Lost Puritan A Life Of Robert Lowell:

Lost Puritan Paul L. Mariani, 1994 National Book Award nominee Paul Mariani offers a passionate highly readable biography of one of America's great poets Using many of Robert Lowell's unpublished letters as well as interviews with his friends and relatives Mariani captures the greatness humor and heartbreak of this literary giant **A Study Guide for Robert Lowell's "For the Union Dead"** Gale, Cengage Learning, 2015-03-13 A Study Guide for Robert Lowell's For the Union Dead excerpted from Gale's acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs **Robert Lowell's Imitations and the Cold War** Simon van Schalkwyk, 2025-08-07 The first book length study focusing on Robert Lowell's career long preoccupation with the liberal mode of translational adaptation known as imitation Robert Lowell's Imitations and the Cold War argues that Lowell's imitations are simultaneously symptomatic of and critically responsive to familiar nodes of Cold War ideology such as containment and contamination secrecy and security post imperial U S expansion and Empire It departs from studies focused solely on Imitations 1961 Lowell's book length collection of translational adaptations by demonstrating how imitation shadows Lowell's work from his earliest collections Land of Unlikeness 1944 and Lord Weary's Castle 1946 through his celebrated mid career collections Life Studies 1959 and For the Union Dead 1964 and to later works such as Near the Ocean 1969 and his contributions of adaptations from the Russian of Anna Akhmatova and Osip Mandelstam collected in Olga Carlisle's anthology Poets on Street Corners 1967 Simon van Schalkwyk excavates the imitational substrate undergirding and informing Lowell's compositional method and poetic imagination throughout the course of his career In so doing he shows how imitation enacts at the level of form Lowell's restless investment in Cold War geopolitics and literary networks in ways that inform develop and complicate his more conventional canonization as an unquestionably American poet preoccupied solely and simplistically with personal or autobiographical modes of poetic confession As literary sites at which containment's dualities porosities leakages and contaminants are most clearly displayed Lowell's imitations simultaneously challenge and develop our understanding of confession's presumably strict preoccupation with the personal regional and national frameworks through which Lowell has commonly been understood **A Study Guide for Robert Lowell's "Hawthorne"** Gale, Cengage Learning, 2016 A Study Guide for Robert Lowell's Hawthorne excerpted from Gale's acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs **Robert Frost** Jay Parini, 2015-06-09 A biography of Robert Frost the poet who won four Pulitzer prizes before dying in 1963 The book describes his early life he wanted to be a baseball player his farming in New England its influence on his poetry and his many bouts with depression and self doubt Professing Sincerity Susan B.

Rosenbaum,2007 Sincerity the claim that the voice figure and experience of a first person speaker is that of the author has dominated both the reading and the writing of Anglo American poetry since the romantic era Most critical studies have upheld an opposition between sincerity and the literary marketplace contributing to the widespread understanding of the lyric poem as a moral refuge from the taint of commercial culture Guided by the question of why we expect poetry to be sincere Susan Rosenbaum reveals in *Professing Sincerity Modern Lyric Poetry Commercial Culture and the Crisis in Reading* that in fact sincerity in the modern lyric was in many ways a product of commercial culture As she demonstrates poets who made a living from their writing both sold the moral promise that their lyrics were sincere and commented on this conflict in their work Juxtaposing the poetry of Wordsworth and Frank O'Hara Charlotte Smith and Sylvia Plath and Anna Laetitia Barbauld and Elizabeth Bishop Rosenbaum shows how on the one hand through textual claims to sincerity poets addressed moral anxieties about the authenticity autonomy and transparency of literature written in and for a market On the other hand by performing their private lives and feelings in public she argues poets marketed the self cultivated celebrity and advanced professional careers Not only a moral practice professing sincerity was also good business The author focuses on the history of this conflict in both British romantic and American post 1945 poetry *Professing Sincerity* will appeal to students and scholars of Anglo American lyric poetry of the history of authorship and of gender studies and commercial culture

