Losing The Peace Georgia Republicans:

Losing the Peace Elizabeth Studley Nathans, 1969 The Scalawags James Alex Baggett, 2004-09-01 In *The Scalawags* James Alex Baggett ambitiously uncovers the genesis of scalawag leaders throughout the former Confederacy Using a collective biography approach Baggett profiles 742 white southerners who supported Congressional Reconstruction and the Republican Party He then compares and contrasts the scalawags with 666 redeemer Democrats who opposed and eventually replaced them Significantly he analyzes this rich data by region the Upper South the Southeast and the Southwest as well as for the South as a whole Baggett follows the life of each scalawag before during and after the war revealing real personalities and not mere statistics Examining such features as birthplace vocation estate slaveholding status education political antecedents and experience stand on secession war record and postwar political activities he finds striking uniformity among scalawags This is the first Southwide study of the scalawags its scope and astounding wealth in quantity and quality of sources make it the definitive work on the subject **Blacks, Carpetbaggers, and Scalawags** Richard L. Hume, Jerry B. Gough, 2008-10-01 After the Civil War Congress required ten former Confederate states to rewrite their constitutions before they could be readmitted to the Union An electorate composed of newly enfranchised former slaves native southern whites minus significant numbers of disenfranchised former Confederate officials and a small contingent of carpetbaggers or outside whites sent delegates to ten constitutional conventions Derogatorily labeled black and tan by their detractors these assemblies wrote constitutions and submitted them to Congress and to the voters in their respective states for approval *Blacks Carpetbaggers and Scalawags* offers a quantitative study of these decisive but little understood assemblies the first elected bodies in the United States to include a significant number of blacks Richard L Hume and Jerry B Gough scoured manuscript census returns to determine the age occupation property holdings literacy and slaveholdings of 839 of the conventions 1 018 delegates Carefully analyzing convention voting records on certain issues including race suffrage and government structure they correlate delegates voting patterns with their racial and socioeconomic status The authors then assign a Republican support score to each delegate who voted often enough to count establishing the degree to which each delegate adhered to the Republican leaders program at his convention Using these scores they divide the delegates into three groups radicals swing voters and conservatives and incorporate their quantitative findings into the narrative histories of each convention providing for the first time a detailed analysis of these long overlooked assemblies Hume and Gough s comprehensive study offers an objective look at the accomplishments and shortcomings of the conventions and humanizes the delegates who have until now been understood largely as stereotypes *Blacks Carpetbaggers and Scalawags* provides an essential reference guide for anyone seeking a better understanding of the Reconstruction era *The Scalawag In Alabama Politics, 1865-1881* Sarah Woolfolk Wiggins, 1977-07-30 Who was this scalawag Simply a native white Alabama Republican Scorned by his fellow white Southerners he suffered in his desire for socioeconomic reform and political power more than

mere verbal abuse and social ostracism he lived constantly under the threat of physical violence When first published in 1977 Wiggin's treatment of the scalawag was the first book length study of scalawags in any state and it remains the most thorough treatment According to The Journal of American History this is the most effective challenge to the scalawag stereotype yet to appear

Ambiguous Lives Adele Logan Alexander, 1992-02-01 1992 Myers Center Outstanding Book on Human Rights Historians have produced scores of studies on white men extraordinary white women and even the often anonymous mass of enslaved Black people in the United States But in this innovative work Adele Logan Alexander chronicles there heretofore undocumented dilemmas of one of nineteenth century America's most marginalized groups free women of color in the rural South Ambiguous Lives focuses on the women of Alexander's own family as representative of this subcaste of the African American community Their forbears in fact included Africans Native Americans and whites Neither black nor white affluent nor impoverished enslaved nor truly free these women of color lived and died in a shadowy realm situated somewhere between the legal social and economic extremes of empowered whites and subjugated blacks Yet as Alexander persuasively argues these lives are worthy of attention precisely because of these ambiguities because the intricacies gradations and subtleties of their anomalous experience became part of the tangled skein of American history and exemplify our country's endless diversity complexity and self contradictions Written as a reclamation of a long ignored substratum of our society Ambiguous Lives is more than the story of one family it is a well researched and fascinating profile of America's race and gender relations and its complex cultural weave

Emma Spaulding Bryant Emma Frances Spaulding Bryant, 2004 In this collection of letters Emma's writings reveal a woman of determination faith and integrity who embraced her own causes of women's rights and temperance while maintaining full support for her husband's controversial agenda Covering her life in Buckfield Maine from her marriage to a captain in the Eighth Maine Infantry to her move to Georgia as the wife of one of the prominent figures in Reconstruction politics the letters open a window on what life was like for an intelligent independent woman during three of America's most turbulent decades Jacket

