The Poet-Physician Donald C. Goellnicht, 2010-11-23 For six years of his brief life Keats studied medicine first as an apprentice in Edmonton and then as a medical student at Guy s Hospital in London His biographers have generally glossed over this period of his life and critics have ignored it and denied the influence of medical training on his poetry and thought In this challenging reappraisal Goellnicht argues that Keats writings reveal a distinct influence of science and medicine Goellnicht researches Keats course work and texts to reconstruct the milieu of the early nineteenth century medical student He then explores the scientific resonances in Keats individual works and convincingly shows the influence of his early medical training
