

Health Is Wealth And Is The Way To Regain Lost Paradise!

The world we are living in engulfed in pollution and prone to new disease,

How can it become paradise to enjoy heavenly pleasure rather than hell?

Wealth is necessary by economic and technological developments sure,

But without health, free air to breathe and good water drink, how can it be enjoyed?

By the knowledge of experience, culture has come into vogue in the world of past;

By intelligence economic development and technology have created modern world

And civilization has superseded tradition, religion and culture making man fly high

Not realizing the ground reality of pollution and disease making man weak!

Weakness of body, lack of peace of mind and low spirit due to worries much ever,

Man is driven to live hellish life instead of heavenly life in paradise as Nature,

Culture and art are overlooked to be useless things before modern

way of life;

How is man going to regain lost paradise to live a happy and peaceful life in world?

Health is wealth, cleanliness develops immunity to overcome diseases and

By living in harmony with Nature and cherishing culture only, paradise is regained!
