God's Love Is For Us Brian Christiaan,2023-07-14 His love is for you and we must forgive ourselves Life s circumstances trials tribulations and testing of one s faith don t cause anyone to say I know God loves me because of the hardships I m faced with Some of these hardships are survivor s remorse depression the social stigma that comes with mental health as a veteran amputations scars disfigurement drug addiction isolation being socially withdrawn low self esteem and lack of a sense of purpose As soldiers we leave home we serve and many of us come home not knowing where our place is after the military Therefore our sense of self worth is very low Soldiers need encouragement and to be reminded that God loves us and forgiving oneself gives peace to a troubled life even in the middle of life s storms God s Love Is for Us is full of reminders of our need for God s love in our hearts to fuel our faith and to stay in the fight with our fellow brothers and sisters

theres never been a better time to make an about face Its Not Too Late inspires a fresh perspective on building a healthy church *Lest We Forget* Otis Teague,2015-10-28 Purpose draws potential Potential brings to life destiny Understanding you have a purpose is the first brick on the road to destiny Otis Teague This book asked the question is the church the worlds only hope That with all the challenges and changes people are facing within todays society in the game called life when there is an ever increasing need for hope where is the church and has the church simply been sidelined with injuries One of the greater questions is have we lost sight of the things in this world that really matter Do people still matter or has that focus been lost behind all the distractions turmoil and mentalities of how much I can I gain in the here and now A book that speaks to your heart about how much you matter to God letting you know that God loves and that no matter what you have done or where you are in your life that you can make it If you would just get to know him trust that he is a keeper of his word and simply give him a chance to show you yourself The challenges we face are never more than we could handle though we never think about that while we are going through them But after you live through that significant life changing event you should realize and know that nothing can overtake you unless you let it and nothing is greater than the love God has for you

When the Enemy Strikes Charles F. Stanley, 2006-03-12 Your enemy is strong The battle is real Prepare for victory Fear discouragement loneliness anger temptation These struggles are common to every human Yet not all circumstances or negative emotions originate within They could be the result of a willful coordinated assault of Satan In *When the Enemy Strikes* best selling author Dr Charles Stanley explores the often overlooked reality of spiritual warfare the tactics used by Satan to taunt confuse slander and harm Your adversary wants to crush your will delay your promise hinder your destiny destroy your relationships and lead you into sin Dr Stanley reveals how you should respond The most important component of warfare says Dr Stanley is the supremacy of God both His sovereignty and His power Practically this means the battles you face are ultimately allowed by God to bring you to a place of greater reliance on Him His strength crushes the enemy This is a world of conflict between good and evil of powers beyond the merely human The battle is unavoidable but take heart God has given you the strength to stand

Pictures Brad Young, 2023-03-08 Children s books are almost always picture books When there is any uncertainty or confusion regarding the story line children can look at the pictures for clarification The pictures not only help to hold their interest but they can also simplify what might otherwise be a complex and complicated narrative God is continually engaged in the lifelong process of teaching His children Knowing how helpful and useful picture illustrations are in the learning process He has provided us with hundreds of them These pictures have been graciously provided not only to hold our interest as His Word is being taught but more importantly to also simplify what might otherwise be a complex and complicated passage of Scripture In the first section of the book we look at pictures developed by God from the material realm Many of the elements of creation were intended by God not only to make physical life possible and sustainable but also to speak to us about spiritual reality What is visible to us in the material realm explains

the invisible We discover in this section how light darkness water thirst sowing reaping and fire are picture illustrations designed to help us know our creator and better understand His purpose for our lives In the second section of the book we look at various New Testament doctrines and then turn to the people and events of the Old Testament for picture illustrations that clarify the teaching It has been said that for every New Testament principle there is an Old Testament illustration We will see why this may very well be true In the third section of the book we look at what the New Testament teaches about the person of Jesus Christ and about God s plan of salvation for the world Each picture illustration taken from the people and events of the Old Testament is a priceless masterpiece

An Intervening Love Thomas M. Stallter, 2025-05-15 This is the second of two books the first is titled Finding Freedom and Grace in a Broken World A Journey in the Purposes and Providence of God intended to help longtime but tired believers and those at a distance or disenchanted with what they have seen in Christianity to know God better to experience his grace from the inside and to grow deep in their faith and loyalty to the God of the universe The 248 themes here are intended to help readers continue to become what God wants them to be in a broken world trying to make them into something else These words are for people who want to move from Christian routines rituals and information about God to flourishing faith and trust enveloping an ongoing intimate relationship with him in their daily lives For he continues to move in the history of the world he created coming between humankind and the darkness that has settled in offering his welcoming grace to the most unworthy bringing freedom to the oppressed hope to the weary and reigniting the faith of tired Christians It is the story of his intervening love for everyone who wants it Signs of the Times, and Doctrinal Advocate and Monitor ,1897

Fact, Faith, and Experience Watchman Nee, 2002-06 Throughout his life of ministry in service to the Lord Watchman Nee demonstrated a proper balance between knowing the objective truths in the Bible and experiencing the subjective realities contained in the divine relation This book begins with the article Fact faith and experience Subsequent sections contain messages that relate to the topics of fact faith and experience
