Lord Macaulay Victorian Liberal:

Lord Macaulay, Victorian Liberal Richmond Croom Beatty, 1938 Bibliographical note p 381 **Lord Macaulay, Victorian Liberal** Richmond Croom Beatty, 1971 **The Journals of Thomas Babington Macaulay** William Thomas, 2024-07-31 Presents the candid diary of Thomas Macaulay Victorian statesman historian and author of *The History of England* This work shows how spanning the period 1838 to 1859 the journal is the longest work from Macaulay's pen It states that these unique manuscripts held at Trinity College Cambridge are most revealing of all his writings **The Journals of Thomas Babington Macaulay Vol 1** William Thomas, 2021-03-24 Presents the candid diary of Thomas Macaulay Victorian statesman historian and author of *The History of England* This work shows how spanning the period 1838 to 1859 the journal is the longest work from Macaulay's pen It states that these unique manuscripts held at Trinity College Cambridge are most revealing of all his writings Volume 1 includes an Introduction and entries for 20 October 1838 12 June 1840 *Macaulay* Jane Millgate, 2022-12-09 First published in 1973 Macaulay explores important aspects of the interrelationship between Macaulay's literary and political careers sets his achievements as an author within the context of his achievements as a public man and examines some of the sources of his popularity and success In doing so it draws extensively on Macaulay's journals and other papers at Trinity College Cambridge and elsewhere The emphases of the book are critical not biographical its essential aims the exploration of the range and quality of Macaulay's writing and the demonstration of the validity of continuing to approach him above all in mature essays and the *History of England* as a narrative artist This book is a must read for students of education history of education and British history **A Literary History of England Vol. 4** A. A. Baugh, 2004-06-02 First published in 1959 The scope of this four volume work makes it valuable as a work of reference connecting one period with another and placing each author clearly in the setting of his time This is the fourth volume and includes the Nineteenth Century and after 1789-1939 **The Conservative Mind** Russell Kirk, 1968 **The Making of the Humanities** Rens Bod, Jaap Maat, Thijs Weststeijn, 2025-10-01 This much awaited second volume investigates the changes in subject method and institutional context of the humanistic disciplines around 1800 offering a wealth of insights for specialists and students alike Point of departure is the pivotal question whether there was a paradigm shift in the humanities around 1800 or whether these changes were part of a much longer process The authors provide an overarching perspective including philology musicology art history linguistics historiography philosophy and literary theory They also make clear that the influence from the East from the Ottoman Empire to China was crucial for the development of the European humanistic disciplines **Biographical Dictionary of Literary Influences** John Powell, 2000-10-30 Over the past two decades the process of cultural development and in particular the role of reading has been of growing interest but recent research has been episodic and idiosyncratic In this biographical dictionary research devoted specifically to the reading habits of 19th century individuals who shaped Western culture is brought together for the

first time While giving prominent coverage to literary and political figures the volume s 270 entries also include musicians painters educators and explorers Each entry includes brief biographical information a concise summary of literary influences on the subject and clear direction for further research The book provides a practical tool for scholars wishing to trace the reading experience of important Western cultural figures Subjects were selected from the people most responsible for the cultural development of Europe Britain and the British Empire and the Americas between 1800 and 1914 Although selective the sample of 270 figures is substantial enough to suggest broad cross cultural habits and effects enabling scholars to better understand the relationship between reading and culture In an introductory essay Powell explores the patterns and relationships that can be discerned from the entries The first of three anticipated volumes the book is an important step forward in researching the role of reading in cultural development **From Plassey to Partition** Śekhara

Bandyopādhyāya,2004 From Plassey to Partition is an eminently readable account of the emergence of India as a nation It covers about two hundred years of political and socio economic turbulence Of particular interest to the contemporary reader will be sections such as Early Nationalism Discontent and Dissension Many Voices of a Nation and Freedom with Partition On the one hand it converses with students of Indian history and on the other it engages general and curious readers Few books on this crucial period of history have captured the rhythms of India s polyphonic nationalism as From Plassey to Partition

