Marilyn Sachs

Lost In America 1st Edition:

Lost in America Marilyn Sachs, 2005-04 Follows the experiences of Nicole a teenaged French Jew from 1943 to 1948 as she loses her parents and sister to the concentration camps and then leaves her native France to make a new life for herself in New York City

Lost in America Sherwin B. Nuland, 2007-12-18 A writer renowned for his insight into the mysteries of the body now gives us a lambent and profoundly moving book about the mysteries of family At its center lies Sherwin Nuland's Rembrandtesque portrait of his father Meyer Nudelman a Jewish garment worker who came to America in the early years of the last century but remained an eternal outsider Awkward in speech and movement broken by the premature deaths of a wife and child Meyer ruled his youngest son with a regime of rage dependency and helpless love that outlasted his death In evoking their relationship Nuland also summons up the warmth and claustrophobia of a vanished immigrant New York a world that impelled its children toward success yet made them feel like traitors for leaving it behind Full of feeling and unwavering observation *Lost in America* deserves a place alongside such classics as *Patrimony* and *Call It Sleep*

Lost in America Colby Buzzell, 2011-08-23 Colby Buzzell has always been a loner An autodidact who never went to college he was dubbed the voice of a generation by Robert Kurson for his daring and critically acclaimed book *My War Killing Time in Iraq* Half a decade later overwhelmed by the birth of his son and the death of his mother Buzzell finds himself rudderless Desperate to escape the constraints of his postwar existence he packs his things gets in the car and for five months drives across America no map no destination In his 1965 Mercury Comet Buzzell travels through the bowels of a country steeped in economic turmoil and political malaise With a bottle of whisky in one hand and a pack of cigarettes in the other he takes us on a tour of big box stores grimy gas stations abandoned warehouses strip clubs and flophouses He captures the distinct voices and vivid stories of a forgotten America Cheyenne Omaha Salt Lake City Des Moines Detroit and San Francisco's Tenderloin Buzzell unearths America's bones in all their beauty and starkness And like the veterans of Hemingway's *Lost Generation* he struggles to reconcile his wanderlust with his responsibilities as a man and a father *Lost in America* is a stunning account of the ravages of war on one individual It also reveals deep truths about a more universal journey the struggle to find our place in the world without a map

America, Have You Lost Your Mind, Or Is It Your Soul? Robbie Trussell, 2012-09 What do you know about the United States of America According to a report from Newsweek magazine 38 percent of Americans given a Newsweek citizenship test failed most because they couldn't define the Bill of Rights In addition more than half failed a standard civics test The Intercollegiate Studies Institute stated The Founding Fathers understood that our constitutional system and the liberty it protects could endure only if Americans retained an understanding of our founding principles Some of those are The New England Confederation stated that the purpose of the colonies was to advance the Kingdom of our Lord Jesus Christ and to enjoy the liberties of the gospel in purity with peace Harvard College required that each student believe that the main end of his life and studies is to know God and Jesus Christ

