Lord Jesus Christ Devotion To Jesus In Earliest Christianity

Craig Evans, David Mishkin

Lord Jesus Christ Devotion To Jesus In Earliest Christianity:

Lord Jesus Christ Larry W. Hurtado, 2005-09-14 This outstanding book provides an in depth historical study of the place of Jesus in the religious life beliefs and worship of Christians from the beginnings of the Christian movement down to the late second century *Lord Jesus Christ* is a monumental work on earliest Christian devotion to Jesus sure to replace Wilhelm Bousset's *Kyrios Christos* 1913 as the standard work on the subject Larry Hurtado widely respected for his previous contributions to the study of the New Testament and Christian origins offers the best view to date of how the first Christians saw and revered Jesus as divine In assembling this compelling picture Hurtado draws on a wide body of ancient sources from Scripture and the writings of such figures as Ignatius of Antioch and Justin to apocryphal texts such as the Gospel of Thomas and the Gospel of Truth Hurtado considers such themes as early beliefs about Jesus divine status and significance but he also explores telling devotional practices of the time including prayer and worship the use of Jesus name in exorcism baptism and healing ritual invocation of Jesus as Lord martyrdom and lesser known phenomena such as prayer postures and the curious scribal practice known today as the *nomina sacra* The revealing portrait that emerges from Hurtado's comprehensive study yields definitive answers to questions like these How important was this formative period to later Christian tradition When did the divinization of Jesus first occur Was early Christianity influenced by neighboring religions How did the idea of Jesus divinity change old views of God And why did the powerful dynamics of early beliefs and practices encourage people to make the costly move of becoming a Christian Boasting an unprecedented breadth and depth of coverage the book speaks authoritatively on everything from early Christian history to themes in biblical studies to New Testament Christology Hurtado's *Lord Jesus Christ* is at once significant enough that a wide range of scholars will want to read it and accessible enough that general readers interested at all in Christian origins will also profit greatly from it

Honoring the Son L. W. Hurtado, 2018-06-27 Before the New Testament or the creeds of the church were written the devotional practices of the earliest Christians indicate that they worshipped Jesus alongside the Father Larry W Hurtado has been one of the leading scholars on early Christology for decades In *Honoring the Son: Jesus in Earliest Christian Devotional Practice* Hurtado helps readers understand early Christology by examining not just what early Christians believed or wrote about Jesus but what their devotional practices tell us about the place of Jesus in early Christian worship Drawing on his extensive knowledge of early Christian origins and scholarship on New Testament Christology Hurtado examines the distinctiveness of early Christian worship by comparing it to both Jewish worship patterns and worship practices within the broader Roman era religious environment He argues that the inclusion of the risen Jesus alongside the Father in early Christian devotional practices was a distinct and unique religious phenomenon within its ancient context Additionally Hurtado demonstrates that this remarkable development was not invented decades after the resurrection of Christ as some scholars once claimed Instead the New Testament suggests that Jesus followers very quickly after the resurrection of Christ

began to worship the Son alongside the Father Honoring the Son offers a look into the worship habits of the earliest Christians to understand the place of Jesus in early Christian devotion *How on Earth Did Jesus Become a God?* Larry W. Hurtado, 2005-11-02 In *How on Earth Did Jesus Become a God* Larry Hurtado investigates the intense devotion to Jesus that emerged with surprising speed after his death Reverence for Jesus among early Christians notes Hurtado included both grand claims about Jesus significance and a pattern of devotional practices that effectively treated him as divine This book argues that whatever one makes of such devotion to Jesus the subject deserves serious historical consideration Mapping out the lively current debate about Jesus Hurtado explains the evidence issues and positions at stake He goes on to treat the opposition to and severe costs of worshipping Jesus the history of incorporating such devotion into Jewish monotheism and the role of religious experience in Christianity s development out of Judaism The follow up to Hurtado s award winning *Lord Jesus Christ* 2003 this book provides compelling answers to queries about the development of the church s belief in the divinity of Jesus **The Divine Christology of the Apostle Paul** Christopher R. Bruno, John J. R. Lee, Thomas R. Schreiner, 2024-05-28 Filled with helpful charts appendixes and study aids this essential guide explores the detailed and often perplexing conversations concerning Paul s view of the divinity of Christ bringing guidance and clarity to scholars various articulations including Larry Hurtado Chris Tilling N T Wright and more *The Earliest Christian Artifacts* Larry W. Hurtado, 2006-11-02 Review Much attention has been paid to the words of the earliest Christian canonical and extracanonical texts yet Larry Hurtado points out that an even more telling story is being overlooked the story of the physical texts themselves He introduces readers to the staurogram possibly the first representation of the cross the nomina sacra a textual abbreviation system and the puzzling Christian preference for book like texts over scrolls Drawing on studies by papyrologists and palaeographers as well as New Testament scholars and including photographic plates of selected manuscripts *The Earliest Christian Artifacts* examines the distinctive physical features of early Christian manuscripts illustrating their relevance for wider inquiry into the complex origins of Christianity book jacket **Earliest Christianity within the Boundaries of Judaism** Alan Avery-Peck, Craig A. Evans, Jacob Neusner, 2016-02-02 Twenty two essays written by top scholars in the fields of early Christianity and Judaism focus on methodological issues earliest Christianity in its Judaic setting Gospel studies and history and meaning in later Christianity These essays honor Bruce Chilton recognizing his seminal contribution to the study of earliest Christianity in its Judaic setting Chilton s scholarship has established innovative approaches to reconstructing the life of Jesus a Jew whose religious ideology developed and therefore must be understood within the Judaism of the first centuries Following upon Chilton s approaches and insights the essays collected here illustrate the centrality of the literatures of early Judaism to the critical exegesis of the New Testament and other writings of early Christianity **Praying and Believing in Early Christianity** Maxwell E. Johnson, 2013 What was the impact of liturgy on the development of orthodox doctrine in the early Christian church With renowned liturgical historian Maxwell E Johnson as

