Subject Guide to Books in Print ,1975 **TŁS, the Times Literary Supplement** ,1969 **Lost Languages**
Jonathan Minton,1999 *The Lost Language* John M. Douglass,1990 **Lost by Translation- Forked Tongues in the**
Fight for North America John Kruse,2012-06-29 This book is aimed at the general reader who has an interest in both
languages and in Native American history and culture It concentrates on the encounter between invading Europeans and the
native peoples of the continent examining the role played by language in that confrontation through the lens of significant
individuals and incidents Amongst those discussed are such famous figures as Columbus Sequoyah Custer Crazy Horse Lewis
and Clark and Sacagawea and Sitting Bull The book covers the period from 1492 up until 1890 It considers problems of
translation problems with translators and the differing values and expectations that had to be translated from one language
and one culture to another The book draws heavily upon contemporary sources to argue that the white conquest of America
was a co operative effort in which language performed a vital role It also gives illustrations of the nature and workings of
various North American languages including plains sign language smoke signalling and pictographs Additionally there is
discussion of native swearing loanwords and pidgins The author John Kruse has long been interested in linguistics and Native
American history and culture He has written other books on language history including *The Native American languages an*
introduction 2007 and *The Etruscan language a brief introduction* 2008
