Wolf of the Northern Star Sheena Jolie,SJ Himes,2017-06-15 Ghost is finally home Back among his kind and learning what it means to be both a man and a shaman Ghost battles the expectations of his people his family and the pressures of a society that is both foreign and familiar His power is greater than any seen before dwarfing that of even the legendary Shaman Gray Shadow and his union with Kane places him in the center of a controversy that rattles wolfkin society around the world Ghost loves his mate and refuses to bow to mounting pressure to have them separated and then Kane is falsely accused of forcing a mate bond Kane the alpha heir of his clan and Ghost s new mate has finally defeated the traitor and murderer that destroyed the heart of Black Pine years before Yet Kane has a new enemy to face his own people Placed on trial for violation of Law and blasphemy Kane will have to fight to the death to preserve his bond with Ghost and keep his mate and people safe Alphas from far and wide come to the trial some with the intent to take everything from Kane including his beloved mate A soulbound pair is traditionally seen as a blessing upon the wolfkin and their clans yet their bond flies in the face of tradition Ghost and Kane refuse to be parted and even with the support of their friends and family it may not be enough to preserve their mating when ancient laws and hatred threaten to destroy their love A. T. Russell,2009-12 Chatran is a host of many values even with his personal flaws While his convictions are absolute Chatran freely gives of

himself to those that are honorable and respectful to him and to themselves He returns as good as he gets but his returns are in full Of Chatran s greatest values is the protection of women of all types and the protection of puppies children and cubs And like any father or protector Chatran will allow no threats to those that he loves and those that love him Above all else Chatran lives for family friends and a good time with them as often as possible Even if he has to violently move something or someone out of the way to enjoy them That is primarily due to the fact that Chatran has had a life filled with loss He s been on his own for more than 15 years and has been alone in all of that time Because of the Beast within Chatran has had to maintain a solitary existence among people unlike himself and he s done okay in that life But it hurts him One day while at work an event takes place that changes Chatran s life and launches him into his natural element Chatran learns to live and become one with his natural elemental form and embraces life and himself fully He also learns something far greater Because of that knowledge he offers and ultimately gives himself to others that have accepted him But he has to earn their respect and trust very quickly before he is lost within himself and is released without direction With the trust of the others Chatran will have the responsibility of their protection The question then becomes can one of great strength partner with one of wrath and be successful in navigating their way to their real home Or will they take the wrong road unknowingly and be damned while pursuing handfuls of shiny and pretty things The problem is that there is no help And the one leading the way isn t the one making the decisions

Warrior Elsa Jade, After the mating moon sets the trouble is only beginning Thunder Cole may be the last of his kind He ll help his distant shapeshifter kindred with their werewolf hunter problem but then he s moving on alone Until he meets Elizabeth Rowan Bets became Auntie Fate a fake psychic tarot reader to support her orphaned niece but she doesn t believe in the woo woo magical world Until she meets Thunder Cole Both of them think their second chances are long gone They couldn t be more wrong But a bitter enemy on a quest for vengeance against the wolves of Angels Rest may destroy everything they love A doubter will believe a warrior will rise and passion will rule the day

The Final Solution R. F. Dietrich,2000-10 The terrorist bombs and guns going off in our world along with practically every bit of political violence of the last forty years starting with the assassination of President Kennedy are part of a single man s demented plot to save the world through terror and a climactic apocalyptic act of sacrifice that will make the crucifixion of Christ look insignificant Or so we are told by Wolf Berlin who has accidentally uncovered the mad plot on the Net Who is Wolf Berlin He is a man who has always wanted to found a new religion and who now is tempted by the mad genius a long lost old friend to be the Peter and Paul of what looks to be a very effective religion of the future one that will bring the global peace Wolf so hungers for After the dust settles that is Whether Wolf agrees to it or not the Apocalypse is scheduled for the near future Wolf struggles with his decision to either try to stop the mad plot or join it as the Doomsday clock ticks on
