Selected Epigrams Of Martial:

Martial: Select Epigrams Martial, Lindsay Watson, 2003-06-05 Despite his enduring popularity Martial has recently suffered from serious critical neglect The present work is the first edition of selections from Martial to be published for decades and includes a fully representative selection of the oeuvre of the poet who has often been criticised unfairly the authors argue for obscenity and flattery of the Emperor Domitian The epigrams included in the selection are organised under various heads e g Martial and poetry sexual mores satirical pieces A very full introduction deals with such topics as the prejudices and predilections of his audience which conditioned Martial s choice of subject matter Martial s language the structure and style of the epigrams the epigrammatic tradition and Martial s creative engagement with it The detailed commentary is suitable for use with undergraduates and is distinguished by its focus on social history as well as literary interpretation *Selected Epigrams* Martial, 2014-12-03 This lively translation accurately captures the wit and uncensored bawdiness of the epigrams of Martial who satirized Roman society both high and low in the first century CE The selections cover nearly a third of Martial s 1 500 or so epigrams augmented by a historical introduction and informative notes

Stephenson, 2023-07-18 **Selected Epigrams of Martial** Edwin Post, 2017-11-07 Excerpt from *Selected Epigrams of Martial* Edited With Introduction and Notes This volume is offered to the public with the belief that the selections herein found are sufficient in number and variety to illustrate fully the epigram as a form of literature and to afford valuable collateral information to those interested in Roman private life However in selecting the epigrams a wider interest in the subject matter has been continually kept in mind and the text has been so annotated as to make the book serviceable in an ordinary reading course About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Selected Epigrams of Martial Marcus Valerius Martialis, 1924 **Selected epigrams of Martial** Martial, 1931 Selected epigrams from Martial for English readers

Martial, 1879 *Select Epigrams of Martial* R. T. Bridge, 2015-07-21 Excerpt from *Select Epigrams of Martial* *Spectaculorum Liber* and Books I Vi This edition of selected epigrams from the first six books of Martial is intended for the use of upper forms in schools There are two reasons why Martial should be read in these forms In the first place his epigrams belong to a distinct species of literature characteristically Roman both in form and matter Secondly Martial throws a valuable and instructive light on the social life of Rome in the first century of our era If these are the two reasons why boys still at school should read Martial yet it is probably true that they should read him rapidly and without the rigid attention to detail which is necessary in studying the best classical writers It has been our aim therefore to keep our notes concise and not to fill the place of the dictionary and the atlas but as far as possible to make clear the thought and point of each epigram With this end in view a short abstract of the meaning is prefixed to the notes on each poem but few attempts have been made to supply ready made translation In the Introduction has been added a connected account of certain features of Roman life which are constantly referred to in the epigrams this seemed better than writing short and scattered notes on the passages concerned We have also given a biographical index of some of the proper names occurring in the text and we hope that our general index may be of use in finding references in the poet to the many features of Roman life on which he touches About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Selected Epigrams of Martial H. M. Stephenson, 2015-07-21 Excerpt from *Selected Epigrams of Martial* Edited With Introduction Notes and Appendices The Romanising of Gaul and Spain was followed among other results by a large influx into Rome from those provinces of literary talent and in some cases genius Spain in particular during the latter half of the first century after Christ was represented at Rome by a number of literary men of various excellence Of some of these the works remain those of others have perished Some of them like Martial's friend Canius sported in light effusions not intended to live others such as Seneca Lucan Quintilian produced work which the world uses still Some of them were mere amateurs or at least imitators who followed in the wake of other writers while others made themselves acknowledged as masters in the branches of literature to which they devoted themselves To the latter class belongs M Valerius Martialis Of the early years of this poet's life before he came to Rome we know next to nothing only his birth place and probably the names of his parents About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing
