

The background of the cover art features a man with a serious expression, wearing a dark blue military-style uniform with gold epaulettes and buttons. He is holding a glowing purple orb with both hands. Behind him is a large, dark, gothic-style castle with multiple towers and spires, set against a night sky with a full moon and clouds. The ground in the foreground is covered in a complex, glowing blue and yellow maze pattern.

The Labyrinth of Time Anthony Peake, 2017-07-19 Time is one of life's great mysteries From sand passing through an hourglass to time's winged chariot hurrying near we often perceive it as an unrelenting force which exists outside of ourselves And yet anyone who remembers the long summers of childhood or has sat watching an agonisingly slow ticking clock feels that time is elastic So which is it Anthony Peake puts forward an incredible hypothesis about the relationship between time and consciousness His theory explains many enigmatic phenomena including d j vu precognition near death experience and altered states Building upon the ideas of his groundbreaking *Is There Life After Death* and drawing upon a remarkable breadth of science philosophy and literature his utterly compelling theory may change the way you view your life forever Praise for Anthony Peake Peake has the gift to explain complex theories in simple words Evelyn Elsaesser Valarino author of *Lessons from the Light* I found Peak's theory to be as thought provoking an exhilarating as a great film Colin Wilson author of *The Outsider*

Echoes of Loss Pasquale De Marco, 2025-08-10 In *Echoes of Loss* renowned author Pasquale De Marco invites you on a profound and introspective journey through the depths of memory grief and hope Through a collection of thought provoking essays this book explores the complexities of human experience the challenges we face and the resilience that resides within us all Delving into the shadows of childhood *Echoes of Loss* uncovers the wounds that linger and the bonds that sustain us It examines the crossroads of decisions where the weight of choice can shape our destiny and confronts the echoes of loss the profound pain of absence and the transformative power of healing Along the way this book explores the masks we wear the facades we construct to hide our true selves It invites readers to embark on journeys of self discovery confronting hidden truths and embracing authenticity And it delves into the symphony of life the interconnectedness of all things and the importance of finding balance and gratitude Through these introspective explorations *Echoes of Loss* reveals the lessons that loss can teach us the strength that can emerge from adversity and the hope that can guide us through even the darkest of times For in the echoes of our past we find not only the pain of what was lost but also the seeds of resilience growth and the promise of a brighter future *Echoes of Loss* is a book for

anyone who has ever experienced the pain of loss the challenges of life or the desire for a deeper understanding of the human experience It is a book that offers solace inspiration and hope reminding us that even in the face of adversity we are capable of finding resilience growth and a profound connection to the world around us If you like this book write a review

Out of a labyrinth Emma M. Van Deventer,1887 *Labyrinth* A.G. Riddle,2025-10-21 From the bestselling author of *Lost in Time* and *Quantum Radio* comes a new mind bending thriller a group of strangers with tinnitus begins seeing numbers numbers they soon realize are a code that will change the world Alan Norris has lost everything Except for his daughter And he s willing to do anything to protect her The day of his wife s funeral as he s walking to give the eulogy the ringing in his ears starts His tinnitus began when he was in the Marines the day a roadside bomb went off Usually it s a low whine a tea kettle that never quite boils But as his prosthetic and his good leg sink into the soggy grass the ringing changes That afternoon the ringing only he can hear sounds like three jagged rocks dropped in a tin can and shaken When the rattling hits a crescendo he sees a series of numbers 12122518914208 He assumes it s a stress reaction A hallucination He s wrong about that And several other things The ringing and the numbers are a mystery but the worst part is that when that unseen hand shakes the can Alan begins to lose time A few minutes at first Then longer Until one night he wakes up next to a dead body He could call the police Or run He doesn t do either Because he doesn t know what happened to his daughter during the time he lost leaving him no choice but to dig deeper Alan soon discovers he s not the only one seeing the numbers And that the sequence is key to a conspiracy with far reaching consequences For him and the entire world **Through the**

Labyrinth Alice H. Eagly,Linda L. Carli,2007-10-16 Despite real progress women remain rare enough in elite positions of power that their presence still evokes a sense of wonder In *Through the Labyrinth* Alice Eagly and Linda Carli examine why women s paths to power remain difficult to traverse First Eagly and Carli prove that the glass ceiling is no longer a useful metaphor and offer seven reasons why They propose the labyrinth as a better image and explain how to navigate through it This important and practical book addresses such critical questions as How far have women actually come as leaders Do stereotypes and prejudices still limit women s opportunities Do people resist women s leadership more than men s And do organisations create obstacles to women who would be leaders This book s rich analysis is founded on scientific research from psychology economics sociology political science and management The authors ground their conclusions in that research and invoke a wealth of engaging anecdotes and personal accounts to illustrate the practical principles that emerge With excellent leadership in short supply no group organisation or nation can afford to restrict women s access to leadership roles This book evaluates whether such restrictions are present and when they are what we can do to eliminate them
