Jock Slacker Competitor Superhero Goofball Boys are besieged by images in the media that encourage slacking over studying competition over teamwork power over empowerment and being cool over being yourself From cartoons to video games boys are bombarded with stereotypes about what it means to be a boy including messages about violence risktaking and perfecting an image of just not caring Straight from the mouths of over 600 boys surveyed from across the U S the authors offer parents a long hard look at what boys are watching reading hearing and doing They give parents advice on how to talk with their sons about these troubling images and provide them with tools to help their sons resist these messages and be their unique selves

Dad's Playbook, 2006 *Essential Dads* Jennifer M. Randles, 2020-10-13 In *Essential Dads* sociologist Jennifer Randles shares the stories of more than 60 marginalized men as they sought to become more engaged parents through a government supported responsible fatherhood program Dads experiences serve as a unique window into long standing controversies about the importance of fathering its connection to inequality and the state's role in shaping men's parenting With a compassionate and hopeful voice Randles proposes a more equitable political agenda for fatherhood one that carefully considers the social and economic factors shaping men's abilities to be involved in their children's lives and the ideologies that rationalize the necessity of that involvement