Black Politicians and Reconstruction in Georgia Edmund L. Drago, 1992 This widely hailed study examines the reasons behind the quick demise of Radical Reconstruction in Georgia Edmund L. Drago shows that a primary factor was ironically the extraordinary fairness on the part of the state's black leaders in dealing with their former masters Lacking the sizable and experienced antebellum free black class that existed in such states as South Carolina and Louisiana Georgia's former slaves turned to their ministers for political leadership Otherworldly and fatalistic the ministers preached a message in which all people even slaveholders were deserving of God's mercy Translated into politics this message quickly and predictably brought disaster Shortly after the black delegation to the state constitutional convention of 1867 1868 refused to support a provision guaranteeing blacks the right to hold office blacks were expelled from the state legislature Only then did the minister politicians realize that they would have to become more militant and black oriented if they were to challenge white supremacy Propelled by this

newfound toughness they were soon able to achieve a limited success by bringing about the Second Reconstruction of Georgia In the preface to this new edition Drago surveys recent writing on Reconstruction and drawing upon his own research on black leadership in South Carolina compares experiences in that state to those in Georgia It is time he says to give greater consideration to the role black women played in shaping politics and to the emergence of a black conservative political tradition He also suggests that revisionists in reacting to the racism in traditional histories have sometimes glossed over issues of corruption and the black politician

When the War Was Over Dan T. Carter, 1985-04-01 In the months after Appomattox the South was plunged into a chaos that surpassed even the disorder of the last hard months of the war itself Peace brought if anything an increased level of violence to the region as local authorities of the former Confederacy were stripped of their power and the returning foot soldiers of the defeated army hungry and without hope raided the already impoverished countryside for food and clothing In the wake of the devastation that followed surrender even some of the most virulent Yankee haters found themselves relieved as the Union army began to bring a small level of order to the lawless southern terrain Dan T Carter s *When the War Was Over* is a social and political history of the two years following the surrender of the Confederacy the so called period of Presidential Reconstruction when the South under the watchful gaze of Congress and the Union army attempted to rebuild its shattered society and economic structure Working primarily from rich manuscript sources Carter draws a vivid portrait of the political leaders who emerged after the war a diverse group of men former loyalists as well as a few mildly repentant fire eaters who in some cases genuinely sought to find a place in southern society for the newly emancipated slaves but who in many other cases merely sought to redesign the boundaries of black servitude Carter finds that as a group the politicians who emerged in the postwar South failed critically in the test of their leadership Not only were they unable to construct a realistic program for the region s recovery a failure rooted in their stubborn refusal to accept the full consequences of emancipation but their actions also served to exacerbate rather than allay the fears and apprehensions of the victorious North Even so Carter reveals these leaders were not the monsters that many scholars have suggested they were and it is misleading to dismiss them as racists and political incompetents In important ways they represented the most constructive creative and imaginative response that the white South overwhelmed with defeat and social chaos had to offer in 1865 and 1866 Out of their efforts would come the New South movement and with it the final downfall of the plantation system and the beginnings of social justice for the freed slaves

The Impeachment and Trial of Andrew Johnson Michael Les Benedict, 1999 Probes into the efforts to remove Johnson from the presidency and details the results of the impeachment trial

Black Conservatism Peter Eisenstadt, 2013-09-13 This volume is the first comprehensive examination of African American conservative thought and politics from the late eighteenth century to the present The essays in the collection explore various aspects of African American conservatism including biographical studies of abolitionist James Forten clergymen Henry McNeal Turner and J H Jackson and activists A Philip Randolph and Bayard

Rustin Thematic essays in the volume consider southern black conservatism in the late nineteenth century and after World War I African American success manuals Ellisonian cultural criticism the Nation of Islam and African Americans and the Republican Party after 1964 **The Union League Movement in the Deep South** Michael W. Fitzgerald,2000-10-01 Led by a coalition of blacks and whites with funding from congressional radicals the Union League was a secret society whose express purpose was to bring freedmen into the political arena after the Civil War Angry and resentful of the lingering vestiges of the plantation system freedmen responded to the League s appeals with alacrity and hundreds of thousands joined local chapters speaking and acting collectively to undermine the residual trappings of slavery in plantation society League actions nurtured instability in the work force which eventually compelled white planters to relinquish direct control over blacks encouraging the evolution from gang labor to decentralized tenancy in the southern agricultural system as well as the emergence of the Ku Klux Klan In this impressive work the first full scale study of the effect the Union League had on the politicization of black freedmen Michael W Fitzgerald explores the League s influence in Alabama and Mississippi and offers a fresh and original treatment of an important and heretofore largely misunderstood aspect of Reconstruction history

