Lost And Found A Woman Revisits 8th Grade:

Lost and Found Roberta Israeloff, 1997-10-14 Revisiting her past through old journals and diaries author Roberta Israeloff traces her passage from self confident tomboy to a teenager trying to understand what it means to be female in today's society Her recollections juxtaposed with thoughts on her current life capture from a personal perspective the journey to womanhood Will appeal to readers of *REVIVING OPHELIA* Revisiting The Great White North? Darren E. Lund, 2015-01-20 Returning seven years later to their original pieces from this landmark book over 20 leading scholars and activists revisit and reframe their rich contributions to a burgeoning scholarship on Whiteness With new reflective writings for each chapter and valuable sections on relevant readings and resources this volume refreshes and enhances the first text to pay critical and sustained attention to Whiteness in education with implications far beyond national borders Contributors include George Sefa Dei Tracey Lindberg Carl James Cynthia Levine Rasky and the late Patrick Solomon Courageously examining diverse perspectives contexts and institutional practices contributors to this volume dismantle the underpinnings of inequitable power relations privilege and marginalization The book's relevance extends to those in a range of settings with abundant and poignant lessons for enhancing and understanding transformative social justice work in education Revisiting The Great White North offers terrific grist for examining the persistence of Whiteness even as it shape shifts Chapters are comprehensive theoretically rich and anchored in personal experience Authors reflections on the seven years since publication of the first edition of this book complexify how we understand Whiteness while simultaneously driving home the need not only to grapple with it but to work against it Christine Sleeter Professor Emerita California State University Monterey Bay Our understanding of racial inequities in education will be impoverished unless we look deeply at White privilege its variation in different contexts and resistances to change Such is the call in this important book by Lund Carr and colleagues whose analyses within Canadian contexts framed and re framed for this captivating revised edition will be useful to educators and scholars around the world Read this book today Kevin Kumashiro Dean School of Education University of San Francisco President National Association for Multicultural Education Darren Lund and Paul Carr have given the contributors to their original 2007 text the opportunity to revisit rethink reconceptualize and reframe their earlier work The result is an interesting invigorating and unsettling group of chapters that challenge readers to also revisit and rethink their own ideas about Whiteness privilege and power Teachers administrators policymakers and researchers will all benefit from this critical work Sonia Nieto Professor Emerita Language Literacy and Culture College of Education University of Massachusetts Amherst Lund and Carr bring together a superb collection of authors who collectively challenge readers to go beyond liberal platitudes about race until educators confront the political social and economic consequences of inequitably distributed privilege the path towards equality and freedom will remain elusive By immersing us in the discourse of Whiteness the essays in this book illuminate that very path Joel Westheimer University Research Chair Professor Faculty of

Education University of Ottawa Library Journal ,2006 Talking about Leaving Revisited Elaine Seymour,Anne-Barrie Hunter,2019-12-10 Talking about Leaving Revisited discusses findings from a five year study that explores the extent nature and contributory causes of field switching both from and among STEM majors and what enables persistence to graduation The book reflects on what has and has not changed since publication of Talking about Leaving Why Undergraduates Leave the Sciences Elaine Seymour Nancy M Hewitt Westview Press 1997 With the editors guidance the authors of each chapter collaborate to address key questions drawing on findings from each related study source national and institutional data interviews with faculty and students structured observations and student assessments of teaching methods in STEM gateway courses Pitched to a wide audience engaging in style and richly illustrated in the interviewees own words this book affords the most comprehensive explanatory account to date of persistence relocation and loss in undergraduate sciences Comprehensively addresses the causes of loss from undergraduate STEM majors an issue of ongoing national concern Presents critical research relevant for nationwide STEM education reform efforts Explores the reasons why talented undergraduates abandon STEM majors Dispels popular causal myths about why students choose to leave STEM majors This volume is based upon work supported by the Alfred P Sloan Foundation Award No 2012 6 05 and the National Science Foundation Award No DUE 1224637 **Development Studies Revisited** Charles Cooper,E. V. K. FitzGerald,2016-04-15 First published in 1989 The Journal of Development Studies was founded 25 years ago as a professional journal for what had by then become an established sub discipline within British social science The Journal has consistently published a broad spectrum of British research on development studies a catholicity that has been reflected in the composition of the Editorial Board over the years and has always welcomed authors from the USA the European Continent and above all from the Third World Collated form the last twenty five years of the journal presented here are a collection of 20 odd papers that represent less than three per cent of articles published since 1964 New Books on Women and Feminism ,1997 **The Class of 86 Revisited** Lynn Barr-Telford,Geoff Bowlby,W. Clark,Statistics Canada,Canada. Norbert Elias's Lost Research John Goodwin, Henrietta O'Connor, 2016-03-03 Based on the re discovery of a lost sociological project led by Norbert Elias at the University of Leicester this book re visits the project The Adjustment of Young Workers to Work Situations and Adult Roles Norbert Elias s Lost Research makes use of the interview booklets documenting the lives of nearly 900 Leicester school leavers at the time to give a unique account of Elias s only foray into large scale publicly funded research Covering all aspects of the research from the development of the research proposal the selection and management of the research team the fieldwork Elias s theoretical work to the ultimate demise of the research project this book makes a significant contribution to our understanding of existing Eliasian texts by introducing this project to a wider audience and investigating and applying Elias s theoretical work to the areas of youth and school to work transitions Shedding new light on Elias s thought whilst exploring questions of methodology and the relevance of older research to modern questions this book will be of interest to social theorists as well as sociologists with interests in research methodology and the history of sociology