The Encyclopedia Americana: M-Mexico ,1961 British liberal internationalism, 1880-1930 Casper Sylvest,2013-07-19 This book explores the development character and legacy of the ideology of liberal internationalism in late nineteenth and early twentieth century Britain Liberal internationalism provided a powerful way of theorising and imagining international relations and it dominated well informed political discourse at a time when Britain was the most powerful country in the world Its proponents focused on securing progress generating order and enacting justice in international affairs Liberal internationalism united a diverse group of intellectuals and public figures and it left a lasting legacy in the twentieth century This book elucidates the roots trajectory and diversity of liberal internationalism focusing in particular on three intellectual languages international law philosophy and history through which it was promulgated Finally it traces the impact of these ideas across the defining moment of the First World War The liberal internationalist vision of the late nineteenth century remained popular well into the twentieth century and forms an important backdrop to the development of the academic study of International Relations in Britain *Making Sense in History* Andrew Szanajda,2007 Making Sense in History provides a guide for history students and teachers This work provides descriptions and analysis of several approaches for writing history While the focus is on how history has been written the methods that are researched in the book are suitable as a reference work for college level history students and teachers It provides an overview of how research has been undertaken and how authors throughout history have written history Most works of this type deal with either the philosophy of history methodology for writing history or historiography This work combines *English Prose of*

the Nineteenth Century Hilary Fraser, Daniel Brown, 2017-07-12 Hilary Fraser provides a comprehensive and thorough survey of English prose in the nineteenth century which draws from a wide variety of fields including art literary theory and criticism biography letters journals sermons and travel reportage Through these works the cultural social literary and political life of the twentieth century a period of great intellectual activity can be charted discussed and assessed For the first time an inclusive critical survey of nineteenth century non fiction is presented that traces the century's ideological and cultural upheavals as they are registered in the literary textures of some of its most widely read and influential writings The book explores the relations between writers who are generally perceived as occupying different discursive spheres for example between John Stuart Mill Florence Nightingale and Mrs Beeton between Cardinal Newman Elizabeth Gaskell and Hannah Cullwick and between Charles Darwin David Livingstone and Henry Mayhew The establishment and development of different genres and their interactions over the century are clearly mapped The genre of the periodical essay a distinctively modern and flexible form catering to the mass readership is the subject of the introduction and then more specialist fields are discussed covering scientific writing travel and exploration literature social reportage biography autobiography journals letters religious and philosophical prose political writing and history **Writing the Victorian Constitution** Ian

Ward, 2018-08-21 This book charts the writing of the English constitution through the work of four of the most influential jurists in the history of English constitutional thought Edmund Burke Thomas Babington Macaulay Walter Bagehot and Albert Venn Dicey Stretching from the French Revolution to the death of Queen Victoria their writing is both representative of and formative to the Victorian constitution Ian Ward traces how constitutional writing changed over the course of the long nineteenth century from the poetics of Burke and the romance of Macaulay to the pragmatism of Bagehot and the jurisprudence of Dicey A century on our perception of the English constitution is still shaped by this contested history

Moderate and Radical Liberalism Nathaniel Wolloch, 2022-01-31 This book provides a new reading of one of the most significant chapters in the history of social and political thought the transition from the late Enlightenment to early liberalism In contrast with prevailing interpretations of the emergence of liberalism which emphasize the conservative liberal reaction of the nineteenth century it presents a more optimistic depiction of how formerly radical principles of the Enlightenment were eventually adopted by the mainstream of moderate early liberalism To substantiate this innovative interpretation the book provides a detailed history of late Enlightenment and early liberal social and political thought on both sides of the Atlantic See inside the book *Nineteenth Century Prose*, 2004 [The Encyclopedia Americana](#), 1962 [The Nation](#), 1907 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1969