Confessional Poetry in the Cold War Adam Beardsworth,2022-02-02 This book explores how confessional poets in the 1950s and 1960s US responded to a Cold War political climate that used the threat of nuclear disaster and communist infiltration as affective tools for the management of public life In an era that witnessed the state sanctioned repression of civil liberties poets such as Robert Lowell John Berryman Sylvia Plath Anne Sexton and Randall Jarrell adopted what has often been considered a politically benign confessional style Although confessional writers have been criticized for emphasizing private turmoil in an era of public crisis examining their work in relation to the political and affective environment of the Cold War US demonstrates their unique ability to express dissent while averting surveillance For these poets writing the fear and anxiety of life in the bomb's shadow was a form of poetic doublespeak that critiqued the impact of an affective Cold War politics without naming names *Book Self* C. K. Stead,2013-10-01 A sequel to the successful books *Kin of Place* and *The Writer at Work* this collection of critical writing takes the reader on a personal journey from the author's earliest discovery of poetry as a young man to his latest experiences on the literary trail This trip through literary history involves many writers including Katherine Mansfield T S Eliot Michael King and Elizabeth Knox The book also includes a series of journal extracts that allow readers to get closer to the mind of the writer his strong personal views about other writers and his deep commitment to the role of criticism in literary life **Seamus Heaney's Gifts** Henry Hart,2024-12-13 The fact of the matter Seamus Heaney said in a 1997 interview with the *Paris Review* is that the most unexpected and miraculous thing in my life was the arrival in it of poetry Throughout his career Heaney who received the 1995 Nobel Prize in

Literature maintained that poetry came to him from a mysterious source like a gift of grace He also believed that the recipient of this sort of boon had an ethical obligation to share it with others Seamus Heaney's *Gifts* by the noted scholar and poet Henry Hart offers the first comprehensive examination of Heaney's preoccupation with gifts and gift exchange Drawing on extensive research in Heaney's papers as well as three decades of correspondence with the poet Hart presents a richly detailed study of Heaney's life and work that foregrounds the Irishman's commitment to the vocation of poetry as a public art to be shared with audiences and readers around the world Heaney traced his devotion to gifts back to the actual present of a Conway Stewart fountain pen that his parents gave him at the age of twelve when he left his family farm in Northern Ireland to attend a private Catholic secondary school in Londonderry He commemorated this gift in *Digging* the first poem in his first book and in two poems he wrote near the end of his life *The Conway Stewart* and *On the Gift of a Fountain Pen* Friends and doctors had warned him that his endless globetrotting to give lectures and poetry readings had damaged his health Yet he felt obligated to share his talent with audiences around the world until his death in 2013 As Hart shows Heaney found his first models for gift giving in his rural community in Northern Ireland the Bible the rituals of the Catholic Church and the literature of mystical and mythical quests Blending careful research with evocative commentaries on the poet's work Seamus Heaney's *Gifts* explains his ideas about the artist's gift the necessity of gift exchange acts and the moral responsibility to share one's talents for the benefit of others

Seamus Heaney and the End of Catholic Ireland Kieran Quinlan, 2020-04-24 Seamus Heaney the End of Catholic Ireland takes off from the poet's growing awareness in the new millennium of something far more important in my mental formation than cultural nationalism or the British presence or any of that stuff namely my early religious education It then pursues an examination of the full trajectory of Heaney's religious beliefs as represented in his poetry prose and interviews with a briefer account of the interactive religious histories of the Irish and international contexts in which he lived Thus in the 1940s and 50s Heaney was inducted into the narrow punitive but also enabling Catholicism of the era In the early 1960s he was witness to the lively religious debates from the Anglican Bishop of Woolwich's *Honest to God* to the seismic disruptions of Vatican II When the conflict in Northern Ireland

between Catholics and Protestants broke out Heaney was forced to dig deep for an imaginative understanding of its religious roots From the 1980s on Heaney more and more proclaimed his own religious loss while also recognizing the institution's residual value in an Irish society of rising prosperity weariness with the atrocities of a partly religion inspired IRA and beset by the scandals of sex abuse among the clergy Kieran Quinlan sees Heaney as an exemplar of this period of major change in Ireland as he engaged the religious issue not only in major writers such as James Joyce W B Yeats T S Eliot Wallace Stevens Philip Larkin and Czeslaw Mi osz but also in a diverse array of less familiar commentators lay and clerical creative and academic believers and unbelievers Irish and international Breaking new ground by expanding the scope of Heaney's religious preoccupations and writing in an accessible reflective and sometimes provocative manner Quinlan's study places Heaney in his universe and that universe in turn in its wider intellectual setting The Lyric in the Age of the Brain Nikki Skillman, 2016-06-06 Science has transformed understandings of the mind supplying physiological explanations for what once seemed transcendental Nikki Skillman shows how lyric poets caught between a reductive scientific view and naive literary metaphors struggled to articulate a vision of consciousness that was both scientifically informed and poetically truthful