which is eternal life In 1892 the Supreme Court of the United States declared this is a Christian nation This volume has been put together to help you learn the truth about this uncommon nation and encourage you understand what caused it to be created We must all stand in awe of the many incredible people who founded our exceptional country *All Is Forgotten, Nothing Is Lost* Lan Samantha Chang, 2025-04-25 A smart thoughtful and often poignant meditation Boston Globe At the renowned writing school in Bonnevillle every student is simultaneously terrified of and attracted to the charismatic and mysterious poet and professor Miranda Sturgis whose high standards for art are both intimidating and inspiring As two students Roman and Bernard strive to win her admiration the lines between mentorship friendship and love are blurred Roman s star rises early and his first book wins a prestigious prize Meanwhile Bernard labors for years over a single poem Secrets of the past begin to surface friendships are broken and Miranda continues to cast a shadow over their lives What is the hidden burden of early promise What are the personal costs of a life devoted to the pursuit of art *All Is Forgotten Nothing Is Lost* is a brilliant evocation of the demands of ambition and vocation personal loyalty and poetic truth **Why America Lost the War on Poverty--And How to Win It** Frank Stricker, 2011-02-01 In a provocative assessment of American poverty and policy from 1950 to the present Frank Stricker examines an era that has seen serious discussion about the causes of poverty and unemployment Analyzing the War on Poverty theories of the culture of poverty and the underclass the effects of Reaganomics and the 1996 welfare reform Stricker demonstrates that most antipoverty approaches are futile without the presence or creation of good jobs Stricker notes that since the 1970s U S poverty levels have remained at or above 11% despite training programs and periods of economic growth The creation of jobs has continued to lag behind the need for them Stricker argues that a serious public debate is needed about the job situation social programs must be redesigned a national health care program must be developed and economic inequality must be addressed He urges all sides to be honest if we don t want to eliminate poverty then we should say so But if we do want to reduce poverty significantly he says we must expand decent jobs and government income programs redirecting national resources away from the rich and toward those with low incomes *Why America Lost the War on Poverty And How to Win It* is sure to prompt much needed debate on how to move forward Fort Caroline, the Search for America's Lost Heritage Richard Thornton, 2014-07-10 In 1564 the French attempted to establish a colony calling it Fort Caroline along the May River now St Johns River The original site is has been lost Here Thornton uses histories documents and maps in an effort to locate the elusive Fort Caroline and to determine if it might be located in Georgia or Florida which has been historically debated **The Lost-Found Nation of Islam in America** Clifton E. Marsh, 2000-03-22 This important work on American Black Islam previously published in cloth is now available in trade paperback With the 1995 Million Man March in Washington the Nation of Islam and its often controversial leader Minister Louis Farrakhan have reemphasized their importance as a major voice of the African American community Marsh examines the rise fall and rebirth of the oldest most powerful and significant Black nationalist organization in the

United States New chapters focus on the ideological splits in the Nation of Islam during the 1970s the growth of the Nation in the 1980s and the expanding influence and power of the organization in the 1990s A key chapter examines the continuing legacy of African nationalist thought from 1815 to 1994 places Farrakhan in historical context and examines his addition to the African nationalist legacy of Marcus Garvey and W E B DuBois The appendixes include interviews with important members of the Nation of Islam Imam Wallace D Muhammad son of Elijah Muhammad and Dr Abdul Alim Muhammad the national spokesman for minister Louis Farrakhan of the Nation of Islam and a directory of Masjids in the United States and abroad With bibliography and index *Rivers of North America* Michael D. DeLong, Timothy D. Jardine, Arthur C.

Cushing, 2023-04-20 *Rivers of North America* Second Edition features new updates on rivers included in the first edition as well as brand new information on additional rivers This new edition expands the knowledge base providing readers with a broader comparative approach to understand both the common and distinct attributes of river networks The first edition addressed the three primary disciplines of river science hydrology geomorphology and ecology This new edition expands upon the interactive nature of these disciplines showing how they define the organization of a riverine landscape and its processes An essential resource for river scientists working in ecology hydrology and geomorphology Provides a single source of information on North America's major rivers Features authoritative information on more than 200 rivers from regional specialists Includes full color photographs and topographical maps to illustrate the beauty major features and uniqueness of each river system Offers one page summaries help readers quickly find key statistics and make comparisons among rivers *The Code of Federal Regulations of the United States of America Having General Applicability and Legal Effect in Force June 1, 1938*, 1946 The Code of federal regulations is the codification of the general and permanent rules published in the Federal register by the executive departments and agencies of the federal government **The Lost Child**