a guide readers of Praying and Believing in Early Christianity will discover the important and sometimes surprising ways that worship helped to shape what was believed taught and confessed In particular Johnson considers this relationship in terms of soteriology What is the role of grace in the process of salvation Trinity How did early devotion to Christ and the church s baptismal and eucharistic liturgies help shape the developing doctrine of the Trinity Christ and Mary What does the devotional and liturgical term theotokos say about them both ethics How does the liturgy contribute not only to doctrine but also to convictions about morality Johnson also explores the ways this relationship worked in the opposite direction How did doctrinal developments shape liturgical texts in the patristic period This is an excellent text for beginning students in liturgical studies at the master s level [A Handbook on the Jewish Roots of the Christian Faith](#) Craig Evans, David

Mishkin, 2021-04-18 A Handbook on the Jewish Roots of the Christian Faith is a comprehensive handbook that serves as an introduction to the Jewish roots of the Christian Faith It includes Old Testament background Second Temple Judaism the life of Jesus the New Testament and the early Jewish followers of Jesus It is intended as a resource for college and or higher education It is no longer a novelty to say that Jesus was a Jew In fact the term Jewish roots has become something of a buzzword in books articles and especially on the internet But what does the Jewishness of Jesus actually mean and why is it important This collection of articles aims to address those questions and serve as a comprehensive yet concise primer on the Jewish roots of the Christian faith It consists of thirteen chapters most of which are divided into four or five articles It is in a handbook format meaning that each article is brief but informative The thirteen chapters are grouped into four major sections 1 The Soil 2 The Roots 3 The Trunk and 4 The Branches Craig A Evans PhD DHabil is the John Bisagno Distinguished Professor of Christian Origins at Houston Baptist University in Texas He is a frequent contributor to scholarly journals and the author or editor of over seventy books Evans resides in Houston TX David Mishkin PhD serves on the faculty of Israel College of the Bible in Netanya Israel He is the author of The Wisdom of Alfred Edersheim and Jewish Scholarship on the Resurrection of Jesus **Studies on the Origin of Divine and Resurrection Christology** Andrew Ter Ern

Loke, 2023-08-29 The origin and development of divine and resurrection Christologies are among the most important and controversial issues in the study of Christianity One reason why there is a lack of consensus among scholars even though they have access to the same historical material is that different scholars analyze the material differently Building upon his previous monographs The Origin of Divine Christology Cambridge University Press 2017 and Investigating the Resurrection of Jesus Christ Routledge 2020 Andrew Loke demonstrates the fallacies of reasoning in the analyses of the works of numerous scholars such as Bart Ehrman Paula Fredriksen David Litwa Richard Carrier Raphael Lataster Daniel Kirk Matthew Larsen and Dale Allison Loke defends his proposal that a sizeable group of earliest Christians perceived that Jesus claimed and showed himself to be truly divine and resurrected and replies to objections to his previous works He contributes to the discussion on ancient Jewish monotheism exalted mediator figures comparison with Greco Roman literature Jesus

mythicisism Markan Christology the historical reliability of the New Testament as well as the use of philosophical and theological categories and the use of psychological studies on parallel apparitions cognitive dissonance mass hysteria pareidolia and memory for the study of early Christology

