Lost Bird:

The Lost Little Bird David McPhail, 2021-03-30 David McPhail's *The Lost Little Bird* is a funny and affirming picture book about a little bird who goes on an adventure to discover who he is. When a little bird bumps his head one day he loses his memory. He can't even remember what kind of bird he is. Determined to find out, he sets off on a great journey. Along the way he meets many new birds including some scary crows, an inquisitive owl, and two helpful chickens, but none who are quite like him. Where is his bird of a feather? Sweet and heartfelt, *The Lost Little Bird* is a story about accepting yourself as you are.

The Tale of a Lost Bird Nalini Rai, 2022-01-14 *The Tale of a Lost Bird* is a story that is aimed to evolve through the eyes of our children. It sheds light on the topics that are too sensitive to talk about but too important to ignore. At one it's of a journey of a bird, pure and innocent. At five it's the chaos of a world. At seven it's the fight for what's right. And at ten it's the dream of what will never end.