of America Pasquale De Marco, 2025-04-21 *The Child of America* is a powerful and moving account of the devastating effects of child abuse and neglect and the resilience of the human spirit Drawing from the historical case of Kaspar Hauser a man who was found abandoned at the city gate of Nuremberg in 1828 with the mind of a child this book examines the physical mental and social consequences of abuse and neglect and the challenges and triumphs of those who have survived it Through a combination of research case studies and personal narratives *The Child of America* sheds light on the hidden world of child abuse and neglect its prevalence causes and long term effects The book examines the physical and mental health consequences of abuse including developmental disabilities mental illness and chronic health conditions It also explores the social and emotional consequences of abuse such as low self esteem difficulty forming relationships and addiction *The Child of America* also explores the resilience of the human spirit and the ability of survivors of abuse and neglect to heal from their trauma and build fulfilling lives The book highlights the importance of early intervention support and therapy in helping survivors of abuse and neglect recover and reclaim their lives It also examines the role of society in preventing child abuse

and neglect and the need for a more just and compassionate society that values and protects all children *The Child of America* is a must read for anyone who wants to understand the issue of child abuse and neglect and for anyone who has been affected by it This book is dedicated to the millions of children who have been abused and neglected and to the survivors who have found the strength to heal and rebuild their lives If you like this book write a review on google books

The Lost Time Accidents John Wray, 2016-02-09 Exiled from time after a failed love affair Waldemar Waldy Tolliver is forced to confront a difficult betrayal and his ancestral legacy against a backdrop of historical events in the first half of the twentieth century

Why America Lost the War on Poverty - and how to Win it (Volume 1 of 2) (EasyRead Comfort Edition) , Orpheus Lost Janette Turner Hospital, 2007 In an enthralling novel as passionate as it is true to life Hospital reveals an American underworld of suspicion and despair and shows how fear and paranoia have worked their way into our daily lives

Lost in Transition Aaron D. Purcell, 2023-08-18 In *Lost in Transition* Removing Resettling and Renewing Appalachia Aaron D Purcell presents a thematic and chronological exploration of twentieth century removal and resettlement projects across southern Appalachia The book shares complex stories of loss and recollection that have grown and evolved over time This edited volume contains seven case studies of public land removal actions in Virginia Kentucky the Carolinas and Tennessee from the 1930s through the 1960s Some of the removals include the Tennessee Valley Authority and the Norris Basin Shenandoah National Park and the New River the Great Smoky Mountains National Park and the Keowee Toxaway Project in northwestern South Carolina Each essay asks key questions How did governmental entities throughout the twentieth century deal with land acquisition and removal of families and communities What do the oral histories of the families and communities particularly from different generations tell us about the legacies of these removals This collection reveals confrontations between past and present federal agencies and citizens and the original accounts of removal and resettlement and contemporary interpretations The result is a blending of practical historical concerns with contemporary nostalgia and romanticism which often deepen the complexity of Appalachian cultural life *Lost in Transition* provides a nuanced and insightful study of removal and resettlement projects that applies critical analysis of fact mythology and storytelling It illustrates the important role of place in southern Appalachian history This collection is a helpful resource to anthropologists folklorists and Appalachian studies scholars and a powerful volume of stories for all readers who reflect upon the importance of place and home

Momma's Lost Piano David Madden, 2023-05-02 This memoir was composed after the author started having memories of events that occurred in his early lifetime growing up in a gritty neighborhood in Depression era Knoxville The memories centered around his mother Emily Merritt Madden and her experiences dealing with poverty a sometimes well intentioned but never reliable husband one son who ends up in prison and her other son who later grows up to become one of Knoxville's greatest authors The style of the manuscript mimics the way memories came to the author and in some respects the ways we recall the significant and insignificant events of our lives The memoir is at once an