Under the Guardianship of the Nation Paul A. Cimbala,2003-03-01 The Freedmen s Bureau was an extraordinary agency established by Congress in 1865 born of the expansion of federal power during the Civil War and the Union s desire to protect and provide for the South s emancipated slaves Charged with the mandate to change the southern racial status quo in education civil rights and labor the Bureau was in a position to play a crucial role in the implementation of Reconstruction policy The ineffectiveness of the Bureau in Georgia and other southern states has often been blamed on the racism of its northern administrators but Paul A Cimbala finds the explanation to be much more complex In this remarkably balanced account he blames the failure on a combination of the Bureau s northern free labor ideology limited resources and temporary nature as well as deeply rooted white southern hostility toward change Because of these factors the Bureau in practice left freedpeople and ex masters to create their own new social political and economic arrangements **A Nation under Our Feet** Steven Hahn,2005-04-30 This is the epic story of how African Americans in the six decades following slavery transformed themselves into a political people an embryonic black nation As Hahn demonstrates rural African Americans were central political actors in the great events of disunion emancipation and nation building Urban Emancipation Michael W. Fitzgerald,2002-09-01 Scholars of Reconstruction have generally described Republican party factional conflicts in racial terms as if the Radical agenda evoked unified black support As Michael W Fitzgerald shows in the first major study of black popular politics in the urban South in the years surrounding the Civil War that depiction oversimplifies a contentious and often overlooked intraracial dynamic Republican political power he argues heightened divisions within the African American community divisions that were ultimately a major factor in the failure of Reconstruction Focusing on Mobile the Confederacy s fourth largest city Fitzgerald traces how the rivalry between longtime black residents and destitute freedmen

fleeing the countryside yielded a startlingly antagonistic political scene He demonstrates that the Republican factionalism that helped doom Reconstruction went beyond competing cliques of white officeholders Boldly challenging reigning theories about the nature of post Civil War politics Urban Emancipation will spark historical debate for years to come *Savannah's Midnight Hour* Lisa L. Denmark, 2019-12-15 Savannah's Midnight Hour argues that Savannah's development is best understood within the larger history of municipal finance public policy and judicial readjustment in an urbanizing nation In providing such context Lisa Denmark adds constructive complexity to the conventional Old South New South dichotomous narrative in which the politics of slavery secession Civil War and Reconstruction dominate the analysis of economic development Denmark shows us that Savannah's fiscal experience in the antebellum and postbellum years while exhibiting some distinctively southern characteristics also echoes a larger national experience Her broad account of municipal decision making about improvement investment throughout the nineteenth century offers a more nuanced look at the continuity and change of policies in this pivotal urban setting Beginning in the 1820s and continuing into the 1870s Savannah's resourceful government leaders acted enthusiastically and aggressively to establish transportation links and to construct a modern infrastructure Taking the long view of financial risk the city municipal government invested in an ever widening array of projects canals railroads harbor improvement drainage because of their potential to stimulate the city's economy Denmark examines how this ideology of over optimistic risk taking rooted firmly in the antebellum period persisted after the Civil War and eventually brought the city to the brink of bankruptcy The struggle to strike the right balance between using public policy and public money to promote economic development while at the same time trying to maintain a sound fiscal footing is a question governments still struggle with today *The Facts of Reconstruction* Eric Anderson, Alfred A. Moss, Jr., 1991-05-01 Thirty years after the publication of John Hope Franklin's influential interpretative essay *Reconstruction After the Civil War* ten distinguished scholars have contributed to a new appraisal of Reconstruction scholarship Recognizing Professor Franklin's major contributions to the study of the Reconstruction era their work of analysis and review has been dedicated to him Although most of the contributors studied with John Hope Franklin *The Facts of Reconstruction* is not a festschrift at least not the conventional sense The book does not offer a comprehensive assessment of Franklin's remarkably wide ranging work in southern and Afro American history but instead engages his influential interpretation of Reconstruction The essays in *The Facts of Reconstruction* focus upon questions raised in *Reconstruction After the Civil War* Was southern white intransigence the decisive influence in Presidential Reconstruction What as the role of violence in southern redemption How successful were the educational experiments of the Reconstruction era Why did southern Republicans fail to build an effective coalition capable of surviving the pressure of racism In addition several essays discuss questions not directly addressed in Franklin's book since his pathbreaking work indirectly stimulated study in a variety of new areas For example contributors to *The Facts of Reconstruction* examine the ante bellum origins of Reconstruction evaluate the development of

racial segregation during the late nineteenth century analyze the political and legal ideas behind the Reconstruction debates and study the prospering minority among blacks Representing a variety of perspectives the authors have sought to follow John Hope Franklin s admonition that Reconstruction should not be used as a mirror of ourselves If they have succeeded this book in honor of a profound scholar and inspiring teacher will provoke new discussion about the facts of Reconstruction

