Infinity's Flower Jack Allis, 2007-08-15 *Infinity's Flower* The Tale of 2012 the Great Shift of the Ages The year is 2011 David and Kelly are soul mates who share an awareness of the ancient esoteric wisdom confirmed by quantum science that the universe is alive and everything in it including us consists of pulsating luminous energy Like shamans from indigenous cultures around the world David and Kelly have powers far exceeding those of ordinary humans as a function of their awareness that this world of energy is guided by an unseen intelligence or spirit and their ability to merge with these mysterious forces One of their powers is the ability to see through the illusion of everyday life and into another dimension where malevolent extraterrestrial beings masquerading as humans have covertly ruled the world for thousands of years and have imposed a fascist world government or New World Order upon a human race *Infinity's Flower* is the epic story of the age old intergalactic battle between the forces of good and evil that is coming to a head on the planet Earth at this time and David and Kelly's struggle to join the forces of light both in this world and in higher etheric dimensions to defeat the powers of darkness and reclaim the planet The backdrop of this tale is The Great Shift of the Ages an exceedingly rare geophysical and astrophysical time the Earth has entered It is the completion of a 26 000 year cycle which was prophesized by ancient cultures spanning the globe including the Egyptians the Mayans and the Hopis The Shift involves forces of colossal magnitude such as the reversing of the Earth's electromagnetic field which will change the face of the planet and life on it forever The clock is ticking The year 2012 appears to be the turning point Are these the end times as

so many believe was predicted in the Bible or is this an opportunity for the birth of a new era of higher consciousness and spirituality Infinity's Flower weaves the epic scope of Orwell the esoteric wisdom of Castaneda and the riveting storytelling of the film sensation The Matrix into a tale of this rare and blessed opportunity for humanity to evict the forces of evil and make the shift to the new paradigm It is a world in which doors swing open to unimaginable forces and where humanity reconnects with the one true source of its power the divine spirit of a living universe Infinity's Flower is a vision of the paradise that an empowered and an enlightened humanity can and must create on Earth **Richard Dawkins: The Pope of Unreason**

Mike Hockney,2014-12-19 A book attacking the ideology of Richard Dawkins is invariably assumed to be a defence of religious faith Nothing could be further from the truth in this case This book equates faith with insanity Instead it argues that we live in the hyperrational reality of ontological mathematics We attack the scientific dogma of Dawkins and his fellow travellers for being incompatible with ontological mathematics and in fact constituting a quasi religious hence mad faith in empiricism materialism randomness and meaninglessness nihilism all of which are refuted by ontological mathematics which reflects the principle of sufficient reason Are you rational enough for the truth Are you intelligent enough to be an ontological mathematician Many are called few are chosen *Simplicius: On Aristotle Physics 1.3-4* Simplicius,2014-04-22 In this