intimate retelling of a fundamental relationship and a vivid evocation of an earlier place and time **The Enduring Lost Cause** Edward R. Crowther, 2023-08-18 Marking the fortieth anniversary of Charles Reagan Wilson's classic *Baptized in Blood: The Religion of the Lost Cause, 1865-1920*, this volume collects essays by such scholars as Carolyn Rene Dupont, Sandy Dwayne Martin, Keith Harper, and Wilson himself to show how various aspects of the Lost Cause ideology persist into the present. *The Enduring Lost Cause* examines the lasting legacy of a belief system that sought to vindicate the antebellum South and the Confederate fight to preserve it. Contributors treat such topics as symbolism, the perpetuation of the Lost Cause in education, and the effects of the Lost Cause on gender and religion, as well as examining ways the ideology has changed over time. The twelve essays gathered here help the reader understand the development of a cultural phenomenon that affected generations of southerners and northerners alike, arising out of the efforts of former Confederates to make sense of their defeat, even at the expense of often mythologizing it. From fresh looks at towering figures of the Lost Cause to reexamining the role of African Americans in disseminating the ideology in the form of a religious explanation for suffering, the essayists carefully analyze the tensions between the past and the present, true belief and commercialization, continuity and change. Ultimately, the narrative of the Lost Cause persists worldwide, merging with American exceptionalism to become a pillar of the conservative wing of US politics, as well as a lasting cultural legacy. *The Enduring Lost Cause* provides a window into this world, helping us to understand the present in the context of the past. **Lost Roads** Jonathan Maberry, 2020-11-03 Gutsy Gomez's danger-filled journey to save those infected with the zombie plague continues in *New York Times* bestselling author Jonathan Maberry's terrifying continuation of the *Rot and Ruin* saga. Gabriella Gutsy Gomez lost her mother, and now she's losing her home. Gutsy and her friends, along with Benny and his crew, have just survived a massive attack on New Alamo by the Night Army, a mix of mindless shambling *los muertos* and sentient half-zombie ravagers. She's also reeling from the revelation that the residents of her town were the lab rats of the biological testing facility linked to creating the most dangerous zombie, the Raggedy Man, who controls all of the living dead. And the first raid was only a test. The real Night Army is coming, and this time it'll be a handful of survivors against seven billion zombies. **Lost & Found** David Lanier, 2013-09-15 The eighteen poems in this collection recall a boy's childhood and coming of age in a small town in the rural Southeast of the 1960s. Much of the physical evidence of the world in which the boy lived has disappeared over the intervening years, as a result of the death of parents and friends, as well as profound changes in the natural and social environment of the region. These poems attempt not only to revisit what has been lost but to find anew the emotional meaning and significance of the people, objects, and things of nature that populated the world being remembered. The seemingly simple and direct diction of these exquisitely crafted poems belies the wisdom, insight, and epiphanies looming beneath their crystalline surfaces. Larry D. Thomas, Final Judge. **Lost Causes** Chad R. Trulson, Darin R. Haerle, Jonathan W. Caudill, Matt DeLisi, 2016-03-15 What should be done with minors who kill, maim, defile, and destroy the lives of others? The

state of Texas deals with some of its most serious and violent youthful offenders through determinate sentencing a unique sentencing structure that blends parts of the juvenile and adult justice systems Once adjudicated via determinate sentencing offenders are first incarcerated in the Texas Youth Commission TYC As they approach age eighteen they are either transferred to the Texas prison system to serve the remainder of their original determinate sentence or released from TYC into Texas s communities The first long term study of determinate sentencing in Texas Lost Causes examines the social and delinquent histories institutionalization experiences and release and recidivism outcomes of more than 3 000 serious and violent juvenile offenders who received such sentences between 1987 and 2011 The authors seek to understand the process outcomes and consequences of determinate sentencing which gave serious and violent juvenile offenders one more chance to redeem themselves or to solidify their place as the next generation of adult prisoners in Texas The book s findings that about 70 percent of offenders are released to the community during their most crime prone years instead of being transferred to the Texas prison system and that about half of those released continue to reoffend for serious crimes make Lost Causes crucial reading for all students and practitioners of juvenile and criminal justice
