I Am Not I Jacob Needleman, 2016-04-19 In this striking meditation on the relationship between the adult self and the inner child Jacob Needleman presents excitingly original positions on age old spiritual and philosophical questions Ken Wilbur Seeking to reconcile the split between our inner child and our adult self eminent philosopher and religious scholar Jacob Needleman evokes the ancient spiritual tradition of a deep dialogue between a guiding wisdom figure and a seeker The elder offers an initiation to a younger self an initiation the author feels is missing from our culture Rendered as a stage play the conversation between the 80 year old author and his younger selves unfolds and an ambiguity emerges as to whether this is strictly the author's internal dialogue or whether the younger self may be nurturing a rebirth of the author On one level I Am Not I brings younger readers teenagers and young adults face to face with powerful spiritual and philosophical ideas But as the book progresses the dialogue delves into questions and insights that carry astonishing new hope and vision for every man and woman challenging our culture's accepted and often toxic ideas about humanity's place in a living universe

Going Beyond the Jesus Story Douglas Lockhart, 2011-09-30 Who am I Why am I Where am I headed and where have I been These are just some of the questions that concern the author of *Going Beyond the Jesus Story* a book that ranges freely across complex and intriguing subject areas such as the nature of religious belief contemplative and meditative experience lucid dreaming the role of feeling in our appreciation of reality the inherently spiritual nature of asking questions and our need to go beyond not only the Jesus story as it has come down to us but also the ingrained notion that self is an ongoing uninterrupted experience of the conscious mind that can be taken for granted Directing our attention to the nature of attention itself we are introduced step by carefully constructed step to the idea that consciousness is not what we have assumed it to be or conscious awareness quite as conscious as we like to think it is Delving into history theology and philosophy in an attempt to reach an integrated understanding of the religious and secular problems we face as human beings the author examines ideas that confront and challenge on just about every level ideas that carry us towards an appreciation of what it means to presence the self to the self as an experience in its own right At this point theory gives way to experiment to methodology to a knowing or seeing that makes this book a unique contribution to the study of human sentience and its evolved and evolving structures

Overhearing a Christian Apology to the Nones

Thomas E. Rodgerson,2021-11-03 While the steady increase of the religiously unaffiliated Nones in America has generated anxious responses about rising secularism and loss of national identity this book suggests a wider meaning making approach wherein the Nones are seen as valuable dialogue partners necessary in this pivotal moment for the revealing of still hidden truths about culture spirituality and religion Christians who overhear this dialogue may find upon self reflection an emerging truth about their relationships embedded stories level of faith development and susceptibility to a culturally conditioned transactional religion Nones who choose to engage in dialogue may find that the nothingness they bring to the dialogue is more significant than they realize revealing truths of an apophatic spiritual path necessary for generating a transformational faith of freedom and capable of rebalancing a divisive consumer driven society The religious and the not religious who are often seen as being on opposite sides of an imagined religious threshold may instead be seen as standing together in a liminal space that opens in wordless silence to yet unseen possibilities and from which emerge new stories aligned with the heart of Creation

Mother of the Lamb Matthew J. Milliner,2022-10-04 Mother of the Lamb tells the remarkable story of a Byzantine image that emerged from the losing side of the Crusades Called the Virgin of the Passion in the East and Our Lady of Perpetual Help in the West the icon has expanded beyond its Byzantine origins to become one of the most pervasive images of our time It boasts multiple major shrines on nearly every continent and is reflected in every epoch of art history since its origin even making an appearance at the Olympics in 2012 Matthew Milliner first chronicles the story of the icon s creation and emergence in the immediate aftermath of the Third Crusade whereupon the icon became a surprising emblem of defeat its own fame expanding in inverse proportion to Christendom s political contraction Originally born as a Christian response to the Christian violence of the Crusades it marked the moment when Mary s ministry of suffering love truly began Having traced the icon s origin and

ubiquity Milliner teases out the painting's theological depth and continues the story of the icon's evolution and significance from its origins to the present day As the story of the icon moves well beyond Byzantine art history both temporally and thematically it engages religion politics contemporary art and feminist concerns at once Always though the icon exemplifies dignity in suffering a lesson that through this image Byzantium bequeathed to the wider world Encapsulating eleven centuries of development of the mourning Mary in Byzantium the Virgin of the Passion emerges as a commendable icon of humility a perennial watchword signaling the perils of imagined political glory The Virgin of the Passion emblemizing political humility the powerful agency of women and the value of inter Christian and extra Christian concord is an exemplary Marian image for the fledgling twenty first century *The Secret Code of the King James Bible* Abdullahi Mubarak,2012-12-07 This book I believe for the first time reveals knowledge that has been buried in the Bible under a secret code There have been many attempts to uncover this code and all previous attempts have contributed in a positive way to this writing The book is my personal contribution to improvement of mankind through the acknowledgment of the truth and the defeat of falsehood I am not though writing this with rose colored glasses There will always be those who hate the Truth for personal worldly gains those who take comfort in falsehood those who would follow blindly what their ancestors believed true or false those who worship at the altar of their base desires and those who benefit from evil in the world The ultimate victory of Truth over falsehood is with God Almighty and I wish that the reader is guided to the Truth This book is also a way to thank God Almighty for guiding me away from falsehood and this book is for others like me *Where Faith Meets Culture* Sharon Gallagher,2010-01-01 Where Faith Meets Culture is a Radix magazine anthology What does Radix usually contain Interviews and features Reviews of significant books films and CDs Informed opinions in The Last Word Eye catching graphics Mind stretching prose Image rich poetry Radix assumes that Christians live in the real world and takes lay Christians seriously As one subscriber wrote Radix is a more worldly magazine than one would expect from its deep commitment to Christ Radix monitors the cultural landscape questions assumptions and introduces new voices remaining deeply rooted in Christ Sociologist Robert Bellah wrote in a Radix article Though social scientists say a lot about the self they have nothing to say about the soul and as a result the modern view finds the world intrinsically meaningless Radix continues to talk about meaning and hope in a culture that has lost its way The articles in this volume reflect the magazine's wide ranging interests literature art music theology psychology technology discipleship and spiritual formation They're written by some of the outstanding authors whose work has graced our pages over the years Peggy Alter Kurt Armstrong Robert Bellah Bob Buford Krista Faries David Fetcho Susan Fetcho Sharon Gallagher David W Gill Joel B Green Os Guinness Virginia Hearn Walter Hearn Donald Heinz Margaret Horwitz Mark Labberton Henri Nouwen Earl Palmer Susan Phillips Dan Ouellette Steve Scott and Luci Shaw [Yoga Journal](#) ,1989-03 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower

When Soul Appears Al McGee, 2022-03-02 After a painful confrontation with a Senior Pastor his associate the Rev Al McGee dealt with it by exclaiming the unsayable I don't believe And thus began a wrestling match with the Divine Al was struggling with God Arguing with God Contending with God And found that instead of a lightning strike he was given the grace of deeper understanding Like the Old Testament character Jacob who wrestled all night with God to wake up with a new identity Al too entered a realm of greater possibilities By having it out with God he realized God more deeply He experienced a felt shift into a surprising inner cohesion of body mind and soul For Al the protest the raised fist against heaven was the catalyst for what he calls the appearance of soul Marked by depth variety and a wealth of voices When Soul Appears will challenge readers to

look at their beliefs and to ponder whether these are inspiring or restricting
