Lost Oasis The True Story Behind The English Patient:

The Lost Oasis Saul Kelly, 2009-04-20 The Lost Oasis tells the true story behind The English Patient An extraordinary episode in World War II it describes the Zerzura Club a group of desert explorers and adventurers who indulged in desert travel by early model motor cars and airplanes and who searched for lost desert oases and ancient cities of vanished civilizations In reality they were mapping the desert for military reasons and espionage The club's members came from countries that soon would be enemies England and the Allied Forces v Italy and Germany When war erupted in 1939 Ralph Bagnold founded the British Long Range Desert Group to spy on and disrupt Rommel's advance on Cairo while a fellow club member Hungarian Count Almásy succeeded in placing German spies there Ultimately the British prevailed Saul Kelly's riveting history draws on interviews with survivors and previously unknown documentary material in England Italy Germany Hungary and Egypt His book reads like a thriller with one key difference it's all true

The Secret War for the Middle East Youssef Aboul-Enein, 2013-10-15 It can be argued that the Middle East during the World War II has been regarded as that conflict's most overlooked theater of operations Though the threat of direct Axis invasion never materialized beyond the Egyptian Western Desert with Rommel's Afrika Korps this did not limit the Axis from probing the Middle East and cultivating potential collaborators and sympathizers These actions left an indelible mark in the socio-political evolution of the modern states of the Middle East This book explores the infusion of the political language of anti-Semitism nationalism fascism and Marxism that were among the ideological byproducts of Axis and Allied intervention in the Arab world The status of British dominated Middle East was tailor made for exploitation by Axis intelligence and propaganda German and Italian intelligence efforts fueled anti-British resentments their influence shaped the course of Arab nationalist sentiments throughout the Middle East A relevant parallel to the pan-Arab cause was Hitler's attempt to bring ethnic Germans into the fold of a greater German state In theory as the Sudeten German stood on par with the Carpathian German so too according to doctrinal theory did the Yemeni stand in union with the Syrian in the imagination of those espousing pan-Arabism As historic evidence demonstrates this very commonality proved to be a major factor in the development of relations between Arab and Fascist leaders The Arab nationalist movement amounted to nothing more than a shapeless fragmented counter position to British imperialism imported to the Arab East via Berlin for Nazi aspirations

Choice ,2004 *African Business* ,2002 Library Journal ,2003 **Cartographic Strategies of Postmodernity** Peta Mitchell,2013-01-11 The last fifty years have witnessed the growing pervasiveness of the figure of the map in critical theoretical and fictional discourse References to mapping and cartography are endemic in poststructuralist theory and similarly geographically and culturally diverse authors of twentieth century fiction seem fixated upon mapping While the map metaphor has been employed for centuries to highlight issues of textual representation and epistemology the map metaphor itself has undergone a transformation in the postmodern era This metamorphosis draws together poststructuralist conceptualizations of epistemology textuality cartography and metaphor and signals a shift away from modernist preoccupations with temporality and objectivity to a postmodern pragmatics of spatiality and subjectivity

Cartographic Strategies of Postmodernity charts this metamorphosis of cartographic metaphor and argues that the ongoing reworking of the map metaphor renders it a formative and performative metaphor of postmodernity

Make the most of your time with *The Rough Guide to Egypt*. **The Literary Review**, 2002. *The Lost Oasis* Saul Kelly, 2005. Marco Polo Didn't Go There Rolf Potts, 2009-04-01. *Marco Polo Didn't Go There* is a collection of rollicking travel tales from a young writer. USA Today has called Jack Kerouac for the Internet Age. For the past ten years, Rolf Potts has taken his keen postmodern travel sensibility into the far fringes of five continents for such prestigious publications as National Geographic, Traveler, Salon.com and The New York Times Magazine. This book documents his boldest, funniest and most revealing journeys: from getting stranded without water in the Libyan desert to crashing the set of a Leonardo DiCaprio movie in Thailand to learning the secrets of Tantric sex in a dubious Indian ashram. *Marco Polo Didn't Go There* is more than just an entertaining journey into fascinating corners of the world. The book is a unique window into travel writing, with each chapter containing a commentary track, endnotes that reveal the ragged edges behind the experience and creation of each tale. Offbeat and insightful, this book is an engrossing read for students of travel writing as well as armchair wanderers. *The Publishers Weekly*, 2003. Sacred Places in Comparative (Post-)Colonial Writing Rosanna Masiola, Matteo Baraldo, 2025-11-13. This book presents a distinctive viewpoint on the significance of sacred spaces in postcolonial literature while illuminating the diasporic narrative of regions often overlooked in Pan-African literary studies. By challenging the main trends that have benefited countries such as Nigeria, Kenya and South Africa, Rosanna Masiola and Matteo Baraldo bring together multiple faiths, literary genres and narratives in diachronic and comparative critical perspectives from Egypt, Ethiopia and Libya. Masiola and Baraldo focus on historical authors and the rise of contemporary writers in the diaspora from a cross-cultural and comparative perspective. By examining writers such as Ahmad Shawqi, Ibrahim al-Kuni, Sahle Sellassie Nega, Mezmekia Maaza Mengiste and Gabriella Ghermandi, this book seeks to connect the reader to a mystical dimension of diasporic postcolonial literature.
