Dhyan Ywahoo,2005-07-13 Legend of the Rainbow Warriors is a journalist's account of one of the core myths of America and an electrifying exploration of how that myth is playing out in real time One dominant myth is formed by advertising images of vast luxurious wealth the myth of materialism Another myth is conjured in the bloody sorrowful images that pervade movies music and computer games the myth that the world is hate filled and chaotic beyond redemption The Legend of the Rainbow Warriors offers a spiritual alternative of hope and real possibility based upon respect freedom and responsibility As drawn from dozens of historical accounts the Legend of the Rainbow Warriors relates that when the Earth becomes desperately sick people of all colors and faiths will unite and rise to face the overwhelming challenges with insight honesty caring sharing and respect Veteran writer Steven McFadden weaves the myths and the headlines together seamlessly in a rich work of literary journalism that is adroitly crafted eye opening and soul inspiring **Journey to Aztlantica** Richard S. Flores,2013-11 THE JOURNEY TO ATLANTICA Aztlantica is the spiritual homeland of the Quetzalcoatl Prophecy The Journey brings forth new insights hidden history and a future in peril The Journey to Aztlantica is a call for renewal and transformation to a new world The Journey expresses concern about the degenerating trajectory of capitalistic systems and their influence on the future stabilities of world societies and governments The old world economic worldview is set to regression and is conducive to social disintegration This book alludes to the need for individuals to prepare themselves to confront and survive the extreme calamities of a future in peril The Journey calls for the

building of an alternative economic system as a way to change the human character and behavior Aztlantica is calling for new social cultural and spiritual models It calls for establishing a respectful and balanced relationship with the natural environment The Journey proposes a new spiritual movement for the new world a religion that would be compatible with the new worldview Aztlantica calls for the refinement and rejuvenation of all cultures in order to promote respect peace balance and harmony around the world The Journey stresses the need to cross over to a new worldview reality It calls for the adoption of the circular worldview of reality In order for humanity to survive adequately into the future and create a sustainable world in which humanity can live prosper and advance individuals must first transform themselves before they can transform the future

intervention from God to end the world as we know it Considering the frequency with which prophecy apparently fails why do prophecies continue to be made and what social functions do they serve This volume gives a concise but comprehensive overview of the rich diversity of prophecy its role in major world religions as well as in new religions and alternative spiritualities its social dynamics and its impact on individuals lives Academic analyses are complimented with contextualized primary source testimonies of those who live and have lived within a prophetic framework The book argues that the key to understanding the more dramatic apocalyptic and millenarian aspects of prophecy is in appreciating prophecy s more mundane manifestations and its role in providing meaning and motivation in everyday life *From the First Rising Sun*