The Dunning School John David Smith,J. Vincent Lowery,2013-11-15 From the late nineteenth century until World War I a group of Columbia University students gathered under the mentorship of the renowned historian William Archibald Dunning 1857 1922 Known as the Dunning School these students wrote the first generation of state studies on the Reconstruction volumes that generally sympathized with white southerners interpreted radical Reconstruction as a mean spirited usurpation of federal power and cast the Republican Party as a coalition of carpetbaggers freedmen scalawags and former Unionists Edited by the award winning historian John David Smith and J Vincent Lowery The Dunning School focuses on this controversial group of historians and its scholarly output Despite their methodological limitations and racial bias the Dunning historians writings prefigured the sources and questions that later historians of the Reconstruction would utilize and address Many of their pioneering dissertations remain important to ongoing debates on the broad meaning of the Civil War and Reconstruction and the evolution of American historical scholarship This groundbreaking collection of original essays offers a fair and critical assessment of the Dunning School that focuses on the group s purpose the strengths and weaknesses of its constituents and its legacy Squaring the past with the present this important book also explores the evolution of historical interpretations over time and illuminates the ways in which contemporary political racial and social questions shape historical analyses

Struggle for Mastery Michael Perman,2003-04-03 Around 1900 the southern states embarked on a series of political campaigns aimed at disfranchising large numbers of voters By 1908 Alabama Arkansas Georgia Louisiana Mississippi North Carolina South Carolina Tennessee Texas and Virginia had succeeded in depriving virtually all African Americans and a large number of lower class whites of the voting rights they had possessed since Reconstruction rights they would not regain for over half a century Struggle for Mastery is the most complete and systematic study to date of the history of disfranchisement in the South After examining the origins and objectives of disfranchisement Michael Perman traces the process as it unfolded state by state Because he examines each state within its region wide context he is able to identify patterns and connections that have previously gone unnoticed Broadening the context even further Perman explores the federal government s seeming acquiescence in this development the relationship between disfranchisement and segregation and the political system that emerged after the decimation of the South s electorate The result is an insightful and persuasive interpretation of this highly significant yet generally misunderstood episode in U S history

African American Preachers and Politics Dennis C. Dickerson,2010-12-01 During most of the twentieth century Archibald J Carey Sr 1868 1931 and Archibald J Carey Jr 1908 1981 father and son exemplified a blend of ministry and

politics that many African American religious leaders pursued Their sacred and secular concerns merged in efforts to improve the spiritual and material well being of their congregations But as political alliances became necessary both wrestled with moral consequences and varied outcomes Both were ministers to Chicago s largest African Methodist Episcopal Church congregations the senior Carey as a bishop and the junior Carey as a pastor and an attorney Bishop Carey associated himself mainly with Chicago mayor William Hale Thompson a Republican whom he presented to black voters as an ally When the mayor appointed Carey to the city s civil service commission Carey helped in the hiring and promotion of local blacks But alleged impropriety for selling jobs marred the bishop s tenure The junior Carey also a Republican and an alderman became head of the panel on anti discrimination in employment for the Eisenhower administration He aided innumerable black federal employees Although an influential benefactor of CORE and SCLC Carey associated with notorious FBI director J Edgar Hoover and compromised support for Martin Luther King Jr Both Careys believed politics offered clergy the best opportunities to empower the black population Their imperfect alliances and mixed results however proved the complexity of combining the realms of spirituality and politics Faithful, Firm, and True Titus Brown,2002 In this book the author traces the dual roles of the northern American Missionary Association AMA and the African American community of Macon Georgia in their joint effort to provide education to blacks in central Georgia He places the history of African American education in Macon in the context of the national debate over what kind of education best served the black community and what roles blacks should play in the nation s social political and economic life

Losing The Peace Georgia Republicans Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Losing The Peace Georgia Republicans PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Losing The Peace Georgia Republicans PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while

supporting the authors and publishers who make these resources available. In conclusion, the availability of Losing The Peace Georgia Republicans free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Losing The Peace Georgia Republicans Books

What is a Losing The Peace Georgia Republicans PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Losing The Peace Georgia Republicans PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Losing The Peace Georgia Republicans PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Losing The Peace Georgia Republicans PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Losing The Peace Georgia Republicans PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?

Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
