author George M Eberhart provides a comprehensive catalog of nearly 1 000 cryptids unknown animals usually reported through eyewitness accounts and not yet described by science Cryptids are the stuff of folklore hoaxes and genuine scientific breakthroughs There are 400 now classified cryptids once considered either extinct or pure fantasy The cryptozoologist s job is to strip away the myth misidentification and mystery and separate fact from fiction *Mysterious Creatures* covers everything from dinosaurs and the emala ntouka an elephant killing dinosaur like animal of central Africa to searches for the Loch Ness monster Bigfoot and other cryptozoological hoaxes Entries about specific animals include the derivation or meaning of each cryptid s name its scientific name variant names a physical description behavior description of tracks habitat significant sightings present status and possible explanations Illustrations and photographs accompany many entries The book also includes resources and references for further information

Lanarkshire Folk Tales Allison Galbraith, 2021-04-22 From a cantankerous brownie in Dolphinton to the vampire with iron teeth who terrorised Glasgow this collection of tales spans fourteen centuries of Lanarkshire s history and happenings Here you will find the legends of William Wallace s love and loss in Lanark and Saint Mungo s bitter feud with the Pagan hierarchy and Druids alongside totemic animals unique Scottish flora and fauna warlocks herb wives and elfin trickery Allison Galbraith combines storytelling expertise with two decades of folklore research to present this beguiling collection of Lanarkshire stories suitable for adults and older children

**The Celtic Breeze** Heather McNeil, 2001-10-15 Delve into a world of kelpies mermaids selkies ghosts warlords and fairies This collection gives you Celtic tales previously unrecorded or only found in obscure compilations Mostly collected by the author on her ancestral home of the Isle of Barra in the Hebrides these lesser known tales from Scotland Ireland and Wales are supported by a brief history of the Celts a glossary of the Gaelic integrated in the stories an appendix of superstitions about fairy protection and bibliographies that reflect the author s extensive research Seventeen ballads collected almost one hundred years ago and excerpts from the author s journal of travels in Scotland make this book a unique and valuable resource for anyone who tells stories

*Strathspey Myths and Legends - A Photographic Journey* C.J. Halliday, 2018-11-26 In this beautiful book Chris Halliday has re united the rich lore of Strathspey with the places that gave it birth His evocative photographs personalised maps and focused storytelling style make this an irresistible invitation to explore and enjoy In addition the use of the civil parishes as markers makes sense of both the geography and the culture It s

a labour of love which people of this area and far beyond will love      *Fantastic Creatures in Mythology and Folklore* Juliette Wood,2018-08-23 Drawing on historical sources myth and folklore *Fantastic Creatures in Mythology and Folklore* explores the roles of fantastical beasts particularly the unicorn the mermaid and the dragon in a series of thematic chapters organised according to their legendary dwelling place be this land sea or air Through this original approach Juliette Wood provides the first study of mythical beasts in history from the medieval period to the present day providing new insights into the ways these creatures continue to define our constantly changing relationship to both real and imagined worlds It places particular emphasis on the role of the internet computer games and the cyberspace community and in doing so demonstrates that the core medieval myth surrounding these creatures remains static within the ever increasing arena of mass marketing and the internet This is a vital resource for undergraduates studying fantastic creatures in history literature and media studies

**Scottish Ghost Stories** James Robertson,2013-06-06 Inheriting the tradition of Hugh Miller the nineteenth century folklorist and stonemason whose own haunted life is the subject of the opening chapter James Robertson has where possible researched the original or oldest written source and visited the site of each story to compile the most comprehensive and authoritative collection of the Scottish supernatural Some of the stories gathered here are deservedly famous such as those associated with Glamis Castle or the tale of Major Weir while others *The Deil of Littledean* and *The Drummer of Cortachy* are less familiar or even contemporary accounts related to the author personally but all are equally intriguing and fascinating reflections of the culture and period to which they belong Neither a wary sceptic nor a fanatical believer but an advocate of the validity of individual experience of the strange and unexplainable James Robertson s *Scottish Ghost Stories* is an imaginative and chilling recasting of an established Scottish ghost hunting and story telling tradition a homage to the particular mystery and character of a land which continues to produce ghosts whether from den to glen Highlands to Lowlands Catholic to Protestant

**Famous Scots and the Supernatural** Ron Halliday,2012-09-27 Scotland is often seen as a land of mystery a place where reality collides with the world of spirits and phantoms But what effect does that have on the individuals who call it their home And in particular on those people who have in one way or another earned a place in history *Famous Scots and the Supernatural* examines the achievements of famous Scots through the ages and shows how their lives and decisions have been affected by unusual and unlikely influences For example William Wallace was seen at one time as much as a mystic as a soldier Hugh Dowding who masterminded Britain s Battle of Britain victory was fascinated by the spirit world and became a leading exponent of the New Age movement And John Logie Baird the father of television had a number of supernatural experiences and attended sances where he received messages from dead inventors *Famous Scots and the Supernatural* reveals how from the earliest times to the present politicians scientists writers and artists have been influenced not only by the world around them but by less obvious and more mystical beliefs and experiences which have changed their lives and altered the course of history

## **Selected Highland Folktales Introduction**

In today's digital age, the availability of Selected Highland Folktales books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Selected Highland Folktales books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Selected Highland Folktales books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Selected Highland Folktales versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Selected Highland Folktales books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Selected Highland Folktales books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Selected Highland Folktales books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts

Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Selected Highland Folktales books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Selected Highland Folktales books and manuals for download and embark on your journey of knowledge?