God in Paul's Letters Timothy Milinovich, Normand Bonneau, Robert F. O'Toole S. J., 2023-06-29 In Pauline studies where Christological questions have often carried the day Paul's understanding of God is emerging to play an equally important role What did it mean to the apostle that God is sovereign Lord of history and creation This volume explores the various ways that the theme of God is foundational to Paul's seven undisputed letters with attention to the diverse perspectives of each letter In addition the volume offers essays on overarching topics such as epistemology and the new creation that Paul describes in his writing The authors engage as well challenging questions including Paul's views on evangelizing all people Jew and Gentile alike Readers will come away with a deeper appreciation for both the theology and the Christology of Paul whose understanding of God provides the key to the salvific plan realized in Christ

Peter in Early Christianity Helen K. Bond, Larry W. Hurtado, 2015 Long overshadowed by the apostle Paul Peter has received increased scholarly attention of late Building on that resurgence of interest nineteen internationally prominent scholars of early Christian history examine and reassess the historical Peter and his significance in Christian texts from the first three centuries Giving due attention to archaeological data and recent scholarship the contributors offer a comprehensive view of Peter through analysis of both New Testament texts and later noncanonical literature Markus Bockmuehl concludes the volume by considering present day questions about the role of Peter popes and church leadership

New Testament Theology and the Greek Language Stanley E. Porter, 2022-10-20 In this book Stanley E Porter offers a unique language based critique of New Testament theology by comparing it to the development of language study from the Enlightenment to the present Tracing the histories of two disciplines that are rarely considered together Porter shows how the study of New Testament theology has followed outmoded conceptual models from previous eras of intellectual discussion He reconceptualizes the study of New Testament theology via methods that are based upon the categories of modern linguistics and demonstrates how they have already been applied to New Testament Greek studies Porter also develops a workable linguistic model that can be applied to other areas of New Testament research Opening New Testament Greek linguistics to a wider audience his volume offers numerous examples of the productivity of this linguistic model especially in his chapter devoted to the case study of the Son of Man

Apologetics at the Cross Joshua D. Chatraw, Mark D. Allen, 2018-05-15 2019 Outreach Magazine Resource of the Year Apologetics 2018 The Gospel Coalition Book Award Evangelism rather than anger arrogance and aggression Chatraw and Allen equip Christians to engage skeptics with the heart as well as the mind Conversational in tone and balanced in approach Apologetics at the Cross provides a readable introduction to the field of apologetics You'll be informed and equipped for engaging a wide range of contemporary challenges with the best in Christian thought

In the Fullness of Time Gurtner et al, 2016 Over the course of his

distinguished career Richard Bauckham has made pioneering contributions to diverse areas of scholarship ranging from ethics and contemporary issues to hermeneutical problems and theology often drawing together disciplines and fields of research all too commonly kept separate from one another In this volume some of the most eminent figures in modern biblical and theological scholarship present essays honoring Bauckham Addressing a variety of subjects related to Christology creation and eschatology the contributors develop elements of Bauckham's biblical and theological work further present fresh research of their own to complement his work and raise critical questions from dust jacket **Reflections on the Early Christian History of Religion - Erwägungen zur frühchristlichen Religionsgeschichte** Cilliers

Breytenbach, Jörg Frey, 2012-10-19 Reflections on the Early Christian History of Religion documents the results of two recent workshops on Martin Hengel's and Maria Schwemer's first volume of first volume of *Geschichte des frühen Christentums* Jesus und das Judentum title of vol 1 Tübingen 2007 and Larry Hurtado's *Lord Jesus Christ Devotion to Jesus in Earliest Christianity* Grand Rapids 2003 The contributors including Hengel himself focus on problems and possibilities of studying and presenting Christian religion in Roman Antiquity They discuss distinctive features of these two remarkable publications and some material aspects that illustrate the relationship between the historical study of early Christian religion religious studies in general and New Testament studies in particular Mit den Erwägungen zur frühchristlichen Religionsgeschichte liegen die Ergebnisse zweier Fachtagungen vor die sich mit dem ersten Band der *Geschichte des frühen Christentums* von Martin Hengel und Maria Schwemer Jesus und das Judentum Tübingen 2007 und Larry Hurtados *Lord Jesus Christ Devotion to Jesus in Earliest Christianity* Grand Rapids 2003 beschäftigt haben Die Beiträge u a von Hengel selbst diskutieren Probleme und Möglichkeiten der Erforschung und Darstellung christlicher Religion in der römischen Antike Sie setzen sich mit den Zugangsweisen dieser beiden Bücher auseinander und zeigen an verschiedenen Sachfragen die Bezüge die sich bei der historischen Erforschung der frühchristlichen Religion zwischen Geschichtswissenschaft Religionswissenschaft und Neutestamentlicher Wissenschaft ergeben *Patterns of Christological Categorisation* Marvin C. Sanguinetti, 2023-03-28

