Mythical Geography Jasper Quincy,Al,2025-05-06 Mythical Geography embarks on a captivating journey to uncover the real world inspirations behind fabled locations It investigates how geographical phenomena historical events and ancient cultures may have given rise to enduring myths like Atlantis El Dorado and the Garden of Eden The book uniquely combines the disciplines of history earth sciences and geography to explore these connections revealing how early civilizations perceived and interpreted their surroundings Did you know for instance that the legend of Atlantis may have roots in actual volcanic eruptions or geological events Or that tales of El Dorado could be linked to early explorations of South America and the perception of its resources The book examines a range of mythical places from well known examples to lesser known tales such as Thule and Agartha drawing on historical accounts archaeological discoveries and geological records It argues that many celebrated mythical geographies are not pure invention but are rooted in or influenced by real world locations By

exploring these connections the book offers a fresh perspective on cultural history environmental perception and the interplay between human imagination and the physical world The book progresses by first introducing the core concept then exploring well known mythical locations and finally delving into lesser known examples from various cultures Reading Genesis in the Long Eighteenth Century Ana M. Acosta,2016-12-05 In a reassessment of the long accepted division between religion and enlightenment Ana Acosta here traces a tissue of readings and adaptations of Genesis and Scriptural language from Milton through Rousseau to Wollstonecraft and Mary Shelley Acosta s interdisciplinary approach places these writers in the broader context of eighteenth century political theory biblical criticism religious studies and utopianism Acosta s argument is twofold she establishes the importance of Genesis within utopian thinking in particular the influential models of Milton and Rousseau and she demonstrates that the power of these models can be explained neither by traditional religious paradigms nor by those of religion or philosophy In establishing the relationship between biblical criticism and republican utopias Acosta makes a solid case that important utopian visions are better understood against the background of Genesis interpretation This study opens a new perspective on theories of secularization and as such will interest scholars of religious studies intellectual history and philosophy as well as of literary studies **Gale Researcher Guide for: The English Epic, Revised: Form, Lost Edens, and the Politics of Empire in Derek Walcott's Omeros** Jason Lagapa, Gale Researcher Guide for The English Epic Revised Form Lost Edens and the Politics of Empire in Derek Walcott s Omeros is selected from Gale s academic platform Gale Researcher These study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research

Literature and Therapy Liz Burns,2020-06-16 Literature and Therapy A Systemic View is an invitation to the world of literature drawing us into the creative and imaginative spaces which lie between readers and their choice of novels plays and poems In this world the fundamental importance of emotion and intuition is recognised as is the power of literature to promote transformations of meaning in every day life and in therapeutic practice Its potential to contribute depth and diversity to therapists personal professional development is explored via literary reflections and qualitative research findings The author defines the terms literature and therapy broadly emphasising their mutual relevance in contemporary and historical contexts acknowledging the richness of literary resources and signposting accessible routes to their use in clinical practice A systemic view highlighting relationships calls to the reader to explore both therapy and literature with fresh eyes newly motivated thoughts and a lightening heart
