A Guided Journey: Parenting With Jesus in the Raft Martha Fletcher, 2014-11-04 Parenting is like rafting down a beautiful rushing mountain river that is never the same always changing Just as I could not imagine white water rafting without a guide neither can I

imagine parenting without Jesus Only He knows how to take each parent down each unique river Only He knows His passengers intimately and only He is there at all times to offer guidance on everything from discipline and sibling conflict to facing weaknesses and fears This account of both the inspirational and practical parenting help I received as I cried out to Jesus is written to encourage others to invite Him into their rafts and be their guide for every aspect of their journey down the exhilarating river of parenting     I Saw the Glory Durussia Jenkins,2021-02-13 I Saw the Glory is a true story of Dr Durussia Jenkins encounter with the hand of God Her experiences with the supernatural resulted with writing poetry books and painting over two hundred images in four months time However it was not just the uniqueness of the images and stories she created that intrigued and drew people to them but the experience of how they had been done One night as Dee was painting on the canvas she suddenly fell into a trance like state To anyone on the outside it appeared that she had fallen into a deep sleep but in all actuality she was seeing into the heavenly realms of time images and pictures that would parallel the coming of events to unfold on the earth For weeks night after night Dee encountered the presence of God Each time He revealed new mysteries and unexplainable wonders pointing to great moments in time and unknown moments to come Dee knew that it was not going to be easy to convince people to believe in the images and words that God had spoken but she knew that she had been mandated by God to present the future of His coming glory to the world