Lancaster Revisited Heather Maurer Lennon, 2005 Lancaster Revisited is an engaging look at this historic town located in the heart of New England This book takes the reader on a tour of residential life from cottages and town homes to lavish country estates of the Gilded Age Glimpse places that vanished as Fort Devens annexed a portion of the town and witness the devastation caused by the flood of 1936 and the Great New England Hurricane of 1938 Learn the poignant story of one of Lancaster s hometown boys lost in World War II and meet the father of the Nashua River Greenway plan Vintage photographs depict the pleasures of small town life including two of Lancaster s anniversary celebrations Enhanced by insightful captions these images bring to life memories of days gone by in this charming and picturesque place

Engels Revisited Janet Sayers, Mary Evans, Nanneke Redclift, 2009 This reissued work first published in 1987 examines the problematic and divisive attitudes which bourgeois and socialist feminists take to the question of the links between patriarchy and capitalism and the importance of class conflict as a major cause of women s subordination Engels still occupies a central role in this debate and feminists writing in the hundred years since the publication of The Origin of the Family Private Property and the State frequently turn to this book in an attempt to find validation for their central

argument The contributors to this volume reconsider Engels theories and review evidence from those societies that have attempted to implement his belief that the key to the emancipation of women lies in their entry to social production

Norbert Elias's Lost Research Mr John Goodwin, Dr Henrietta O'Connor, 2015-09-28 Based on the re-discovery of a lost sociological project led by Norbert Elias at the University of Leicester this book re-visits the project The Adjustment of Young Workers to Work Situations and Adult Roles Norbert Elias's Lost Research makes use of the interview booklets documenting the lives of nearly 900 Leicester school leavers at the time to give a unique account of Elias's only foray into large scale publicly funded research

Gender, Genre, and the Romantic Poets Philip Cox, 1996 This book offers new insights into the ambiguous masculinity within male romantic poetry discussing the work of Byron Wordsworth Shelley Keats and Coleridge among others

Cultural Amnesia Stephen Bertman, 2000-02-28 Applying the metaphor of Alzheimer's disease to our national state of mind Bertman offers a chilling prognosis for our country's future unless radical steps for recovery are taken He looks beyond the classroom to the larger social forces that conspire to alienate Americans from their past a materialistic creed that celebrates transience and disposability and an electronic faith that worships the present to the exclusion of all other dimensions of time Jacket

Army at Home Judith Giesberg, 2009-09-01 Introducing readers to women whose Civil War experiences have long been ignored Judith Giesberg examines the lives of working class women in the North for whom the home front was a battlefield of its own Black and white working class women managed farms that had been left without a male head of household worked in munitions factories made uniforms and located and cared for injured or dead soldiers As they became more active in their new roles they became visible as political actors writing letters signing petitions moving or refusing to move from their homes and confronting civilian and military officials At the heart of the book are stories of women who fought the draft in New York and Pennsylvania protested segregated streetcars in San Francisco and Philadelphia and demanded a living wage in the needle trades and safer conditions at the Federal arsenals where they labored Giesberg challenges readers to think about women and children who were caught up in the military conflict but nonetheless refused to become its collateral damage She offers a dramatic reinterpretation of how America's Civil War reshaped the lived experience of race and gender and brought swift and lasting changes to working class family life

Gender Responsive Budgeting in South Asia Pranab Kumar Panday, Shuvra Chowdhury, 2021-11-08 This book analyzes the practice of local level participatory planning and budgeting and its impact on gender responsive budgeting GRB in Bangladesh The book offers a conceptual framework that brings into focus the contribution of successful participatory budgeting practice to ensure GRB the examination of whether men and women fall under existing income and expenditure patterns differently It suggests that the ideas of participatory budgeting and GRB should be evolving together to provide a concrete idea to address gender needs The book provides a theoretical explanation that contributes to the consolidation of the practice of GRB at the local government level through participatory budgeting Conceptualizing the process of

participatory budgeting and GRB in the context of Bangladesh the book will be of interest to researchers in the field of Development Studies Political Science Public Administration and Gender as well as Asian Studies in particular South Asian Studies

Love Canal Revisited Elizabeth D. Blum, 2008-03-19 Thirty years after the headlines Love Canal remains synonymous with toxic waste When this neighborhood of Niagara Falls New York burst upon the nation's consciousness the media focused on a working class white woman named Lois Gibbs who gained prominence as an activist fighting to save families from the poison buried beneath their homes Her organization the Love Canal Homeowners Association challenged big government and big business and ultimately won relocation But as Elizabeth Blum now shows the activists at Love Canal were a very diverse lot Blum reveals that more lurks beneath the surface of this story than most people realize and more than mere toxins She takes readers behind the headlines to show that others besides Gibbs played important roles and to examine how race class and gender influenced the way people from African American women to middle class white Christian groups experienced the crisis and became active at Love Canal Blum explores the often rocky interracial relationships of the community revealing how marginalized black women fought to be heard as they defined their environmental activism as an ongoing part of the civil rights struggle And she examines how the middle class Ecumenical Task Force consisting of progressive educated whites helped to negotiate legal obstacles and to secure the means to relocate and compensate black residents Blum also demonstrates how the crisis challenged gender lines far beyond casting mothers in activist roles Women of the LCHA may have rejected feminism because of its anti family stance but they staunchly believed in their rights And the incident changed the lives of working class men who found their wives in the front lines rather than in the kitchen In addition male bureaucrats and politicians ran into significant opposition from groups of both men and women who pressed for greater emphasis on health rather than economics for solutions to the crisis No previous account of Love Canal has considered the plight of these other segments of the population By doing so Blum shows that environmental activism opens a window on broader social movements and ideas such as civil rights and feminism Her book moves the story of Love Canal well beyond its iconic legacy the Superfund Act that makes polluters accountable to highlight another vital legacy one firmly rooted in race class and gender
