Leadership Re Visioned Cast a vision set a strategy rally the troops and take the hill you don't need another book to rehash the well worn principles of modern leadership But if you're looking for something different something that approaches leadership as an art as well as a science inspires hope and expectation in those of us who aren't born leaders challenges those with leadership roles to explore new possibilities then Leonard Sweet wants to help you discover a very different kind of leadership vision It's one you hear if your ears are open and it could summon you at any time When you respond the puzzle pieces of who you are will fit together into a leader others follow because you've answered a call not trained for a position The church has it all wrong It is trying to train leaders Instead it ought to train everyone to listen and to develop their own soundtrack Leaders don't see a vision says Sweet they hear one Sound becomes sight Leaders hear life For a sonogram of acoustic leadership Sweet takes us inside the incredible account of Sir Ernest Shackleton the celebrated polar explorer who led his entire crew of twenty seven from disaster in the Antarctic to safety Called the greatest leader that ever came on God's earth bar none Shackleton objectifies the goals of Sweet's own exploration in search of wisdom for today and tomorrow's truly compelling voice activated leaders Right now you may be leading many people or just yourself But who knows what tomorrow or a minute from now will call forth in you Are your ears open *Soulsunami* Leonard Sweet, 2009-10-14

workshops Feed Your Body, Feed Your Soul Ara Wiseman, 2014-10-02 Wholesome food has healing properties and when we purify our diet a number of healing reactions may begin to arise from unresolved past experiences and strong emotions. These emotions get stored in our organs and connective tissue as emotional scar tissue creating energy blockages that lead to pain. In Feed Your Body Feed Your Soul author Ara Wiseman outlines how eating the right amount of pure nutritious food can help begin to release and eliminate these unresolved emotions we have stored and carry around with us. Our bodies are very forgiving and when we stop our harmful habits and behaviors and replace them with healthier ones nature can give us a whole new opportunity for a wondrous life. Somewhere deep inside we all yearn for emotional balance and hope to find peace with the most fundamental necessity of life: our nourishment. Between the covers of this book Ara shows us how. In her book Feed Your Body Feed Your Soul Ara Wiseman gives us an intimate glimpse into her own journey towards wholeness. She provides the essential building blocks for good nutritive practices but more importantly places this useful information into a wholistic context. In the process of developing her themes Ara provides liberal sprinklings of philosophical spices and condiments to enliven the dish. These quotations, aphorisms and affirmations from mystics and spiritual philosophers inspire us to take a loving look at ourselves and give us the courage to choose a nourishing and healing path. Dr. Anthony Godfrey, PhD, ND, author of Deep Immunity, Ara Wiseman has written a multi-dimensional book that not only shows us the way to excellent physical health but also the process of wholeness in relationships. From Thorpe A Course In Weight Loss Marianne Williamson, 2012-01-01 The New York Times bestseller now with a new Introduction by the author. If your weighty thinking does not change then even if you lose weight you'll retain an overwhelming subconscious urge to gain it back. It's less important how quickly you lose weight and more important how holistically you lose weight. You want your mind, your emotions and your body to all lose weight. Weight that disappears from your body but not from your soul is simply recycling outward for a while but is almost certain to return. It's self-defeating therefore to struggle to drop excess weight unless you are also willing to drop the thought forms that initially produced it and now hold it in place. Marianne Williamson. What is the connection between spirituality and weight loss? Best selling author Marianne Williamson is about to answer that question for you in her groundbreaking book bringing you 21 spiritual lessons to help you surrender your weight forever. These lessons form a holistic paradigm for weight loss addressing

the spiritual emotional and psychological elements involved in what Williamson refers to as conscious weight loss If you are a food addict a compulsive eater or someone who for any reason sees food as the enemy this book is for you A Course in Weight Loss addresses the true causal root of your weight loss issues a place within you where you have forgotten your divine perfection This forgetfulness has confused not only your mind but also your body making you reach for that which cannot sustain you and reject that which does As your mind reclaims its spiritual intelligence your body will reclaim its natural intelligence as well The 21 lessons in this book will take you on a deep sacred journey One step at a time you will learn to shift your relationship with yourself and your body from one of fear to one of love And you will begin to integrate the various parts of yourself mind body and spirit to become once again and in all ways the beautiful and peaceful person you were created to be As Williamson writes When it comes to your enjoyment of eating your best days are not behind you but ahead of you So get ready to begin a new relationship with food and with yourself *International Books in Print* ,1986
