BOOK JACKET Strange Duets Kim Marra, 2009-05 Autocratic male impresarios increasingly dominated the American stage between 1865 and 1914 Many rose from poor immigrant roots and built their own careers by making huge stars out of undiscovered Anglo identified actresses Reflecting the antics of self made

industrial empire builders and independent challenging New Women these theatrical potentates and their protégés gained a level of wealth and celebrity comparable to that of Hollywood stars today In her engaging and provocative *Strange Duets* Kim Marra spotlights three passionate impresario actress relationships of exceptional duration that encapsulated the social tensions of the day and strongly influenced the theatre of the twentieth century Augustin Daly and Ada Rehan Charles Frohman and Maude Adams and David Belasco and Mrs Leslie Carter reigned over legitimate Broadway theatre the venue of greatest social cachet for the monied classes Unlike impresarios and actresses in vaudeville and burlesque they produced full length spoken drama that involved special rigors of training and rehearsal to sustain a character's emotional truth as well as a high level of physical athleticism and endurance Their efforts compelled fascination at a time when most people believed women's emotions were seated primarily in the reproductive organs and thus were fundamentally embodied and sexual in nature While the impresario ostensibly exercised full control over his leading lady showing fashionable audiences that the exciting but unruly New Woman could be both tamed and enjoyed she acquired a power of her own that could bring him to his knees Kim Marra combines methods of cultural gender and sexuality studies with theatre history to explore the vexed mutual dependency between these status seeking Svengalis and their alternately willing and resistant leading ladies She illuminates how their on and off stage performances highly charged in this Darwinian era with racial as well as gender sexual and class dynamics tapped into the contradictory fantasies and aspirations of their audiences Played out against a backdrop of enormous cultural and institutional transformation the volatile romance of Daly and Rehan closeted homosexuality of Frohman and Adams and carnal expiations of Belasco and Carter produced strange duets indeed

Actors, Audiences, and Historic Theaters of Kentucky Marilyn

Casto, 2021-12-14 Kentucky emerged as a prime site for theatrical activity in the early nineteenth century. Most towns, even quite small ones, constructed increasingly elaborate opera houses which stood as objects of local pride and symbols of culture. These theaters often hosted amateur performances, providing a forum for talent and a focus for community social life. As theatrical attendance rose, performance halls began offering everything from drama to equestrian shows to burlesque. Today many architects believe that the design of a theater should not detract from the stage or screen. Marilyn Casto shows that nineteenth-century Kentucky audiences, however, not only expected elaborate decor but considered it a delightful part of the theatergoing experience. Embellished arches and painted and gilded walls and ceilings enhanced the theatricality of the performance while adding to the excitement of an evening out. In *Actors, Audiences, and Historic Theaters of Kentucky*, Casto investigates the social and architectural history of Kentucky theaters, paying special attention to the actors who performed in them and the audiences who saw it all. A captivating glimpse into a disappearing slice of American popular culture, her work examines what people considered entertaining, what they hoped to gain from theatergoing, and how they chose and experienced the theaters' architectural settings. In the social and physical design of these theaters, Casto explores nearly two centuries of the state's and nation's cultural history.

George Gershwin Howard Pollack, 2007-01-15 This comprehensive biography of George Gershwin (1898-1937) unravels the myths surrounding one of America's most celebrated composers and establishes the enduring value of his music. Gershwin created some of the most beloved music of the twentieth century, and along with Jerome Kern, Irving Berlin, and Cole Porter, helped make the golden age of Broadway golden. Howard Pollack draws from a wealth of sketches, manuscripts, letters, interviews, books, articles, recordings, films, and other materials, including a large cache of Gershwin scores discovered in a Warner Brothers warehouse in 1982, to create an expansive chronicle of Gershwin's meteoric rise to fame. He also traces Gershwin's powerful presence that even today extends from Broadway jazz clubs and film scores to symphony halls and opera houses. Pollack's lively narrative describes Gershwin's family, childhood, and education; his early career as a pianist; his friendships and romantic life; his relation to various musical trends; his writings on music; his working methods; and his tragic death at the age of 38. Unlike Kern, Berlin, and Porter, who mostly worked within the confines of Broadway and Hollywood, Gershwin actively sought to cross the boundaries between high and low and wrote works that crossed over into a realm where art music, jazz, and Broadway met and merged. The author surveys Gershwin's entire oeuvre from his first surviving compositions to the melodies that his

brother and principal collaborator Ira Gershwin lyricized after his death Pollack concludes with an exploration of the performances and critical reception of Gershwin's music over the years from his time to ours
