**Broken Tools in God's Hands** Keith Ellerbrock,2010-10 I may be forgiven maybe but after what I've done my life is basically over I'm damaged goods now Forgiven Sure Able to be used Maybe for little stuff maybe but never again for anything important Ever thought things like that Join the club They're lies though lies we often speak to ourselves Broken Tools In God's Hands was written so you can know God's rescuing grace more deeply and be set free to serve Him with new hope and joy in your heart Do you think God can't use you when you're broken Then ponder this The truth is God can only use you as He desires when you're broken when you plainly see your sinfulness your helplessness your need for the Savior That's when Jesus can pour out His blood bought declaration of not guilty into your life declare you to be His perfect tool and use you for mighty things Author Keith Ellerbrock invites you to take a close look at the ugly underbelly of some of the biblical heroes of faith so you can see that they were just as messed up by nature as you are then take a closer look at God's amazing grace toward them to see that since the blood of Jesus was able to forgive and cleanse these flawed and tainted saints it's more than able to forgive and cleanse you Just as God gave them second third and however many chances so He gives those clean do-overs to you And He will use you You have His Word on it St Louis native Keith Ellerbrock has been a pastor in the Lutheran Church Missouri Synod for 25 years He currently serves Trinity Lutheran Church in Bridgeton Missouri He's the undeservedly blessed husband of Dawn and father of Erin Adam and Daniel

promise to Abraham through the twists and turns of Israelite history to culminate in the unexpected manner of its fulfillment. The manner of the fulfillment is to be understood not through prophecy but through Levitical Law which Jesus declared he had come to observe and not set aside. To do otherwise would ignore that declaration and inevitably distort the nature of Jesus' mission and salvific work. This book accordingly provokes new questions but also leads to conformable answers. Why would the magi come from Babylon to worship a Judahite baby? Why was there the temptation in the wilderness? Why did Jesus establish a priesthood? How does Levitical law explain Jesus' missing body? Above all, what does it really mean to say that the Son of God and Lord of life died?