This book focuses on Christological Monotheism an underexplored area which combines two disciplines of theological appraisal often addressed as separate subjects Christological Monotheism is underexplored in the literature and even more underexplored are interpretations of Christological Monotheism from the perspectives of Christian voices within the Oneness Pentecostal faith tradition Oneness Pentecostalism offers opposing perspectives to what is considered fixed orthodoxy within the Christian faith traditions i e its views differ on doctrines relating to the nature of God and Christ from accepted norms This project seeks to include various Oneness Pentecostal interpretations to commonly held perspectives and explore what such might look like when juxtapose with Christian orthodoxy Moreover it rereads perspectives about the relationship between God and Christ offered by both traditions in the contexts of earlier contributors to Christian history all the way to the Second Temple Jewish periods and includes similar patterns exposed by various groups scholars along this trajectory

An Introduction to the New Testament Charles B Puskas, C Michael Robbins, 2012-08-30 This second edition of *An Introduction to the New Testament* provides readers with pertinent material and a helpful framework that will guide them in their understanding of the New Testament texts. Many new and diverse cultural, historical, social, scientific, sociorhetorical, narrative, textual, and contextual studies have been examined since the publication of the first edition, which was in print for twenty years. The authors retain the original tripartite arrangement on 1 The world of the New Testament 2 Interpreting the New Testament and 3 Jesus and early Christianity. An appropriate book for anyone who seeks to better understand what is involved in the exegesis of New Testament texts today.

The Bible and Science Vincent Smiles, 2011-06-01 Confusing paradox surrounds the Bible. Some look to it as the definition of reality and deny science; others see science alone as the arbiter of truth and deny the Bible. Both extremes are merely symptoms of a still wider debate on the place of ancient spiritual wisdom in a science-dominated world. Following the Reformation and Enlightenment, the Western world gained great power but lost its spiritual bearings. This book draws on numerous sources, ancient and modern, to examine what the missteps were that have brought us to a point of such confusion and, in doing so, argues cogently against the modern philosophy of scientific materialism. With the aid of biblical stories and imagery, it suggests how we might find our way back to balance where ancient wisdom and modern science can together shed light on humans and their encompassing reality. Vincent Smiles is professor of theology at Saint John's University, Collegeville, Minnesota.

The Bible and Early Trinitarian Theology Christopher A. Beeley, Mark E. Weedman, 2018-02-09 The past thirty years have seen an unprecedented level of interest in early Christian biblical interpretation, from major scholarly initiatives to more popular resources aimed at pastors and general readers. The fields of Biblical Studies and Patristics, Early Christian Studies, each arrived at the study of early Christian biblical interpretation largely from their own standpoints and they tend to operate in relative isolation from one another. This book aims to bring the two fields into closer conversation in order to suggest new avenues into the study of the deeply biblical dimension of patristic theology as well as the contribution that patristic exegesis can make to contemporary views of how best to interpret the Bible. Based on a multi-year consultation in the Society of Biblical Literature, *The Bible and Early Trinitarian Theology* features leading scholars from both fields who bring new insights to the relationship between patristic exegesis and current strategies of biblical interpretation, specifically with reference to the doctrine of the Trinity. Following an account of how each field came to study patristic exegesis, the book offers new studies of Trinitarian theology in Old Testament, Johannine, and Pauline biblical texts and the patristic interpretation of them, combining the insights of modern historical criticism with classical historical theology. It promises to make a valuable contribution to both fields, suggesting several new avenues into the study of early biblical literature and the development of Trinitarian theology.

Jesus in an Age of Terror James G. Crossley, 2014-12-18 New Testament and Christian origins scholarship have historically been influenced by their political and social context. *Jesus in an Age of Terror* applies the work of critical and media theorists to

contemporary Christian origins and New Testament scholarship Part one examines the influence of the mass media on the writing of contemporary biblical scholars whose political views as demonstrated in their biblio blogging are shown to have striking similarity to the media's depiction of the war on terror and conflict in the Middle East Part two argues that the Anglo American cultural mis representation of Islam as the great enemy has led New Testament and Christian origins scholarship to collude with intellectual defences of the war in Iraq Part three examines the influence of the media's approach to Palestine and Israel on biblical studies exploring the shift towards widespread support for Israel in contemporary scholarship

Reviewing **Lord Jesus Christ Devotion To Jesus In Earliest Christianity**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing. Within the pages of "**Lord Jesus Christ Devotion To Jesus In Earliest Christianity**," an enthralling opus penned by a very acclaimed wordsmith, readers attempt an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