Family Thoughts Robert Williamson, 2014-09-08 This book is a compilation of five papers published in two journals Family Systems Forum and Family Systems A Journal of Natural Systems Thinking in Psychiatry between 2008 and 2013 These journals are dedicated to exploring the theory of the family developed by Dr Murray Bowen 1913 1990 Bowen was one of the leaders in the emergence of family systems theory and therapy beginning in the 1950s Bowen came to understand that much of human behavior is a product of the family unit and has a function for the family unit The papers in this volume explore how beliefs worldviews philosophies values goals principles although emerging in an individual brain can be regarded as a product of the family unit and have a function for the family unit Case studies include Dietrich Bonhoeffer Henry David Thoreau Walter Inglis Anderson Robert Lowell and Jean Stafford Modern Marriage and the Lyric Sequence Jane Hedley, 2018-06-04 Modern Marriage and the Lyric Sequence investigates the ways in which some of our best poets writing in English have used poetic sequences to capture the lived experience of marriage Beginning in 1862 with George Meredith's Modern Love Jane Hedley's study utilizes the rubrics of temporality dialogue and triangulation to bring a deeply rooted and vitally interesting poetic genre into focus Its twentieth and twenty first century practitioners have included Edna St Vincent Millay Robert Lowell Rita Dove Eavan Boland Louise Gl ck Anne Carson Ted Hughes Claudia Emerson Rachel Zucker and Sharon Olds In their poetic sequences the flourishing or failure of a particular marriage is always at stake but as that relationship plays out over time each sequence also speaks to larger questions why we marry what a marriage is what our collective stake is in other people's marriages In the book's final chapter gay marriage presents a fresh testing ground for these questions in light of the US Supreme Court's affirmation of same sex marriage Pursuing Privacy in Cold War America Deborah Nelson, 2001-12-26 Pursuing Privacy in Cold War America explores the relationship between confessional

poetry and constitutional privacy doctrine both of which emerged at the end of the 1950s While the public declarations of the Supreme Court and the private declamations of the lyric poet may seem unrelated both express the upheavals in American notions of privacy that marked the Cold War era Nelson situates the poetry and legal decisions as part of a far wider anxiety about privacy that erupted across the social cultural and political spectrum during this period She explores the panic over the death of privacy aroused by broad changes in postwar culture the growth of suburbia the advent of television the popularity of psychoanalysis the arrival of computer databases and the spectacles of confession associated with McCarthyism Examining this interchange between poetry and law at its most intense moments of reflection in the 1960s 70s and 80s Deborah Nelson produces a rhetorical analysis of a privacy concept integral to postwar America's self definition and to bedrock contradictions in Cold War ideology Nelson argues that the desire to stabilize privacy in a constitutional right and the movement toward confession in postwar American poetry were not simply manifestations of the anxiety about privacy Supreme Court justices and confessional poets such as Anne Sexton Robert Lowell W D Snodgrass and Sylvia Plath were redefining the nature of privacy itself Close reading of the poetry alongside the Supreme Court's shifting definitions of privacy in landmark decisions reveals a broader and deeper cultural metaphor at work *Annotating Modernism* Amanda Golden, 2020-05-04 Making extensive use of archival materials by Sylvia Plath John Berryman and Anne Sexton Amanda Golden reframes the relationship between modernism and midcentury poetry While Golden situates her book among other materialist histories of modernism she moves beyond the examination of published works to address poets' annotations in their personal copies of modernist texts A consideration of the dynamics of literary influence *Annotating Modernism* analyzes the teaching strategies of midcentury poets and the ways they read modernists like T S Eliot James Joyce Ezra Pound Virginia Woolf and W B Yeats Situated within a larger rethinking of modernism Golden's study illustrates the role of midcentury poets in shaping modernist discourse
